TBI Sharepoint– Crime on Campus

It is time once again for the annual publication of the Crime on Campus Report. The 2017 Crime on Campus Report will be posted on the TBI Sharepoint site one week prior the public release of the report. Tentative posting and release dates are on page 2 of this newsletter. An email will be sent to the TIBRS Listserv when the reports are available on the Sharepoint site. You will need to use the same login credentials you use to access your data in CrimeInsight. If you have any questions regarding your CrimeInsight account please contact Steven Jancarek . Contact information is on page 6 of this newsletter.

Crime in Tennessee Submission Deadline

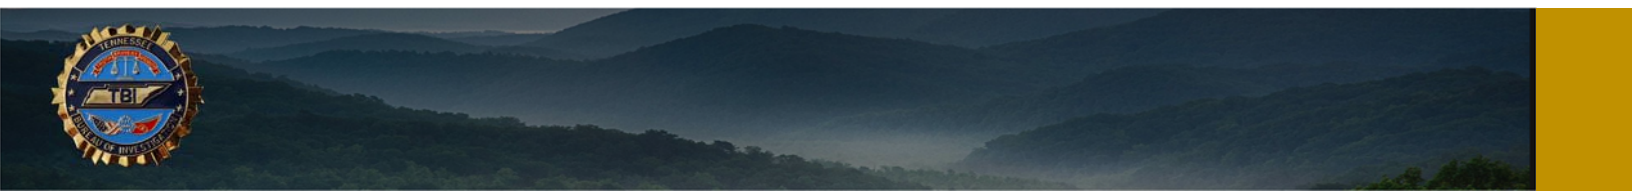

It’s imperative for your agency to meet the deadline for all data submissions. Any data files—incidents that occurred in 2017, received after **March 12, 2017** will not be included in the 2017 Crime in Tennessee Report. If you are unsure about your data submissions, please download your agency’s report from the TIBRS Reporting Site in CrimeInsight and review for accuracy. Any issues that are identified by TBI in the annual review that are not corrected by March 12, may result in your agency’s page being footnoted in the Crime in Tennessee Report. The finalized report will be posted on Sharepoint one week prior to when the report is released to the general public.

TIBRS Training Tip of the Month

We've recently had questions about charges as they relate to TIBRS reporting. The TCA charge is often different from the comparable TIBRS offense. We do not want you to change what someone is charged with to appease the TIBRS definition. TCA is for charging and TIBRS is for reporting.

THE BOTTOM LINE?

TIBRS data is used for statistical analysis and as an investigative resource for law enforcement.

It will not affect what an offender is charged with for prosecution/disposition purposes.

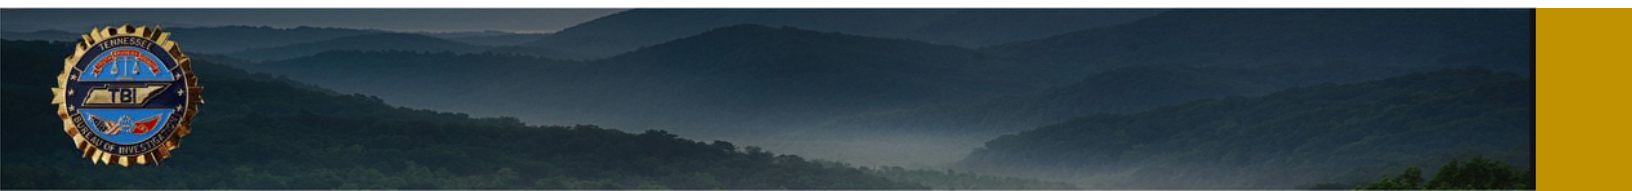

TIBRS merely allows our state to report in a manner that is consistent with all other participating NIBRS states.

Happy Saint Patrick's Day!

Your TIBRS Trainers want to say thank you for all your hard work! So far there has been a good turn-out for classes this year. Thank you for being proactive and getting your TIBRS Certification done early this year! If you haven't signed up for class and would like to, please contact Zack Frisbee (e-mail is preferred). Be sure to include your full name, the date of the class that you want to attend (along with the location), and your agency's ORI number. If you are not sure what class you need to take to meet your TIBRS Certification, here are your options:

- If you are a New RAC/AltRAC, you will need to come to **Introduction to Data Collection** as well as **TnCOP Software** (if your agency uses TnCOP) or **TIBRS Review** (if your agency doesn't use TnCOP). We would also like to strongly advise you to come to **RAC Orientation**. This class will help you understand your duties as the New RAC/AltRAC for your agency.
- If you are a RAC/AltRAC who is looking to receive recertification for **TIBRS**, you will need to come to a TIBRS Review course or the **TIBRS Conference** (which will be held in September at Pigeon Forge).

- TIBRS Overview & Report Writing classes do not count toward initial or recertification training requirements for Reporting Agency Coordinators (RACs) or Alternate RACs.
- CrimeInsight classes do not count toward initial or recertification training requirements for Reporting Agency Coordinators (RACs) or Alternate RACs. However, due to the many advantages of using CrimeInsight, we highly recommend that RACs and Alt. RACs attend the classes if at all possible.
- Due to limited seating, TnCOP Software classes are for new users only.

We look forward to seeing you in class!
