# Monitoring Guide 2019

## I. Introduction

Monitoring and technical assistance are integral parts of the Tennessee Department of Labor and Workforce Development's (TDLWD) oversight responsibilities, as required by law. Monitoring is an essential part of program and financial management to ensure compliance with applicable laws, regulations, integrated workforce plans, provider agreements, policies, and procedures. Monitoring identifies areas of strength and weakness in operations with the intent of developing program performance. Technical assistance improves program operation and management capabilities.

TDLWD's approach to program and fiscal monitoring of each Local Workforce Development Area (LWDA) uses a combination of on-site monitoring and desktop monitoring, as prescribed in Workforce Innovation and Opportunity Act (WIOA) Section 183. Special on-site reviews may be conducted to investigate allegations of mismanagement or to clarify questionable findings during monitoring. Special reviews may or may not result in corrective action.

The State must conduct an annual on-site monitoring review of each LWDA's fiscal compliance with 2 CFR 200, as required by WIOA Section 184(a)(4). Specific information will be requested from the local area which will be reviewed virtually prior to the on-site review. The TDLWD has established a more strategic method for programmatic and performance monitoring — through the implementation of a Virtual Case Management System (Jobs4TN) — which allows for virtual (desktop) monitoring of participant files and the upload of supporting documentation, including policies and program notes. On-site monitoring will still be conducted at a minimum of once per program year. Monitoring may also occur at the discretion of TDLWD and as need is indicated by Local Workforce Development Boards (LWDBs). This flexibility allows for collaboration between the TDLWD and the LWDBs.

## II. Process/Methodology

Oversight and monitoring will focus on local areas' systems to ensure that acceptable standards for fiscal accountability, program administration, procurement, and integrated service delivery are established and in practice. In addition to the annual monitoring and required formal monitoring reviews, oversight and programmatic reviews will be conducted year-round via program management and compliance staff to ensure compliance with applicable administrative requirements — specifically identification of system strengths, weaknesses, and required corrective actions.

## 1. Requirements of Local Workforce Development Boards to Monitor One-Stop Operators, Fiscal Agents, Subcontractors, and All Local WIOA-Funded Contracts

WIOA Section 185(c) provides that:

*(c) GRANTEE INFORMATION RESPONSIBILITIES.—Each State, each local board, and each recipient (other than a subrecipient, subgrantee, or contractor of a recipient) receiving funds under this title—*

*(1) shall make readily accessible such reports concerning its operations and expenditures as shall be prescribed by the Secretary;*

*(2) shall prescribe and maintain comparable management information systems, in accordance with guidelines that shall be prescribed by the Secretary, designed to facilitate the uniform compilation, cross tabulation, and analysis of programmatic, participant, and financial data, on statewide, local area, and other appropriate bases, necessary for reporting, monitoring, and evaluating purposes, including data necessary to comply with section 188;*

*(3) shall monitor the performance of providers in complying with the terms of grants, contracts, or other agreements made pursuant to this title; and*

*(4) shall, to the extent practicable, submit or make available (including through electronic means) any reports, records, plans, or any other data that are required to be submitted or made available, respectively, under this title.*

**Program Oversight:** As outlined in WIOA Section 107(d)(8), LWDBs are required to conduct monitoring and oversight of their subrecipients. In order to ensure LWDBs are properly conducting oversight of WIOA funds, TDLWD requires LWDBs to establish and execute tools and guides to outline how monitoring activities will be conducted. In addition to conducting monitoring and oversight as the grantee, TDLWD will also monitor LWDBs to review their monitoring activities.

Pursuant to WIOA Section 107(d)(8), the LWDB (in partnership with the Chief Local Elected Official [CLEO] for the Local Workforce Development Area [LWDA]) must:

- Conduct oversight for local youth workforce investment activities, local employment and training activities for adults and dislocated workers, and the One-Stop Delivery System in the local area;
- Ensure the appropriate use and management of funds provided for these activities; and
- For workforce development activities, ensure the appropriate use, management, and investment of funds to maximize performance outcomes under WIOA Section 116.

### **LWDB Monitoring Plan Requirement:**

Each LWDB shall prepare and submit — to the TDLWD's Workforce Services Division — a schedule and a policy addressing how they will conduct monitoring of their subrecipients, pursuant to 2 CFR 200.331.

## 2. Local Workforce Development Boards and Fiscal Agents

Each subrecipient of funds under WIOA Title I must conduct regular oversight and monitoring of its WIOA programs and contractors in order to:

- Determine that expenditures have been made against the proper cost categories and within the cost limitations, specified within WIOA and the regulations in this part;
- Determine whether there is programmatic compliance with WIOA, including additional applicable laws and regulations;

- Assure compliance with 2 CFR 200 (e.g. 2 CFR 200.34, Expenditures; 2 CFR 200.84, Questioned Cost; and 2 CFR 200.85, Real Property); and
- Determine compliance with the nondiscrimination, disability, and equal employment opportunity requirements of WIOA Section 188.

“Subaward” means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

“Contractor” means an entity that receives a legal instrument (i.e. contract) by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward (2 CFR 200.22). The responsibilities of a contractor are to:

- Ensure monitoring of service providers on an annual basis and at least sixty (60) business days prior to the expiration of the service provider or subrecipients’ contract with its subcontractors. This requirement includes the submission of monitoring reports and resolutions to the TDLWD Compliance and Policy Unit ([workforce.board@tn.gov](mailto:workforce.board@tn.gov)).
- Provide all requested documents to the TDLWD Program Accountability Review Unit (PAR Unit) within thirty (30) business days prior to the scheduled monitoring date.
- Have documents available which were previously identified by the TDLWD as required for the on-site review. Documents must be presented in an organized manner in order to facilitate expedient examination by monitors.
- Ensure appropriate staff is available at the on-site location, and on all monitoring date(s), to assist TDLWD monitors.

### **3. Required Local Workforce Development Board Policies and Procedures**

As a part of their oversight or monitoring role, each LWDB and fiscal agent shall develop written policies and procedures to monitor WIOA-funded programs and the delivery of integrated services. LWDBs must ensure compliance at the federal, state, and local levels concerning administrative and financial requirements, policies, and procedures in order to ensure performance goals are being achieved. Policies must be approved by the LWDB. Each LWDB should have a process to review, implement, and update policies. Policies and guidance approved by the State Workforce Development Board (SWDB) can be found through the following link:

<https://www.tn.gov/workforce/general-resources/program-management/program-management-redirect/workforce-services-redirect/wioa-technical-assistance.html>

These specific monitoring policies and procedures may be consolidated into one comprehensive document. However, monitoring policies may also be separated into two documents which distinctly and separately address LWDB and financial compliance requirements. Written policies and procedures shall describe:

- a. The roles and functions of LWDBs, LWDB staff, and fiscal agents in their oversight or monitoring processes;
- b. Who, by title, shall be responsible for the monitoring of each program activity;
- c. The types of reports which shall be prepared as a result of such monitoring;
- d. To whom reports will be distributed;
- e. The scope and frequency of monitoring efforts for each program activity consisting of:
  - i. Monitoring activities by using uniform monitoring tools, desk reviews, on-site visits, and telephone contacts resulting in a summarized written report;
  - ii. Conducting on-site reviews of policies, plans, and procedures governing all segments of their program activities and program operations (reviews must be conducted at least once during the program year);
  - iii. Conducting pre-award financial review or on-site post-award monitoring of recipients, who have little or no workforce program experience, no later than one hundred twenty (120) business days after the award of a contract;
  - iv. Monitoring program accountability of each subrecipient providing service to participants to ensure contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. **Note:** LWDBs must monitor each subrecipient once annually and no less than sixty (60) business days prior to the expiration date of the contract; and
  - v. Reviewing a sample of participants' files to determine compliance with required laws, policies, plans, and procedures at the federal, state, and local levels.
- f. The methods which shall be used to monitor program activities;
- g. The methods which shall be used for procurement and financial monitoring:
  - a. General procurement standards are outlined in 2 CFR 200.318:

*The non-Federal entity must use its own documented procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.*
  - b. Procurement standards used by the TDLWD are contained in the Grant Management and Subrecipient Monitoring Policy (Policy Number 2013-007), published by the Central Procurement Office. This policy can be accessed through the following link:

[https://www.tn.gov/content/dam/tn/generalservices/documents/cpo/procurement-commission-meetings/pc-meeting-12-14-17/cpo-and-library-page/Policy2013-007\\_Grant\\_Management\\_updated12.14.17.docx](https://www.tn.gov/content/dam/tn/generalservices/documents/cpo/procurement-commission-meetings/pc-meeting-12-14-17/cpo-and-library-page/Policy2013-007_Grant_Management_updated12.14.17.docx)
- h. Who, by title, shall be responsible for ensuring corrective actions are taken when problems are found;
- i. The time-frame, in terms of days or weeks, for completion of corrective actions;
- j. Guidelines for follow-through monitoring, when necessary, to determine if corrective action has been completed; and
- k. An appeal process for disagreements.

### III. Providing Notice of Equal Employment Opportunity and Nondiscrimination

#### 1. General Prohibitions on Discrimination

*Recipients must take appropriate steps to ensure that communications with individuals with disabilities are as effective as communications with others. (29 CFR 38.34, 29 CFR 38.4, 29 CFR 38.15)*

- d. The Equal Opportunity is the Law poster — which is available in English, Arabic, Chinese, and Spanish — must be posted prominently, in a reasonable numbers of places, in available and conspicuous physical locations and on the recipient’s website.

All employees should read, understand, and sign the complaint procedure form which should then be placed in their personnel file.
  - iii. Applicants for WIOA services or applicants for employment with the recipient have access to the appropriately displayed equal employment opportunity and nondiscrimination posters and information.
  - iv. The complaint signature forms are printed in English. LWDBs should use Avanza Services to translate the form for use by service providers located in an area that has a substantial number of participants who require notification in other languages.
  - v. Orientation presentations to new participants, new employees, and/or the general public regarding WIOA financially-funded programs must include a discussion of rights under the nondiscrimination and equal employment opportunity provisions of WIOA.

### 3. Publications, Broadcasts, and Other Communications

Recipients must indicate that the WIOA Title I financially-assisted program or activity in question is an “equal opportunity employer/program” and that “auxiliary aids and services are available upon request to individuals with disabilities”. This indication must be included in recruitment brochures and other materials that are ordinarily distributed or communicated — whether in written, oral, electronic, and/or paper format — to staff, clients, or the public at large to describe programs financially assisted under Title I of WIOA, including the requirements for participation. Where such materials indicate that the recipient may be reached by voice telephone, the materials must also prominently provide the telephone number of the text telephone (TTY) or equally effective telecommunications system — such as a relay service — used by the recipient.

*“Recipients that publish or broadcast program information in the news media must ensure that such publications and broadcasts state that the WIOA Title I-financially assisted program or activity in question is an equal opportunity employer/program (or otherwise indicate that discrimination in the WIOA Title I-financially assisted program or activity is prohibited by Federal*

*law), and indicate that auxiliary aids and services are available upon request to individuals with disabilities.” (29 CFR 38.38[b])*

## **IV. Administrative Procedures**

### **1. Overall Responsibilities**

Program and financial monitoring is performed through desktop reviews and on-site visits. During and in advance of these visits, TDLWD will request a sample of documentation to monitor activities and programs.

The TDLWD will utilize their respective WIOA Monitoring Tools — which will be distributed during the month of October, at the beginning of business year 2018 as this follow full WIOA implementation — to serve as the foundation for oversight/monitoring activities. Furthermore, the State must conduct an annual on-site monitoring review of each local area’s fiscal compliance with 2 CFR 200, as required by WIOA Section 184(a)(4). TDLWD will prepare and distribute these monitoring instruments for information and self-assessment purposes.

The Compliance and Policy, Fiscal, and PAR Units will review locally-provided supportive documentation to determine compliance with all applicable regulations and standards. Monitoring and reviews will take place throughout the year. For on-site monitoring, the PAR Unit will provide instructions — by separate correspondence — on required documents to be submitted to the PAR Unit, within thirty (30) business days prior to scheduled on-site monitoring visits; the PAR Unit will also supply a list of documents which must be available to monitors prior to the on-site review.

The PAR Unit will identify a Comprehensive One-Stop Center in the workforce development area where the on-site system monitoring will be conducted, and will issue monitoring reminders to the LWDB staff prior to scheduled on-site monitoring visits. Specific areas of emphasis, which are contained within the TDLWD’s WIOA Monitoring Tool, include but are not limited to:

- a. System Administration and Effectiveness of Monitoring:**
  - i.** LWDB governance, bylaws, composition, minutes, re-certification, oversight and monitoring responsibilities;
  - ii.** Local agreements and contracts; and
  - iii.** Memorandums of Understanding (MOUs).
- b. Fiscal Compliance Oversight and Monitoring:**
  - i.** Fiscal agent operational policies and procedures;
  - ii.** Accounting system, entries, and documentation;
  - iii.** Procurement methods and documentation;
  - iv.** Contracts verification (i.e. purchase, rent, leases);
  - v.** Internal controls; and
  - vi.** Personnel and payroll records.
- c. Program Administration and Effectiveness Monitoring:**
  - i.** Integrated delivery of Adult and Dislocated Worker services and Youth services funded by WIOA; and
  - ii.** National Emergency Grants.

## **2. Scheduling**

The PAR Unit will prepare and distribute annual monitoring schedules near the beginning of each program year. The TDLWD's WIOA Monitoring Tools will also be provided for information and self-assessment purposes. Each program year, TDLWD staff shall publish the annual monitoring schedule to include the date and time of the on-site monitoring visit and desktop monitoring for each area. This schedule is subject to change to accommodate requests from local areas as well as address unanticipated situations affecting State staff.

## **3. Entrance and Exit Monitoring**

Prior to the start of each on-site monitoring review the PAR Unit — which may also include the Compliance and Policy Unit, Fiscal Unit, and Program Staff as needed — will hold an entrance conference call with the LWDB staff, fiscal agent, and other interested parties to establish the purpose, parameters, and time-frame of the visit. During this call, any relevant information will be discussed which may enhance the effectiveness of the review. All previously requested documents must be available for review and distribution, including items to be retained by the monitoring team.

An exit conference call will be conducted after each TDLWD monitoring review. The exit conference call will be provided to the LWDB and CLEO to identify issues that may result in noncompliance and/or questioned costs. Additional findings and/or questioned costs may arise after the on-site review and exit conference call are concluded.

# **V. State Monitoring Process/Action Steps**

## **1. Time Schedules**

The PAR Unit and Workforce Services Division will jointly establish monitoring schedules.

## **2. Notification Process**

The PAR Unit will provide written notice to each entity being monitored at least thirty (30) business days prior to a review being conducted. The written notice will inform the entity of: the dates for the review, which programs will be reviewed, the contract number of each contract that will be examined, and the estimated time of arrival.

If the date identified in the written notification is not convenient for the entity being monitored then the entity must contact the monitors immediately. The entity and the monitors will determine a mutually-satisfactory date and the review will be rescheduled. However, State monitors and TDLWD executive management reserve the right to conduct unscheduled or monitoring reviews as appropriate.

## **3. Monitoring Process**

The PAR Unit, in conjunction with the Compliance and Policy Unit, will use the annually-updated monitoring guide to conduct fiscal system and program activity reviews. The guide will be amended as regulatory changes occur.

- The monitoring review may be conducted through desktop evaluation, on-site evaluation, or through a combination of these two processes.
- PAR Unit monitors are authorized to monitor any entity receiving WIOA funds at the Comprehensive and Affiliate American Job Centers, including any contracts/entities utilizing WIOA funds through LWDBs. Their review may include, but is not limited to:

examining program records, questioning employees, interviewing participants, and entering any site or premises which receive WIOA funds.

- Random sampling techniques will be used to perform the review of program records. Monitors will hold an exit conference with appropriate officials for each review conducted.
- After the monitors finish their examination, working papers shall be established during the review and maintained by the TDLWD.

#### **4. Monitoring Report**

The PAR Unit will issue the monitoring report within thirty (30) business days from the conclusion of the monitoring review.

#### **5. Corrective Action**

The monitored entity will submit a corrective action plan within thirty (30) business days subsequent to PAR releasing a monitoring report that requires corrective action. Corrective action must be provided within thirty (30) business days of the receipt of the monitoring report from the PAR Unit.

#### **6. Progress Report**

If the initial corrective action provided to TDLWD is not accepted then the entity will submit a progress report each month until the corrective action has been accomplished.

## **VI. Program Descriptions**

### **1. Wagner Peyser**

Wagner-Peyser Act-funded workforce preparation services are an integrated component of the nation's American Job Centers (AJC) (formerly known as One-Stop Career Centers or by another name) system. They are coordinated with other adult programs under the Workforce Innovation and Opportunity Act (WIOA) to ensure that job seekers, workers, and employers have convenient and comprehensive access to a full continuum of workforce related services. The most distinguishing feature of the Wagner-Peyser Employment Service is that it is the only "universally accessible" public workforce program.

Wagner-Peyser-funded services support the development of a competitive workforce for today's global economy. Under the Wagner-Peyser Act, unemployed individuals and other job seekers obtain critical job search, assessment, and career guidance services to support them in obtaining and retaining employment. In addition, Wagner-Peyser-funded activities assist employers with building skilled, competitive workforces through recruitment assistance, employment referrals, and other workforce solutions. Activities funded under the Wagner-Peyser Act also include the development and dissemination of regional workforce information and related resources, which provide both job seekers and employers with comprehensive and accessible economic and industry data to inform workforce and economic development activities.

### **2. Senior Community Service Employment Program**

The purpose of the Senior Community Service Employment Program (SCSEP) program is to provide, foster, and promote useful part-time work opportunities (usually 20 hours per week) in community service employment activities for unemployed low-income persons who

are 55 years of age and older. To the extent feasible, SCSEP assists and promotes the transition of program participants into unsubsidized employment.

### **3. Trade Adjustment Assistance**

The purpose of the Trade Adjustment Assistance (TAA) program is to provide assistance to workers adversely affected by foreign trade. Services are provided under the TAA program to enable workers to return as quickly as possible to work that will use the highest skill levels and pay the highest wages, given the workers' preexisting skill and educational levels, as well as the condition of the labor market.

The Trade Act of 1974 has been amended multiple times-most recently by the Trade Adjustment Assistance Reform Act of 2002 (Pub. L. No. 107-210) (TMRA or Trade Act of 2002); the Trade and Globalization Adjustment Assistance Act of 2009 (TGMA or Trade Act of 2009) (Division B, Title I, Subtitle I of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5); the Trade Adjustment Assistance Extension Act of 2011 (TAAEA or Trade Act of 2011) (Title II of Pub. L. No. 112-40); and the Trade Adjustment Assistance Reauthorization Act of 2015 (TAARA 2015 or Trade Act of 2015) (Title IV of the Trade Preferences Extension Act of 2015, Pub. L. No. 114-27). ]

Compared to the Trade Act of 2002, the Trade Act of 2011 expanded eligibility of the TAA program and replaced Alternative Trade Adjustment Assistance (ATAA) with Reemployment Trade Adjustment Assistance (RTAA) - but at the 2002 benefit levels. The TGAAA extended the TAA program through December 31, 2010, and the Omnibus Trade Act of 2010 further extended TAA through February 15, 2011. After that date, the TGAAA amendments to the Trade Act expired, and the TGAAA required the TAA program to operate under the TAARA provisions, through October 21, 2011. On this date, the TAAEA was passed, which reauthorized many of the provisions under the Trade Act of 2009, but with slight modifications. The TAAEA amendments to the Trade Act expired on December 31, 2013, and the TAAEA required the TAA program to operate under the provisions of the Trade Act of 2002, with three provisions of the Trade Act of 2011 remaining (referred to as Reversion 2014). The TAARA 2015 both amends and reauthorizes the TAA Program. The TAARA 2015 restores the worker group eligibility and benefits established by TAAEA.

The TAARA 2015 also (1) authorizes the operation of the 2015 Program and continuation of the 2002 Program, the 2009 Program, and the 2011 Program through June 30, 2021; (2) provides a 90-day transition period for Reversion 2014 Program participants to transition to the 2015 Program; (3) expands coverage of certifications of petitions filed since January 1, 2014 for 90 days; (4) requires reconsideration of negative determinations of petitions filed since that date and before the date of enactment under 2015 Act certification requirements; and (5) reauthorizes the Health Coverage Tax Credit (HCTC) program benefit for eligible TAA participants. TAARA 2015 also added new requirements to align performance reporting for the TAA Program with the requirements of the Workforce Innovation and Opportunity Act (WIOA).

### **4. WIOA Title I (Adult, Youth and Dislocated Worker Programs)**

The Workforce Innovation and Opportunity Act of 2014 (WIOA), which supersedes the Workforce Investment Act of 1998 (WIA), authorizes formula grant programs to States to help job seekers access employment, education, training and support services to succeed in the labor market. Using a variety of methods, States provide employment and training

services through a network of American Job Centers (AJC) (formerly known as One-Stop Career Centers or by another name). The WIOA programs provide employment and training programs for adults, dislocated workers, and youth, and WagnerPeyser employment services administered by the Department of Labor (DOL). The programs also provide adult education and literacy services that complement the Vocational Rehabilitation State grants awarded by the U.S. Department of Education that assist individuals with disabilities in obtaining employment and helps job seekers to achieve gainful employment. Youth employment and educational services are available to eligible out-of-school youth, ages 16 to 24, and low-income in-school youth, ages 14-21, that face barriers to employment.

#### **5. Supplemental Nutrition Assistance Program Employment & Training (SNAP E&T)**

The objective of SNAP is to help low-income households buy the food they need for good health and to provide Employment and Training (E& T) activities.

#### **6. Re-Employment Services and Eligibility Assessment (RESEA)**

The RESEA program is designed to help unemployment insurance claimants return to work faster.

### **VII. Agency Monitoring Cycle**

Monitoring Cycle: October 1, 2018 - September 30, 2019

The Tennessee Department of Labor and Workforce Development will monitor all open contracts with expenditures as of October 1, 2018. Doing so fulfills the requirements under Central Procurement Office Grant Management and Subrecipient Monitoring Policy and Procedures, Policy Number 2013-007. Due to the realignment of the State's workforce system from 13 Local Workforce Development Areas (LWDAs) to 9 LWDAs, contracts from previous monitoring cycles will be closed and new contracts will be opened throughout the year. Appendices C-1 and C-2, included within this document, are current as of October 1, 2018.

### **VIII. FTE Monitoring Staff**

### **IX. Corrective Action/Monitoring Report Procedure**

1. Compliance and Policy Unit and Grants and Budgets Unit staff members update the TDLWD's monitoring guide based on guidelines and requirements from the General Services Monitoring Policy. The monitoring guide will include lists of contracts, fiscal and program questionnaires for all WIOA programs, and a risk assessment chart.
2. The Director of the Compliance and Policy Unit forwards the updated monitoring guide, with a letter, to General Services by October 1 of each year; negotiations will take place until the monitoring guide is formally approved.
3. When the monitoring guide has been approved by General Services then a copy is sent to the Communications Office of TDLWD to be placed on TDLWD's website. Furthermore, a copy is sent to the PAR Unit.
4. Compliance and Policy staff receives a notice from the PAR Unit thirty (30) business days prior to a monitoring visit. Compliance and Policy staff enters the projected date of the review on a monitoring tracking spreadsheet (that is shared between the PAR and Compliance and Monitoring Units).

5. Before issuing the final results of the monitoring report, the PAR Unit forwards the results to the Compliance and Policy Director. The Compliance and Policy Director will review and discuss the results with the Grants and Budgets Unit and Workforce Services (WFS) management.
6. A report will be issued by the PAR Unit within thirty (30) business days of the completion of the review. Copies of the report will be dispersed to the following parties: the Commissioner and Deputy Commissioner of the Tennessee Department of Labor and Workforce Development, the Regional Director of the reviewed area, the Local Area Director of the reviewed area, the Administrator of Workforce Services, Assistant Administrator of Workforce Services, Compliance and Policy Director, the Director of Grants and Budgets, and other appropriate staff as necessary.
7. WFS staff will forward the report to the LWDA CLEO and LWDB Board Chair.
8. If there is no finding — and no corrective action is needed — Compliance and Policy staff enters the date on which the monitoring report is issued, the date on which the monitoring report is received, and the expression of "no findings reported" on the spreadsheet.
9. If there is a finding, the entity monitored will submit the Corrective Action Plan (CAP) within thirty (30) business days after the receipt of the monitoring results. If the CAP submitted by the entity is not accepted, Compliance and Policy unit will forward a notice — offering technical assistance from the appropriate TDLWD subject matter unit/staff — to the entity.
  - o The process of thirty (30) business day limits will continue until the entity has corrected the findings.
10. If the CAP does not arrive within thirty (30) business days, or if the CAP is not accepted by Compliance and Policy Unit, a notice will be sent to the entity or technical assistance will be provided by the appropriate TDWLD subject matter unit/staff.
  - o The process of thirty (30) business day limits will continue until the entity has corrected the findings.
11. If findings are rendered to be significant in terms of failure to perform, or include serious infractions of oversight, or if the local area fails to properly or timely remedy the findings, TDLWD will present the matter to the SWDB under WIOA Section 107(c)(3) as it relates to the LWDB's ability to fulfill their functions.
12. Compliance and Policy Unit will forward the final acceptance to the LWDA CLEO, LWDB Chair, LWDA Executive Director, and Staff to the LWDB.

<ul style="list-style-type: none"> <li>• Questioned costs were charged to contracts. The following deficiencies were noted: sales tax of \$6.82 was reimbursed to a participant and billed to LW01F171DSLWK17 and sales tax of \$1.08 was reimbursed to agency staff and billed to LW01P151NCSWA16</li> <li>• Expenses were charged to contract prior to contract period. The following deficiencies were noted: participant's expenses incurred in April, May, and June 2016 were charged to contract LW01F161DWRSP16. Contract period for this contract began on July 1, 2016, and ends on June 30, 2017</li> <li>• <b>Prior to the exit conference, LWDA 1 staff had entered journal entries to correct these questioned costs. The monitoring staff have obtained and reviewed the correcting journal entries.</b></li> </ul>

<ul style="list-style-type: none"> <li>• Agency may not meet the Youth 20% Work Experience requirement, as required by Title I of WIOA. According to the January 2017 Monthly Expenditure Report for grant LW02P151YOUTH16, LWDA 2 may not meet the youth experience expenditure requirement. Report indicates that LWDA 1 only had 10.1% in youth work experience. In addition, the involvement of the Youth Committee to resolve this issue and providing recommendations to the Local Board to increase the maximum paid hours may assist in the participation rate.</b></li> <li>• Questioned costs were charged to contract LW02P151DSLWK16. A lodging amount charged to the contract in January 2017 exceeded the allowable rate reflected in the State of Tennessee Comprehensive Travel Regulations by \$10.49. Four (4) equipment items had the incorrect contract number or funding source shown in the inventory listing, should have funding source of LW02P151NCWSA16. Nine (9) equipment items had the purchase order amount shown in the inventory listing, as opposed to the acquisition cost. All nine (9) of these items have acquisition dates of January 7, 2016.</li> <li>• <b>LWDA 2 has corrected the funding for the four pieces of equipment and has also corrected the inventory listing of an additional eight pieces of equipment to reflect actual costs instead of estimated amounts.</b></li> </ul>

## Appendix E: Explanation of Previous Cycle Monitoring Findings

- When the Southeast Tennessee Development District (SETDD) allocated administrative costs, the costs were not allocated in accordance with the approved plan. The Excel spreadsheet formula did not include all of the expenditures, which resulted in a higher allocation percentage.
- **Per the plan, administrative costs were accumulated in a separate cost pool and the total was allocated to the programs based on the percentage of program salaries (not gross salaries) vs. total direct salaries, applied to total administrative costs.**
- Eleven (11) monthly status reports for May 2017 were submitted twelve (12) days late.
- **Mitigating circumstances that the State found unlikely to be repeated.**

### LWDA 6

- Expenses reported for RESEA contract occurred prior to the contract period
- **The submitted general ledger demonstrates that the questioned cost in the amount of \$75.20 was reclassified and removed from contract LW06F171RESEA17 and charged to contract LW06P161RESEA17**
- **The submitted general ledger demonstrates that the questioned cost in the amount of \$161.96 has been reclassified and moved from contract LW06F171RESEA17 and charged to contract LW06P161RESEA17**
- 3 Youth contracts over reported on the monthly expenditure/status report
- **Procedures have been put in place by submitting the general ledger with status reports so that allowable costs reported to the funding source are traceable to accounting records.**
- Agency did not meet the Youth 20% Work Experience Requirement
- **Monthly expenditure reports demonstrate that LWDA has met the required Youth Work Experience Expenditure rate, at 20%.**
- Case management needs improvement
- **TDLWD has reviewed the documentation in Jobs4TN and found the closure dates for the identified participants has been documented.**

### LWDA 7

PAR did not identify any findings of noncompliance during the monitoring review.

### LWDA 8

PAR did not identify any findings of noncompliance during the monitoring review.

### LWDA 9

- Closeout reports were not submitted timely
- **Implementing additional review by the Local Board in the close-out process will help mitigate or eliminate any such further occurrences**
- Federal funding source of purchased equipment needs updating in the inventory records
- **TDLWD has obtained the updated inventory list from PAR as supportive documentation**
- Questioned sales tax reimbursement to participant of \$17.61
- **The questioned cost of \$17.61 will be settled using a check remitted to the State to reimburse the questioned cost.**

### LWDA 10

- Questioned cost was charged to contract LW10P151NCSWA16: LWDA provided breakfast and lunch for a staff meeting in the amount of \$1,040.00. The staff meeting concentrated on employee benefits and there was no evidence that WIOA technical information was provided.
- **A formal agenda for this meeting was submitted. An attendee sign-in sheet was submitted. The disallowed cost of \$1,040 was resolved as evidenced by the revised closeout report to contract LW10P151NCSWA16 which includes a check for the disallowed cost**
- Case management needs improvement. Based on the examination of a sample of 20 adult participants, 20 dislocated worker participants, and 20 youth participants: activity information was not updated in VOS, appropriate follow-up was not completed, three (3) dislocated worker and one (1) adult participants' files did not have EO/grievance and complaint statement, and one (1) adult participant's file did not have sufficient case notes to determine progress in the program
- **The State has reviewed each participant file listed above. TDLWD staff has confirmed the file has had an activity closure date entered into VOS.**
- **The State has reviewed each participant file listed above. Follow-up tables and updated case notes were included. The files are now compliant under WIOA.**
- **The State has reviewed the participant files and found that the appropriate documentation was either uploaded or due diligence in attempts to retrieve this documentation (demonstrated by email correspondence) has been made.**
- **The State has reviewed the file and found case notes to be satisfactory.**
- Agency did not meet the Youth 20% Work Experience requirement, as required by WIOA.
- **The TDLWD realizes that the youth expenditure rate cannot be changed as this grant is in the past, however the State has reviewed the current grant and concurs that progress is satisfactory in meeting the youth work experience expenditure requirement.**
