Total Annual Effective Cost	\$133,106.00	\$22.18/sf

- **Source of Funding:** Plant (Non-Auxiliary) (A)

- **FRF Rate:** \$18.00 (for reference)

Comment: In 2010, an RFP was issued to locate space for a satellite campus for UT Martin in the Jackson, TN area. This space was selected and built to suit for the University. The University continues to offer classes and programs at this location and proposes to extend the lease for five years with waiver of advertisement. There will be no increase in the lease rate and either party will have the right to terminate for convenience with 120 days-notice. The lease is special and unique due to the requirements of the program, the location of the space, and the build out of the space.

Previous Action: 01/24/2011 Approved lease agreement

Minutes: 06/20/2016 Approved a lease amendment with waiver of advertisement.

Minutes: 06/20/2016 ESC Comptroller Wilson asked if this would complete the Tennessee Tower, and Ted Hayden responded that he believed it would. Subcommittee approved a project, budget, scope, funding and sources of funding and to utilize the Value Added Resellers Contract to perform the work.

STATE BUILDING COMMISSION

Minutes of Executive Subcommittee Meeting

- 1) Approved the Minutes of the Executive Subcommittee meeting held on June 9, 2016.

Designer Selections

The following designer selections represent projects approved by the State Building Commission and recommended by the State Procurement Agencies. Secretary Hargett stated that, while they used the normal criteria in determining final selections including maintaining the geographical balance, current work capacity, and quality and quantity of workload over past several years, it was still primarily a process driven by the individual agencies.
