**Work Zone Safety and Mobility Manual (May 2, 2019)**

The Work Zone Safety and Mobility Manual (February 2017 edition) was updated May 2, 2019.

Updates included:

- Combined the old Form A and Form B into a single Significance Determination Form.
- Updated the old Form C and renamed as TMP Cover Page.
- Updated manual text to explain the new forms and provide more clarity on completing TMPs.
- Add requirement that State Work Zone Engineer and State Traffic Engineer sign all significant TMPs.
- Updated definitions to provide more clarity.
- Added Design Directives as Appendix C.
- Added language to require the District Construction Engineer to ensure that the TMP is updated and reapproved if the TTC plan is altered.
- TMP template was removed from the manual and added to the webpage as a resource.

The Work Zone Safety and Mobility Manual can be found on TDOT's website:
