

# TennCare Individual Provider Roadmap

## TennCare Registration Request

1

Providers wishing to register with TennCare must complete the **TennCare Registration Request**.

**START**

### Application in progress

If you do not receive communication from TennCare within 10 business days, please contact [provider.registration@tn.gov](mailto:provider.registration@tn.gov).

2

### Visit CAQH

Complete a **CAQH Application**. Individual provider data is received from CAQH. Providers must grant **Global Authorization** or authorize **TennCare** access to their data.

3

### Receive Medicaid ID

Once the provider is approved you will receive a welcome letter via email with your Medicaid ID.

4

### Contract with MCC

I am registered with TennCare, now what?

Using the links below, contact one or more of the MCCs for information on how to become a contracted provider.
