

CITY OF LIFE

“A place where you can maximize your potential”

FACT SHEET

MISSION

The mission of the City of Life Community Development Corporation is to help maximize the potential of individuals, families, and communities. This mission is achieved by securing resources and networking with government, community, financial, and business leaders. City of Life develops programs, services and products to help individuals in Nashville and Middle Tennessee communities.

SERVICES/PROGRAMS

City of Life Out-of-School-Time Program— The out-of-school-time program provides high quality services to school aged children in grades K - 6 after-school hours and when public schools are closed. Specific programs include:

- CARE Corps After - School Care - Monday through Friday, 3:00 PM. to 6:00 PM. Fees are reduced for families who meet income guidelines.
- Summer Enrichment Program - Ten-week program that focuses on music, dance, drama, enrichment activities and field trips. This program is available Monday through Friday, 7:30 AM – 6:00 PM. Fee based program with reduced fees for families with low-incomes.

Skills for Life Mentoring Program – is a one Saturday a month group mentoring program for teens 13 – 15 years of age. Sessions are held at the City of Life program site. Skills for Life Mentoring services are provided to youth to increase their likelihood of personal success. Mentors are current and retired educators who provide a one-to-four adult to youth ratio.

SUCCESS Teens – is a skills development, academic enhancement, service learning and stipend program for young teens 13 – 15 years of age that operates for eight weeks during the summer. SUCCESS: Students Unafraid to Choose Character, Strength and Success.

Mary & Martha Restoration Clinic— The focus of this program is to stop domestic violence. Mary & Martha Restoration Clinic provides transitional shelter housing, a weekly domestic violence support group and counseling for children. Certified legal advocates work with General Sessions Court to provide referrals and services to women experiencing domestic violence.
