

**CHANGES TO CORRELATIONS OF COURSE CODES AND ENDORSEMENT
CODES FOR 2009-2010 SCHOOL YEAR
(Revised 3/25/09)**

It is very important that you check your computer software to ensure you have added and deleted course codes, including the updates provided during the 2007-08 school year, so that your software reflects only current codes. This list of changes will provide assistance. However, if you have not updated the computer software each year, it will be necessary to check all 2008-09 codes to ensure you have only current codes.

The changes are outlined by page numbers, code and specific changes. Page numbers as listed were in the 2008-09 course code document. Changes with a page reference in parenthesis are additions to the 2009-10 course code documents.
