My Character

Ahoy, my favorite character isn't just any old being one, it's many people's favorite too. Yes, it's Captain Jack Sparrow from "Pirates of the Caribbean". He makes you laugh and he makes you think WOW! All of his movies are like a series.

I chose Captain Jack Sparrow because he's a great actor and he's in most of my favorite movies. He's the reason you want to keep watching the movie. I love the BOOM's of the cannons when they're in a fight with Davy Jones and his leader. In every new movie, he's got a new problem whether it's with the British or Davy Jones. Somehow he always manages to get out of it. He's like Rocky Horv when it comes to movies. Being must be hard, but Jack Sparrow makes it look easy. are the best. If a new "Pirates of the Caribbean" come out, you can be sure I'll be first in line. I don't know what it would be like, but Jack Sparrow will make it worth the while.

**Score Point: 4**

This response reflects competent proficiency in expository writing skills. The writer chooses Jack Sparrow as a favorite character and provides details to support this choice. The response displays adequate facility in the use of language, and the writer's voice is apparent (Ahoy, my favorite character isn't just any old boring one; he makes you think WOW; you can be sure I'll be the first in line). However, the development is uneven. Further development and a stronger organizational structure would be required for a higher score.
