Child is no longer eligible for TEIS at age 3. Exit from Part C.

Early Childhood Outcomes

What you need to know.

- As of July 1, 2009, all school systems are responsible for collecting "Entrance" and "Exit" data for children ages 3 through 5 with active IEPs.
- Systems may use the "Exit" data from TEIS as their "Entrance" data.
- All data is to be reported in Easy IEP.
- Resource links are available in Easy IEP.
