

The data in Table 1 (below) represent information about the 30 school districts that had on-site compliance monitoring visits during the 2006-2007 school year. Data summarized for Annual Performance Report (APR) Indicator 8 was collected by each LEA using their own parent survey process and summary data was submitted to the State. Data summarized for Annual Performance Report Indicators 11 and 13 in Table 1 was collected during the 2006-2007 on-site compliance monitoring visits and represents a small sample of student records reviewed.

**Table 1 – Report of 2006-2007 APR Indicators 8, 11, and 13**

<b>LEA</b>	<b>2006-2007 Indicator 8 Parent Survey</b>	<b>2006-2007 Indicator 11 Child Find</b>	<b>2006-2007 Indicator 13 Secondary Transition</b>
