My favorite character would be Daffy. First he make me laugh.
Second he's always hurting his self. Third he spend time with his son.

First reason is because his funny why he slips on banana in
sometimes his face get hit with a pie in get gelid at because he
left the store unattended.

Second, reason he hurt his self alot because he try to make
his son smile or he dosent know it comenise to him.

Third, reason he like spending time with him is that
he never does because he always try to find a job but
he really want to hang out with his son but when they want
to hang out he's always late or he forget but he always
try to make it up by a gift or say he is very sorry

Score Point: 3

This response reflects limited proficiency in expository writing skills. The writer chooses Goofy as a favorite character and cites reasons to support this choice (he makes me laugh; he's always hurting himself; he spends time with his son). The response is organized, and some development of the key ideas is present. However, a pattern of errors in mechanics, usage, and sentence structure is displayed.
