RE: October 6, 2023 Bid Letting

To Whom it may concern:

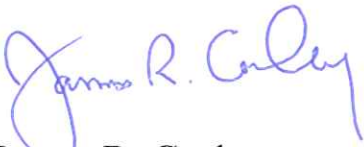

MarCor Construction, Inc. is submitting bids on multiple contracts (5).

CNX 335, CNX 336, CNX 352, CNX 359 & CNX 360

If low bidder on all five (5) projects, MarCor can only complete Four (4) of the projects, prior to allotted completion date.

Based on our location, duration of projects and scheduling purposes. MarCor would prefer to complete contracts CNX 335, 336, 352 & 360. We understand that TDOT will determine the outcome of which four would be let. MarCor has considered the total amount of days to complete as many projects of the five as possible. A different combination of the four awarded projects, could result in not meeting completion date.

Sincerely,

James R. Corley  
Vice President
