

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received a request for modification of an air contaminant source as listed below. The proposed modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning the source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is **JDC Coatings, Incorporated** with a mailing address of **206 East Division Street, Mt. Juliet, TN 37122**. They seek to obtain an air contaminant permit (Division identification number: 95-0109 / 62758) for their coating operations which allows a different scenario for periods when volatile organic compounds and /or hazardous air pollutants are not being utilized. This operation would be located at the same address as listed above. There would not be physical construction and no additional regulated air contaminants would be emitted by this source as a result of this permit modification. Two (2) thermal afterburners would be used for pollution control. Mr. Younes Aleali is the assigned Division person.

No alterations to the above are allowed:

JDC Coatings, Incorporated must pay to place this advertisement in the newspaper. Air Pollution Control must be furnished with one complete sheet from the newspaper showing this advertisement, the name of the newspaper and the date of publication.

Mail to Younes Aleali - Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531

For the "*The Lebanon Democrat*" - publish once as soon as possible.
