

AIRPORT SHUTTLE

Welcome to Tennessee! If you are flying in for the event, please notify Gary Patterson at the following email address- Gary.Patterson@tn.gov

BRAT will provide shuttles from the Nashville airport (BNA) and surrounding hotels on Saturday, September 12th. Please email Gary all of your flight/ hotel information, and most importantly a cell phone number if you will have one with you. If you cannot get to the Nashville airport before 5pm on Saturday, then you may need to arrive Friday night. If you are flying in Friday night, we suggest you simply stay at a hotel close by. The Nashville Airport is about 2 hours drive from the start at Paris Landing. We cannot provide shuttles after 5pm on Saturday, September 12th.

You may have to hang out several hours until the shuttle arrives.

Please schedule your return flight home after 3 pm on Saturday, September 19th.

I am pretty flexible but let me know early if you need special arrangements.

Please ship your bikes to the start point. We will have limited space on the shuttles.
