Wartburg native graduates as a financial management technician

WARTBURG, Tenn. – Pvt. Storm Hammons graduated from the Army’s Basic Combat Training and Advanced Individual Course Training at Fort Jackson, South Carolina, on Feb. 27, 2022.

During this 9-week program, Hammons qualified as a Financial Management Technician responsible for budgeting, disbursing, and accounting for government funds. She also learned to maintain and prepare files and financial reports to ensure all financial matters are met efficiently.

Hammons is a graduate from Central High School and plans to attend college and earn a degree in nursing.
