MEMORANDUM

TO: Whom it May Concern

FROM: Justin Underwood

DATE: July 3, 2019

SUBJECT: TNTRIPS Enhancement 3.17

New enhancements will be deployed in TNTRIPS on 07/5/2019. This deployment will have several changes that could affect the information you are required to provide during the permit application process. Listed below are the enhancements:

- **Mobile Home height changes.**

Current rule: Mobile home Single Trip Permit cannot exceed 15'6" in height.
New rule: Mobile home Single Trip Permit maximum height 16'0"

- **Mobile Home Escort requirement Change.**

Mobile Homes not exceeding 14' wide require only one 1 escort in front on two lane or in rear on interstate, divided highway and four lane.

- **Annual Mobile Home Permit Change.**

Current rule: Mobile Home Annual Permit length 120'
New rule: Mobile Home Annual Permit length 90'

- **Route Survey Requirement Height Change.**

Current: Route survey is required when a load exceeds 15'1"
New rule: Route Survey document is required when the height is > 15'6" or width > 16'.

Thank you.
