Designation as an approved sex offender treatment provider signifies that the provider has agreed to practice in accordance with the treatment philosophy, standards, and guidelines adopted by the Tennessee Sex Offender Treatment Board. Each listed provider is separately responsible for maintaining compliance with all applicable laws and regulations governing professional practice. Current verification of a provider's credentials may be obtained from the applicable licensing authority. A provider's listing as an approved sex offender treatment provider does not signify that the provider's practice location is compatible with geographic restrictions that apply to some offenders under current Tennessee law.
