The year 2020 may very well go down as one of the most challenging years in history. We have dealt with COVID-19, learned to live in the “new normal” with masks and hand sanitizers, as well as mastering the art of social distancing. Mother Nature has created 29 tropical and subtropical cyclones, 28 named storms, 12 hurricanes, and 5 major hurricanes.

We have also seen the Western states ravaged by wildfires. We were even introduced to murder hornets. Really!? Some days it seems as if happiness has just disappeared. It would be easy to just give in to the chaos. But we aren't built that way! We don't look for storm clouds, we look for the rays of sunshine. We draw strength from our co-workers and the agencies we serve, from our friends, relatives, and even total strangers who give us a smile for no reason. (If you're not sure if someone is smiling behind a mask, all you have to do is look at their eyes. You can tell.) The feeling you get when doing a good deed for others, being thankful for food on the table, and the feeling you get knowing you are appreciated for simply doing your job. In these times, we still have things to be thankful for, even if sometimes it's just the little things.

*Happy Thanksgiving from Pam, Dale,
and all of us in the TIBRS/N-Dex Unit!*

USE CRIMEINSIGHT!!!

We have had several questions over the past six months regarding the impact of the COVID-19 pandemic on crime in our state. It is definitely having an impact! Several crimes are down, but incidents involving violent crimes with a weapon type of firearm are up considerably. We are always happy to answer your questions, but remember, you have the capability to generate these and many other reports yourself. And you can do that any time you want! Having trouble getting started? Send an email to Dale.King@tn.gov and he will assign someone to contact you and assist you in setting up reports in CrimeInsight! Don't delay, do it today!
