4Mind4Body Webinar – Intuitive Eating

We've included a message above and posted a flyer you can share with employees about the upcoming 4Mind4Body webinar, Intuitive Eating, presented by Partners for Health and Sharecare. The webinar will take place Wednesday, May 8, starting at 11:30 a.m. CT. A link to information about upcoming webinars and previously recorded sessions is also included.

ABC HIPAA Training

The 2024 HIPAA annual class is open. You can take the class now! There is no need to wait for the assigned month. **You must complete the training by the last day of your assigned training month.** This year, we have registered everyone for the class. You will locate the class in Edison under My Learning. If you were not registered, please sign up for the class using the instructions that follow.

The Health Insurance Portability and Accountability Act of 1996, known as HIPAA, is a federal law that protects the privacy and confidentiality of protected health information. Protected health information, known as PHI, is individually identifiable health information held or maintained by Benefits Administration or our business associates who act on our behalf that is transmitted or maintained in any form or medium. As an ABC, you and your agency are our business associates. The law requires all covered entities and business associates to be trained in HIPAA policies and procedures. All ABCs, backup ABCs and directors with access to Edison must complete the annual training. The HIPAA training exemplifies Benefits Administration's

commitment to educating and promoting a culture that encourages ethical conduct and compliance with state and federal laws.

Our training is online in Edison. Each agency is assigned a month to have training completed. You can take the training now without worrying about the completion date.

All ABCs and directors must complete the annual HIPAA training every calendar year. You must complete the training by the last day of your assigned month. Failure to comply with mandatory training requirements may suspend insurance benefits access. Training requirements will not be waived unless the BA HIPAA compliance officer approves.

For ABCs (state offline agencies: Beech River Watershed Development Agency, Governor's Early Literacy Foundation, Greater Nashville Regional Council and South Central Human Resources Agency)

ABC HIPAA Training

The 2024 HIPAA annual class is open. You can take the class now! There is no need to wait for the assigned month. You must complete the training by the last day of your assigned training month. This year, we have registered everyone for the class. You will locate the class in Edison under My Learning. If you were not registered, please sign up for the class using the instructions that follow.

The Health Insurance Portability and Accountability Act of 1996, known as HIPAA, is a federal law that protects the privacy and confidentiality of protected health information. Protected health information, known as PHI, is individually identifiable health information held or maintained by Benefits Administration or our business associates who act on our behalf that is transmitted or maintained in any form or medium. As an ABC, you and your agency are our business associates. The law requires all covered entities and business associates to be trained in HIPAA policies and procedures. All ABCs, backup ABCs and directors with access to Edison must complete the annual training. The HIPAA training exemplifies Benefits Administration's commitment to educating and promoting a culture that encourages ethical conduct and compliance with state and federal laws.

Our training is online in Edison. Each agency is assigned a month to have training completed. You can take the training now without worrying about the completion date.

All ABCs and directors must complete the annual HIPAA training every calendar year. You must complete the training by the last day of your assigned month. Failure to comply with mandatory training requirements may suspend insurance benefits access. Training requirements will not be waived unless the BA HIPAA compliance officer approves.

Important Email Encryption Information

Starting today, March 22, 2024, the state of Tennessee will begin using additional encryption on emails that contain HIPAA information sent outside the state email system. The information can be contained in either the message body or as an attachment.

Agencies who use Microsoft 365 will not notice the change as the messages will open automatically in Outlook. Likewise, messages sent from Benefits Administration's Zendesk platform will not be impacted, as they use Zendesk's email servers.

All other emails from BA containing HIPAA information will require either a one-time code or a login to a Microsoft account. For more information on how to open one of these new secure messages, click here: <https://support.microsoft.com/en-us/office/how-do-i-open-a-protected-message-1157a286-8ecc-4b1e-ac43-2a608fbf3098?ui=en-us&rs=en-us&ad=us>

The March 12 combined ABC conference call notes are posted with today's Friday ABC update. The next ABC conference calls will be held April 9, 2024.

April Performance Drug List Changes

The April PDL has been posted under the [ABC webpage](#) updates and on our [Partners for Health pharmacy webpage](#). As with each quarterly formulary update, CVS Caremark mailed notification letters to members who are affected by tier changes or drugs becoming non-covered, except in the case of products that have generic equivalents available or are acute therapies. Letters were sent to 6,016 impacted members notifying them about their prescription benefit change.

Shown below are drugs being added to the formulary or being removed from the PDL. Please encourage employees to use the state's specific webpage at info.caremark.com/stateoftn to view the most current version of the drug list, to review their prescription drug benefit information, request mail service orders and research drug information.

THE FOLLOWING CHANGES TO THE PDL (OR FORMULARY) AS OF APRIL 1, 2024

Drugs being added to the formulary effective April 1, 2024:

Performance Drug List - Standard Control for Clients with Advanced Control Specialty Formulary[®] for State of Tennessee

The **CVS Caremark[®] Performance Drug List - Standard Control for Clients with Advanced Control Specialty Formulary[®] for State of Tennessee** is a guide within select therapeutic categories for clients, plan members and health care providers. **Generics should be considered the first line of prescribing.** If there is no generic available, there may be more than one brand-name medicine to treat a condition. These preferred brand-name medicines are listed to help identify products that are clinically appropriate and cost-effective. Generics listed in therapeutic categories are for representational purposes only. This is not an all-inclusive list and does not guarantee coverage. This list includes many commonly prescribed generic and preferred brand drugs but is not an all-inclusive list. Non-preferred brand drugs are not listed. Many of these brand name drugs are covered but will cost you the most. This list represents covered brand products in CAPS, branded generics in upper- and lowercase Italics, and generic products in lowercase italics. At the end of this document is a list of many drugs that are not covered and the preferred brand or generic alternative that is covered in its place.

PLAN MEMBER

Your benefit plan provides you with prescription drug coverage that is administered by CVS Caremark. Ask your doctor to consider prescribing, when medically appropriate, a preferred medicine from this list. Take this list the next time you or a covered family member sees a doctor.

- Your specific prescription benefit plan design may not cover certain medications, products or categories, regardless of their appearance in this document. Medications and products recently approved by the U.S. Food and Drug Administration (FDA) may not be covered immediately upon release to the market.
- Non-formulary products that are not covered under your benefit may offer a medical exception process. Your prescriber should contact CVS Caremark for review.
- You may be responsible for the full cost of medications and products that are removed from coverage.
- For specific information regarding your prescription benefit coverage and cost sharing, or if you have additional questions, please sign in or register on [Caremark.com](https://www.caremark.com) or contact a CVS Caremark Customer Care representative at 1-877-522-TNRX (8679).
- When you fill a 90-day supply of certain medications (anti-hypertensives, depression, asthma/COPD, coronary artery disease, congestive heart failure, osteoporosis, diabetes, statins to treat high cholesterol) through Mail Order or at a participating Retail-90 pharmacy, you will pay less.

HEALTH CARE PROVIDER

Your patient is covered under a prescription benefit plan administered by CVS Caremark. As a way to help manage health care costs, authorize generic substitution whenever possible. If you believe a brand-name product is medically necessary, consider prescribing a brand name on this list.

- The member's prescription benefit plan design may alter coverage of certain products or vary cost sharing amounts based on the condition being treated.
- This drug list represents a summary of prescription coverage. The member's specific prescription benefit plan design may not cover certain products or categories, regardless of their appearance in this document. Products recently approved by the FDA may not be covered immediately upon release to the market.
- The member's prescription benefit plan may have different cost sharing for specific products on the list.
- Unless specifically indicated, drug list products will include all dosage forms.
- Log in to Caremark.com to check coverage and cost sharing information for a specific medicine.

FOR YOUR INFORMATION: New-to-market products and new variations of products already in the marketplace will not be added to the formulary immediately. Each product will be evaluated for clinical appropriateness and cost-effectiveness. Recommended additions to the formulary will be presented to the CVS Caremark National Pharmacy and Therapeutics Committee (or other appropriate reviewing body) for review and approval. Listed products may be available generically in certain strengths or dosage forms. Dosage forms on this list will be consistent with the category and use where listed.

Formulary removals/drugs not included on the preferred options list may be covered by the plan when preferred options are not clinically appropriate. For more information, please sign in or register on [Caremark.com](https://www.caremark.com) and click Plan Summary on the Plan & Benefits menu.

Drug products are identified by unique numerical product identifiers, called National Drug Codes (NDC), which identify the manufacturer, strength, dosage form, formulation and package size.

Some listings do not include certain NDCs as noted above.

An ACCU-CHEK or ONETOUGH blood glucose meter may be provided at no charge by the manufacturer to those individuals currently using a meter other than ACCU-CHEK or ONETOUGH. For more information on how to obtain a blood glucose meter, call: 1-877-418-4746.

BD ULTRAFINE syringes and needles are the only preferred options.

ACCU-CHEK or ONETOUGH brand test strips are the only preferred options.

Generic multivitamins (except Activite, Dexifol, Folvite-D, Genicin Vita-S, HylaVite, Multipro, TronVite, Vitasure) are the only preferred options.

Generic prenatal vitamins are the only preferred options.

QVAR REDHALER and fluticasone HFA are covered for members 6 years of age and under.

Combined ABC Conference Call Notes
Higher Education, Local Education, Local Government and State
March 12, 2024

Communications

• **Materials and Communications Updates**

- **ABC Update Process and Survey:** Last June, we implemented a new ABC email process. Now all ABCs receive an automated email message each Friday, which gives you a direct link to the ABC webpage. On the ABC webpage, you can click the red button at the top of the page, **Weekly ABC Update**, and download the weekly ABC message (it's a Word doc) as well as any PDFs that are applicable to your plan.
 - As a part of our review of this new process and the change in the ABC call schedule, we're going to send out a very brief survey at the end of this month.
 - If you're not receiving the regular automated Friday ABC update email, please send us an email to benefits.info@tn.gov, and we'll make sure you're correctly listed in the ABC directory.

- **Cigna and Covenant Health System in East Tennessee Reach Agreement:** On March 7, the following information was shared in an email to ABCs. You're welcome to share with your impacted members. Benefits Administration also sent an email to enrolled Cigna members for whom we have accurate email addresses.

In October 2023, some Partners for Health members received letters informing them that Covenant Health System and Cigna were in negotiations. **Covenant Health System and Cigna have reached an agreement**, which means the following facilities will remain in the Cigna LocalPlus and Cigna Open Access Plus networks.

- Claiborne Medical Center, Tazewell
- Cumberland Medical Center, Crossville
- Fort Loudon Medical Center, Lenoir City
- Fort Sanders Regional Medical Center, Knoxville
- LeConte Medical Center, Sevierville
- Methodist Medical Center, Oak Ridge
- Morristown-Hamblen Healthcare System, Morristown
- Parkwest Medical Center, Knoxville
- Roane Medical Center, Harriman

Members who received initial letters will receive follow-up letters letting them know that these facilities will remain in network.

Should you have questions, you can call Cigna at 800.997.1617 anytime or visit cigna.com/stateoftn.

Partners for Health posts carrier network announcements online at <https://www.tn.gov/partnersforhealth/health-options/carrier-network/network-updates.html>.

- **Sharecare Member Giveaway Update:** We wanted to give you an update on the recent prize winners for members who were the first to complete the RealAge® test in the Sharecare platform.
 - Out of 250 members receiving wellness program prizes, we have totals for these groups:
 - 160 state and higher education heads of contract/28 spouses
 - 62 local education and local government members
 As a reminder, you can go to the Sharecare splash page, under Engagement Materials here sharecare.com/tnwellness/engagement-materials/ to find the Marketing Playbook for state/higher education or local education/local government. In the marketing playbook, there is a page that lists the remaining 2024 giveaways.
- **Member Materials:** During last month's ABC conference calls, we had a question about where members can find marketing materials they are receiving from our vendors. Here is more information for employees eligible for Emotional Wellbeing Solutions services and members enrolled in medical coverage:
 - **Optum Behavioral Health and Emotional Wellbeing Solutions:** The [Here4TN Toolkit](#) is found on the EWS webpage. Flyers in this toolkit have been updated to reflect the updated EWS program and services, which was formerly called EAP.
 - **Cigna:** There is a webpage found on the Cigna splash page specifically for ABCs which includes the current flyers for Cigna's programs: <https://stateoftn.cigna.com/agency-benefits-coordinators>
 - **BlueCross BlueShield:** Information about member programs and services are found on the BCBST splash page: bcbst.com/members/tn_state/
- **State Offices and BA Service Center Closed Friday, March 29 for Good Friday.**
- **Local Ed/Local Gov: Important Health Savings Account Information:** This information was shared in a recent ABC Friday Update. Local education and local government ABCs should **never** go into the Optum Financial client portal and open health savings accounts for employees. HSAs are legally only available to plan members enrolled in a qualifying high deductible health plan, which is our Local Consumer-driven Health Plan. They are not available to those in our other plans, nor should anyone be enrolled in one if they have a PPO health plan through the State Group Insurance Program. When a plan member enrolls in the Local CDHP, Benefits Administration automatically sends that enrollment over to Optum Financial, who then works to open an HSA for your employee.
- **Webinar has occurred. State: 4Mind4Body Webinar – Overcoming Debt and Achieving Financial Freedom, Wednesday, March 13, starting at 11:30 a.m. CT.**
 - Presented by Optum Health and My Secure Advantage®, join Partners for Health for the Overcoming Debt and Achieving Financial Freedom webinar, Wednesday, March 13, from 11:30 a.m. to 12:30 p.m. CT.

Debt is one of the biggest obstacles keeping people from reaching their financial goals. This event will encourage you to prioritize debt management and provide options for getting started. We'll review specific debt-reduction strategies and how to write and

follow SMART goals. We hope you leave this event motivated and more confident about reducing your debt.

Preregistration is required. Session will be recorded and made available after the session.

- Last month's webinar, **How to Simplify Your Life**, is available on the Partners for Health YouTube page. Click here to watch: <https://youtu.be/vuYZiZ1jUxU>
- **Local Gov: New Agency Announcement.** Jessica Southern, BA's agency outreach director, announced that a new agency, Lincoln County Board of Utility, joined the local government plan.

Presentations

- **Sharecare:** Ginger Maloy, Sharecare's senior account manager, went over coaching and guided programs available to all employees, spouses, adult dependents and retirees who are enrolled in medical insurance with Partners for Health. You can go to the Sharecare splash page for more information: <https://www.sharecare.com/tnwellness/>
- **HIPAA Training:** Chanda Rainey, BA's director of HIPAA compliance, went over required HIPAA training.
 - The 2024 HIPAA annual classes are open. You can take the class now! There is no need to wait for the assigned month. You must complete the training by the last day of your assigned training month. Our training for local government and local education now includes a review of the Memorandum of Understanding. This year, we have registered everyone for the class. You will locate the class in Edison under My Learning. If you were not registered, please sign up for the class using the instructions that follow.
 - The Health Insurance Portability and Accountability Act of 1996, known as HIPAA, is a federal law that protects the privacy and confidentiality of protected health information. Protected health information, known as PHI, is individually identifiable health information held or maintained by Benefits Administration or our business associates who act on our behalf that is transmitted or maintained in any form or medium. As an ABC, you and your agency are our business associates. The law requires all covered entities and business associates to be trained in HIPAA policies and procedures. All ABCs, backup ABCs and directors with access to Edison must complete the annual training. The HIPAA training exemplifies Benefits Administration's commitment to educating and promoting a culture that encourages ethical conduct and compliance with state and federal laws.
 - Our training is online in Edison. Each agency is assigned a month to have training completed. You can take the training now without worrying about the completion date.
 - ABCs, backups and directors must complete the annual HIPAA training every calendar year. You must complete the training by the last day of your assigned month. Failure to comply with mandatory training requirements may suspend insurance benefits access.

Training requirements will not be waived unless the BA HIPAA compliance officer approves.

Local government and local education will take **LG_LE_HIPAA_2024**

State and higher education will take **State_HE_HIPAA_2024**

- Here is the navigation after you log in to Edison at www.edison.tn.gov:
NAV BAR >Navigator > ELM > Learning Home > Search for Learning type HIPAA > Annual HIPAA Training (HIPAA 2000) > LG_LE HIPAA_2024 or State_HE_HIPAA_2024.
- **Training completion schedule:**
 - Local education – April 30
 - Higher education – May 31
 - Local government – June 30
 - State – June 30

Operations

- **ABC Resources:** Rachel Craft, BA's education and outreach specialist, shared the following resources for ABCs.
 - Education and Outreach and ABC Resources
 - Thank you to Focus Group participants!
 - The ABC webpage and trainings listed
 - 2024 ABC Guide
 - 2024 Summer Training – videos from last year on YouTube
 - New Look to ELM and how to find training
 - 2024 ABC Training is ready for new ABCs and can be taken to refresh for anyone!
 - How to find the 2024 Benefits Orientation
 - Edison How-To Series & YouTube
- **Higher Ed, Local Ed, Local Gov: Upcoming ABC Webinars:** Tameka Allen, BA's program director over the active service center, and Paula Vetter, BA Insurance Benefits Manager, shared information about upcoming webinars for ABCs.
 - The active service center training team will be offering two refresher webinars next month.
 - On April 22 and 23, we'll host a refresher training on eHire forms and eBenefit forms. This training will review how to create forms but most importantly how to respond to eHire forms that are routing to you as the terminating agency.
 - We listened and heard you in our most recent focus group meeting. Our team will also offer a termination refresher on April 29 and 30 at the times shown on the screen. The times are Central time.
 - **eHire/eBenefit Refresher Training**
 - April 22 – 9 to 11 a.m. CT
 - April 23 – 1 to 3 p.m. CT
 - **Termination Refresher Training**
 - April 29 – 9 to 11 a.m. CT
 - April 30 – 1 to 3 p.m. CT

- **Here is the Formstack registration link:**
https://stateoftennessee.formstack.com/forms/eform_and_termination_training
 - **State: Clarification about Benefit SQE eForm:** State employees should not be using the new Benefit SQE eform as it is not working correctly. BA is working on hiding the link for state employees.
-

HIGHER EDUCATION QUESTIONS

Higher Ed: For the weight management (program), can a counselor/representative facilitate a group informational either live or via Zoom? Right after COVID, our department had an EAP person come in and talk about what is available. Is there something similar from Sharecare?

- **Answer:** Yes, Sharecare does have a catalog of webinars we can offer. We can follow-up with you.

Higher Ed: Are new employees set up in Edison required to take HIPAA training at onset?

- **Answer:** New ABCs have 30 days to take the training. If ABCs started in January and they took it within 30 days of their hire date, they wouldn't need to take it again. You only need to take it one time per calendar year.

Higher Ed: The training for scheduling reports and where to find those previously scheduled, are they no longer running?

- **Answer:** We'll have a trainer reach out to you.

Higher Ed: Once the new Edison came about, your already scheduled premiums due report is no longer running because I didn't get mine either. Did all that get wiped out?

- **Answer:** Is this the one emailed to you once a month?
- **Follow up:** Yes.
- **Answer:** Those reports did run, so let me find out why you didn't get it. Someone will get back to you.
- **Here is the report navigation:** Click on the tile that looks like a waffle under the navigation bar. Look in the Other Applications section. Click on Report Manager. On the left-hand side of the screen, click on the plus sign beside the folder called General. In the drop down list, You will see your report listed as: TN PREM DUE/COLLECT APP DEDUCT - 2023-03-06 (whichever date the report ran will display here) . Click on the report. Then click on the middle link in the list of reports that ends with .PDF to retrieve your report. Your report will open in a new window.

Higher Ed: I am confused why coverage level Family to EE + Spouse did not drop in the month it was to drop?

- **Answer:** We believe you have submitted a Zendesk ticket about this, and we'll make sure the billing team responds to you.

Higher Ed: Does the state offer discounted childcare benefits? I don't know if that's on PerkSpot or anything?

- **Answer:** No, we don't offer childcare assistance or discounts, but higher education and state employees can enroll in the dependent care FSA during the Annual Enrollment period each fall (or during the plan year if they have a qualifying life event, like a new baby). This will allow them to contribute up to \$2,500/\$5,000 into a DC-FSA to pay for childcare. Optum Here4TN may be able to assist in finding resources in the employee's area. The resources are not necessarily discounted, but Here4TN may be able to find something.

Higher Ed: When can we expect the employee's statement to populate employee elections information? This is when we review the statement when new employees make their elections.

- **Answer:** We're aware of this, and it is a production issue Edison is working on. For now, ABCs can run a query to view the employee's elections from ESS:
TN_BA133_AUD_ESS_AFTER_OCT_20. Or you can use the query
TN_BA376_NEW_HIRE_ELECTIONS if you plan to review more than one employee at a time.
-

LOCAL EDUCATION QUESTIONS

Local Education: Is there a cost to participate in the Sharecare program?

- **Answer:** There is no cost to participate with Sharecare.

Local Education: How can we tell if we have already taken the 2024 HIPAA training?

- **Answer:** It will be listed under MyLearning, and it will show completed for 2024.

Local Education: Has the new ABC training been updated to include the Edison updates?

- **Answer:** The ABC training doesn't have the new Edison screenshots, but we are always updating materials. We are currently updating the Edison how to videos.

Local Education: I have another job and will be leaving my position as ABC on March 29. They should have my replacement by the end of this week. I will let them know about all the training. What else do I need to do for them before I leave?

- **Answer:** Before you leave, the most important thing is sending in the ABC Edison Benefits User Security Authorization Form to get the new ABC registered. Let the new ABC know so we can start their training and get them registered for all the ABC access. We'll have a trainer reach out to you for a smooth transition.
-

LOCAL GOVERNMENT QUESTIONS

Local Government: Does BA also automatically remove employees in Optum once the employee has been terminated and Local CDHP coverage has ended?

- **Answer:** Once an employee termination or enrollment termination comes over in a file, we do terminate that from the CDHP plan as well. It doesn't necessarily mean the employee has closed the health savings account associated with the CDHP as that is the responsibility of the employee. It's not the responsibility of the state of Tennessee plan.

Local Government: If someone is retiring on 4/30, should their term date be 3/31 in Edison?

- **Answer:** If the active coverage will end 4/30/2024, then yes, you will use an effective term date in Edison of 3/31/2024.

Local Government: What is the form to remove an employee as an ABC?

- **Answer:** You'll use the Edison Benefits User Security Authorization Form: https://www.tn.gov/content/dam/tn/finance/fa-benefits/documents/abc_edison_user_form_he_le_lg.pdf

Local Government: Is there an additional cost after a certain time with the Sharecare plan? I was signing up and noticed it indicated free for the first weeks. I think it was the eat right plan.

- **Answer:** There is no cost for Sharecare for members enrolled in the health plan.

Local Government: I have several employees who have left and are terminated in Edison but are still in Optum. Is that because there is a balance in the account? **Similar question:** I have the same follow up question about Optum. We still see termed employees in Optum and are not sure if we're supposed to change their status manually or leave it alone as it might close their account and affect them accessing leftover funds.

- **Answer:** Status of enrollment will not impact a member's access to funds. If an account still shows in Edison, it is because an account is still open. There shouldn't be any edits to status that are done in Edison. Only the account holder can close the health savings account.

Local Government: I know it is early, but do we know anything about 2025 premium estimates for budgeting purposes?

- **Answer:** We don't know anything yet, but as soon as we do, we will let you know.

Local Government: Where can I go and find discounts to gym memberships for our staff?

- **Answer:** If they're enrolled in health coverage, there are discounts with BlueCross BlueShield and Cigna for gym programs, and members can go to their splash pages to find information. We also have information posted on the Partners for Health website here: <https://www.tn.gov/content/tn/partnersforhealth/other-benefits/wellness-program/fitness-center-discount-program.html>

STATE QUESTIONS

State: When the special qualifying event form is working, employees can fill it out and it automatically sends to you (BA)?

- **Answer:** When we get it working correctly, yes, employees will be able to complete the special qualifying event form themselves and send it directly to us.
- **Follow-up question:** How will the ABC fill out their portion?
- **Answer:** Since this is an SQE form, there isn't an ABC portion to fill out. We'll let you know on the back end. State employees can't submit an enrollment application without an ABC.

Cigna and Covenant Health System in East Tennessee Reach Agreement

On March 7, the following information was shared in an email sent to ABCs. You're welcome to share with your impacted members. Benefits Administration will also send an email to enrolled members for whom we have accurate email addresses.

In October 2023, some Partners for Health members received letters informing them that Covenant Health System and Cigna were in negotiations. **Covenant Health System and Cigna**

have reached an agreement, which means the following facilities will remain in the Cigna LocalPlus and Cigna Open Access Plus networks.

- Claiborne Medical Center, Tazewell
- Cumberland Medical Center, Crossville
- Fort Loudon Medical Center, Lenoir City
- Fort Sanders Regional Medical Center, Knoxville
- LeConte Medical Center, Sevierville
- Methodist Medical Center, Oak Ridge
- Morristown-Hamblen Healthcare System, Morristown
- Parkwest Medical Center, Knoxville
- Roane Medical Center, Harriman

Members who received initial letters will receive follow-up letters letting them know that these facilities will remain in network.

Should you have questions, you can call Cigna at 800.997.1617 anytime or visit cigna.com/stateoftn.

Partners for Health posts carrier network announcements online at <https://www.tn.gov/partnersforhealth/health-options/carrier-network/network-updates.html>.

Service Center Metrics

The service center metrics and customer service rating for February 2024 are below:

- Tickets via Email: 1,103
- Tickets via Self-Service: 2,772
- Tickets via Phone: 4,232
- Tickets via Chat: 211

Important Health Savings Account Information

Local education ABCs should **never** go into the Optum Financial client portal and open health savings accounts for employees. HSAs are legally only available to plan members enrolled in a qualifying high deductible health plan, which is our Local Consumer-driven Health Plan. They are not available to those in our other plans, nor should anyone be enrolled in one if they have a PPO health plan through the State Group Insurance Program. When a plan member enrolls in the Local CDHP, Benefits Administration automatically sends that enrollment over to Optum Financial, who then works to open an HSA for your employee.

New Edison Home Page

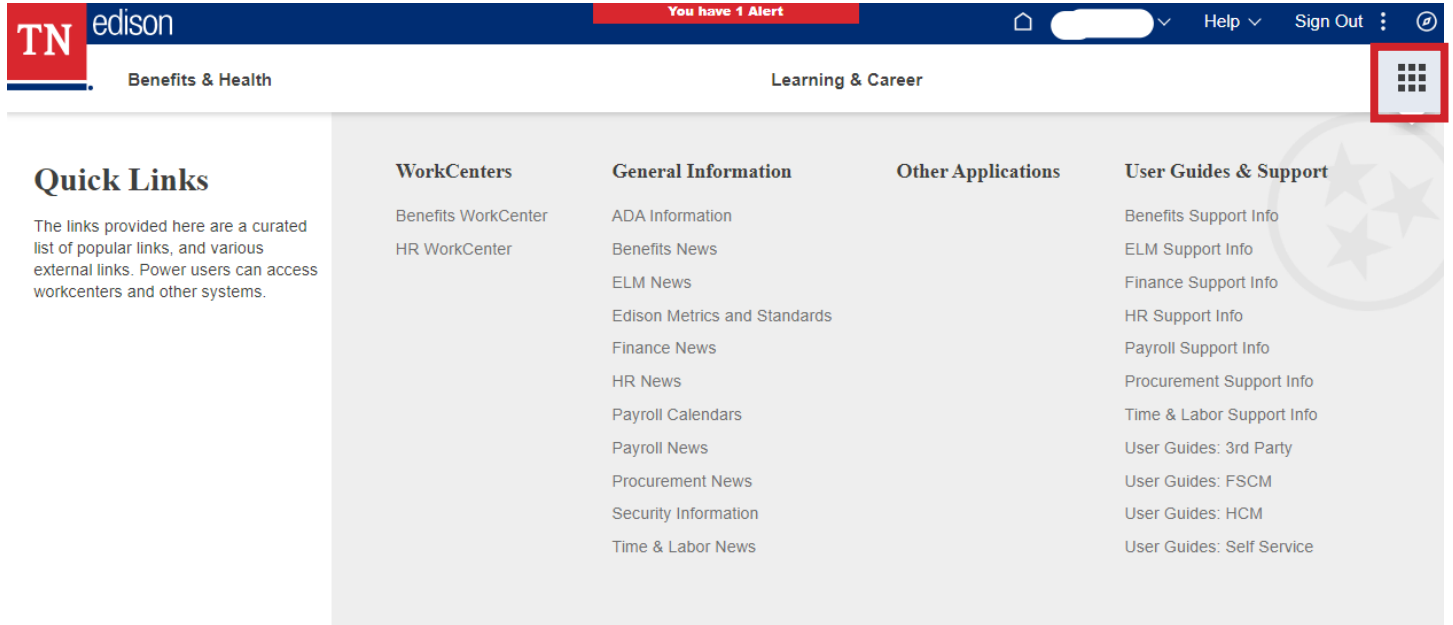

This is the new Edison Home Page. There are many new features and options on the page. These new features include, **TN Logo**, **Alerts Banner**, **Help** section, new **Sign Out** option, an updated **menu**, **Quick Links** and **Global Worklist** section.

The screenshot shows the Edison Home Page interface. At the top left is the **TN edison** logo (1). A red banner in the top right says **You have 1 Alert** (2). To the right of the banner are **Help** (3) and **Sign Out** (4) links. Below the banner is a navigation menu with **Benefits & Health** (5) and **Learning & Career** (6) options, and a grid icon (6). The main content area features a large banner for **New Edison Features and Changes** with a **READ MORE** button. To the right is a **Global Worklist** section (7) with filters for **HR 1**, **Learning 0**, and **Finance 0**. Below the filters, it shows **HR Items** with one item: **TN NP New Hire - NPHIRE**. At the bottom of the worklist are **UPDATE** and **Last Updated: Now** buttons. Below the main banner are two cards: **Benefits & Health** and **Learning & Career**.

1. **TN Icon:** Click to return to the Home page. Same functionality as the existing Home Icon.
2. **Alerts Banner:** Click to see Edison Notifications.
3. **Help:** Click to view Edison Help Desk cases you have submitted or log a new Edison Help Desk case.
4. **Sign Out:** Click to log out of Edison.
5. **Menu:** Click to view individual panels with common links related to Benefits & Health, Learning & Career.
6. **Quick Links:** Click to view frequently used navigations within Edison such as WorkCenters, Module Specific Support Info, and Edison Security Forms.
7. **Global Worklist:** Collection of any transactions that require attention/approval.

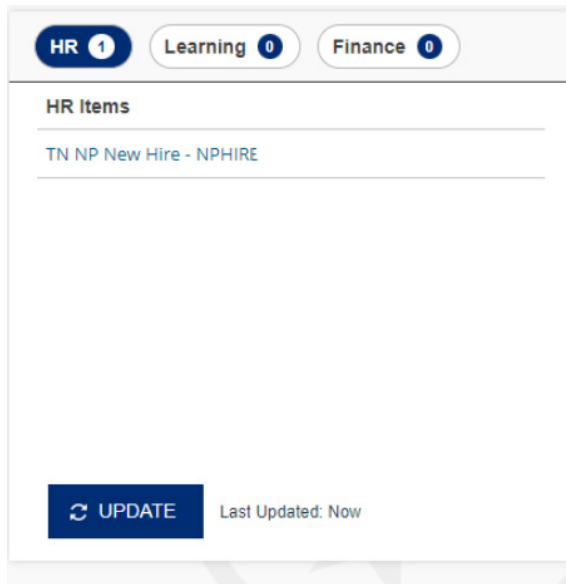

Quick Links

This is the new Edison Quick Links section. This section contains commonly used links in Edison such as Support info for various Edison Modules (i.e. Benefits Support Info and ELM Support Info). There are WorkCenters that will appear as users have access to them. The more your access allows in Edison, the more you will see.

Alerts Banner

The **Alerts Banner** will display important notifications from outages to process completion statuses.

Global Worklist

All your worklist items display centrally in the new **Global Worklist**. This includes various Worklist items from HR, Learning, and/or others depending on your level of access within Edison.

User Profile Page

This is the new **Edison Personal Information Page**. You can get to this page by simply clicking your name located in the header at the top of the page.

The screenshot shows the Edison User Profile Page. The top navigation bar includes the Edison logo, a 'You have 1 Alert' notification, and links for Home, Help, and Sign Out. Below the navigation bar are tabs for 'Benefits & Health' and 'Learning & Career'. The main content area is divided into several sections:

- Name & Job Details:** Includes fields for Job Title (Insurance Participant), Employee ID, Manager, Location (Davidson County), Business Unit, and Department.
- Phone:** Includes a field for Home Phone with an edit icon.
- Email:** Includes fields for Business Email and Primary Email, both with edit icons.
- Addresses:** Includes a field for Home Address with an edit icon.
- Emergency Contacts:** Includes a field for Emergency Contacts with an edit icon.
- Forgot Password Email:** Includes a field for Forgot Password Email (No data available) with an edit icon.
- Sensitive Information:** Includes fields for Original Start Date, Marital Status, Birth Date, Veteran Status (Not indicated), Gender, Citizenship (Not indicated), Ethnic Group (Not indicated), and Disability Information (Not indicated).

On the right side, there is a 'Profile' sidebar with links for My Preferences, My System Profile, Change My Password, and Change Forgot Password Email.

Information you can update:

Primary Email, Home Email, Work Email, Business Email, Forgot Password Email

Business Phone, Mobile Phone

You must check this box in order to submit your final enrollment, even if you are not enrolling in an FSA. If you agree to the acknowledgement and are not enrolling in an FSA, it will not cause an error and nothing further needs to be done. Agreeing to the acknowledgement does not automatically enroll you in the plan.

Consent to payroll deductions

For unsubstantiated expenses made by FSA and Limited purpose FSA (L-FSA) debit card users

FSA and L-FSA debit card holders must provide proof that expenses paid for with the debit card are covered expenses permitted by the FSA program. This is called “substantiation.” The State’s authorized contractor may send requests for substantiation to plan members.

If substantiation is not provided, FSA and L-FSA debit card holders must consent to payroll deductions from their wages to repay those expenses. Anyone who refuses to consent to these terms will not be allowed to enroll in the FSA or L-FSA.

DC-FSA Enrollees’ Consent to reduction of dependent care flexible spending (DC-FSA) contributions if Plan is found to be non-compliant with federal law.

Federal law requires the State to conduct annual tests of the flexible benefit plans. The tests are to ensure that the plan treats everyone fairly and does not discriminate in favor of highly compensated employees. The State’s contracted claims administrator (Optum) will test the DC-FSA plan in 2024. If the plan does not satisfy federal discrimination requirements, federal law may require the plan to reduce the contribution amount of highly compensated employees for the remainder of the plan year.

If I enroll in an FSA or L-FSA, I hereby agree that the State may deduct from my pay the amount of any expenses that remain unsubstantiated thirty (30) days after the plan runout period to the extent permitted by and in accordance with applicable law. This authorization of payroll deduction is a condition to participate in an FSA or L-FSA. The State will provide notice of anticipated payroll deductions fourteen (14) days before the date of payment of your wages as required by TCA § 50-2-110.

If I enroll in the DC-FSA, and I am a highly compensated employee, and the Plan is found to discriminate against non-highly compensated employees, I understand that my contributions may be reduced to comply with federal law.

I Agree

By clicking this box, I consent to the terms and conditions of this agreement: Consent to Payroll Deductions for Unsubstantiated Expenses Made by FSA and L-FSA Debit Card Users and Consent to reduce DC-FSA contributions if needed to comply with federal law.

Important Information for Members Enrolled in The Tennessee Plan

The Tennessee Plan is a supplemental medical insurance program designed to cover certain expenses not fully paid by Medicare Part A and B coverage. It was recently brought to our attention that when a member of The Tennessee Plan visits a provider, they may be told that their UMR plan is their primary plan, not Medicare. If a member contacts you to report this occurring, please direct the member to call UMR at 1.888.477.9307, M–F, 7 a.m. – 4:30 p.m. CT, to talk to a dedicated customer service representative. UMR is emailing The Tennessee Plan members for whom they have email addresses, and mailing letters to all members to inform them of this issue. We have also posted this information on our Partners for Health website.

Service Center Metrics

The service center metrics and customer service rating for January 2024 are below:

Notice about Class Action Claim Offers

One of our member agencies recently shared a letter they received from a private company offering to help them file claims in class action lawsuits against insurance companies. Benefits Administration is reminding Partners for Health member agencies that they are not authorized to participate in class actions or to assign any claims to a third party to represent the State Group Insurance Program in any capacity or to recover damages in connection with claims paid through the Plan. As a state-sponsored plan governed by state contracts, all legal actions must be handled or approved by the Tennessee Attorney General's Office and cannot be contracted out to any other entity.

Partners for Health Email

Last Friday, an email was sent about vaccinations through our service provider MailChimp to all current enrolled health plan members. Unfortunately, this email triggered an automatic unsubscribe from Partners for Health emails for a large number of members. We're still working with our service provider to determine exactly why this occurred. Unfortunately, the automatic message members received caused many to question its validity, and some to question if they have benefits.

Please assure members that they still have their health plan benefits. While we did relay to members who submitted Zendesk tickets to click the "Subscribe" button to resubscribe back into our emails, we may have to reach back out to ABCs and to members in the future about additional action we need them to take as we get further information from MailChimp.

We apologize for any confusion this may have caused you and these members.

Sharecare Wellness Program Materials/RealAge Test Flyer

As part of the new Sharecare wellness program, members are prompted to take their RealAge Test. We've had some questions from members who have completed the RealAge Test, so we've posted a flyer with today's update that walks through how to verify completion. Members can take the RealAge Test as many times as they would like throughout the program.

As mentioned during the January ABC conference calls, there are digital materials you can share with your members. There is a section for state and higher education and a section for local education and local government. You can find these materials here:

<https://www.sharecare.com/tnwellness/engagement-materials/>. Sharecare representatives will again join us during the February and March ABC conference calls to go over this program and answer your questions.

Special Qualifying Event eForm

We reported during the summer ABC training that a new special qualifying event eForm was in the works. We're pleased to officially announce the much-anticipated go-live of the SQE eForm. Corrections and Clarification Form Change

We have updated our Corrections and Clarification Form. We've added options for employees terminated in error, to correct the hire/termination date and for employees who are terminated prior to the coverage start date. The form can only be used for the options listed on the form; any other corrections could require other documentation.

We have also added a new method to submit the form. If you do not need to keep a copy of the form or prefer a fully digital option, we have added the Corrections and Clarification Form as an option in Zendesk. Go to Zendesk, select 'Submit a request' then from the drop down select

'Corrections and Clarification' and input the employee's information and the requested correction. No documents are required to be uploaded using this option. This means you do not need to complete both the digital form and the Zendesk form.

There is still a standard digital form available for download at <https://www.tn.gov/partnersforhealth.html>. Select the 'Agency Benefits Coordinators' drop down, 'Forms' and then 'Corrections and Clarification Form'. This form can be downloaded and edited. You can then send this document in to the service center to make the requested update if you do not want to use the digital option in Zendesk.

We will also talk about this change during the February ABC conference calls.

Important Information about HIPAA Training

This year, we've automated the enrollment for HIPAA training. You may have received an email from Edison about the class. **The 2024 HIPAA training schedule will start in April.** You can complete the training now if you would like; however, you don't have to as it will not be due until mid-summer. We'll announce when the training should be completed in upcoming weekly ABC emails and conference calls. Thank you for your dedication to keeping our members' protected health information secure.

HARNESS THE EXCITEMENT OF A FRESH START BY REVISITING YOUR WELLNESS GOALS AND SETTING YOURSELF UP FOR SUCCESS

1. DEFINE YOUR "WHY"

Identifying your "why" is the cornerstone of any successful wellness journey. Maybe you want to improve your overall health, boost your self-confidence, set a positive example for your family, or simply feel more energetic and vibrant every day. Your "why" will be your guiding light, reminding you of the purpose behind your actions. When you know why you're working towards a goal, it becomes easier to push through obstacles and stay motivated.

2. SET SMART GOALS

Embarking on a new fitness and wellness journey can be intimidating if your goals are vague or overambitious. To set yourself up for success, make sure they're SMART: specific, measurable, achievable, relevant, and time-bound. For example, instead of having a goal to "get fit," set a specific goal to "run a 5k in under 45 minutes in three months." From there, you can break down your goal into small, attainable steps. Reward yourself when you hit certain milestones to help you stay motivated.

3. CREATE SUPPORTIVE HABITS

Achieving your fitness and wellness ambitions goes beyond setting SMART goals—it involves building supportive habits, too. Start with small, consistent changes, like hitting the gym twice a week. As you become comfortable with your new routine, you can gradually increase your frequency. Remember that building habits takes time, and it's okay to have setbacks.

4. EMBRACE THE JOURNEY

Your fitness journey is a story in the making. It's filled with ups, downs, plateaus, and achievements. Embrace every part of it because that's what makes it yours. Learn from the challenges and celebrate every step forward, whether it's lifting a heavier weight or running an extra mile. If you need a break or a change in your routine, that's part of your progress. After a long work day, you may opt for an on-demand restorative yoga class at home. On a Saturday morning, you may feel more energized and hit the gym for a group cardio class.

THIS IS YOUR TIME

January is your time to refocus your energy on health and fitness—kick off the new year with a rejuvenated wellness routine. Join at blue365deals.com/fyw

Always talk with your doctor before starting an exercise program.
