Ladies and Gentlemen:

I would like to present the 2013 Law Enforcement Officers Killed or Assaulted (LEOKA) Report. This is the annual report published by the TBI presenting information on reported incidents of assaults or deaths of law enforcement officers in the line of duty that occurred in Tennessee. The information contained in the report is based on crime statistics information submitted by law enforcement agencies in Tennessee to TBI's Tennessee Incident Based Reporting System (TIBRS) program. TIBRS is the state version of the FBI's National Incident Based Reporting System (NIBRS) program. The information collected by TBI conforms to the national standard as presented in the FBI's annual LEOKA report. Please see www.tncrimeonline.com for additional information.

I am very proud of the efforts of all participating law enforcement agencies in the state to provide the data necessary to produce this report. Our combined efforts have resulted in a successful program and this annual report providing information on incidents involving assaults and deaths of our law enforcement officials.

Sincerely,

Mark Gwyn
Director

Introduction

The current report presents analyses of incidents in which Law Enforcement Officers were killed or assaulted in the line of duty in 2013. The information is collected through the Tennessee Incident Based Reporting System (TIBRS). Incident based reporting views a crime and all of its components as an "incident". In order to obtain important information, facts recorded and preserved about the incident are organized into specific categories or segments. The vehicle used for recording these facts is a "data element". Data elements provide information about crime and its involvement with victims, offenders, property, arrestees, etc.

Offenses included for analyses:

Murder and Nonnegligent Manslaughter – The willful (nonnegligent) killing of one human being by another.

Aggravated Assault – An unlawful attack by one person upon another wherein the offender uses a weapon or displays it in a threatening manner, or the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Simple Assault – An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Intimidation – To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Stalking – To intentionally and repeatedly follow or harass another person in such a manner as would cause that person to be in reasonable fear of being assaulted, suffering bodily injury or death.

In 2013, a total of 232 agencies reported Law Enforcement Officers Killed or Assaulted (LEOKA).
