

You're Invited

Please be our guest for a day of networking and camaraderie at the Regional TP3 Workshop of your choice.

These workshops will offer guidance on how to advance through the Tennessee Pollution Prevention Partnership (TP3) levels, promote membership outreach and mentoring in sustainable practices, and encourage networking for benchmarking and information transfer.

- ❑ Understand the criteria for advancing through the TP3 levels
- ❑ Hear innovative P2 projects and the benefits of TP3 membership
- ❑ Network with and get assistance from TP3 members in your area
- ❑ Share your ideas on what TP3 can do for you

There is no fee for these workshops.

All workshops are from 8:30 a.m. to 12:30 p.m. local time.

Please register by the **deadline. Send an Email to the *Regional Workshop Coordinator* listed below.**
