

New Source Review newspaper advertisements for construction permit applications, April 16, 2009. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: April 14, April 15, or April 16, 2009. Public notices are generally published every two weeks. The previous publication of public notices was April 2, 2009.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is DeRoyal Industires, Inc. with a mailing address of 200 DeBusk Lane, Powell, TN 37849. They seek to obtain an air contaminant permit (Division identification number: 13-0068-01/62729) for modification of a Sterilization Operation located at 1135 Highway 33 South, New Tazewell, TN 37825. This existing operation consists of four industrial gas sterilizers using ethylene oxide. DEOXX scrubber and catalytic oxidation system are used for pollution control. The requested modification is for increasing input rates for chamber #4 and chamber #5. There would be no physical construction. Regulated air contaminants emitted by this source would increase. Ms. Olga Jacobsen is the assigned Division person.

The applicant is Kroger Fuel Center L-569 with a mailing address of 10168 Linn Station Rd, Louisville, KY 40223. They seek to obtain an air contaminant permit (Division identification number: 83-0412-01/62707) for construction of a Gasoline Dispensing Facility located at 2011 Nashville Pike, Gallatin, TN 37066. This proposed operation would consist of three (3) underground tanks and fourteen (14) gasoline nozzles. A Stage I and Stage II vapor recovery would be used for gasoline emission control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. W. Collins is the assigned Division person.

For the Sumner County *News-Examiner* -- published once on or before Thursday, April 16, 2009.
