
Law, Public Safety, Corrections, & Security Standards

The Background:

Rules, Regulations, and Minimum Standards of the State Board of Education 0520-01-03-.05(1) calls for the State Board of Education to adopt curriculum standards for each subject area, grades K-12. The approved standards are to be the basis for planning instructional programs in each local school system.

The Department of Education's Division of Career and Technical Education (CTE) is submitting revisions for the Law, Public Safety, Corrections & Security career cluster. These new standards reflect higher expectations for students, as aligned to the Common Core State Standards for English Language Arts & Literacy in Technical Subjects, as well as reflect changes in the industry leading to new and evolving jobs in Tennessee.
