Instructions for Filing

APPLICATION FOR CERTIFICATION OF POLLUTION CONTROL EQUIPMENT FOR PROPERTY TAX OR SALES TAX

Certification of: Water Pollution Control Equipment
Hazardous Waste Equipment
Air Pollution Control Equipment (other than in the counties noted below)

Complete the form in triplicate and mail with any attachments to:

Tennessee Department of Environment and Conservation
Bureau of Environment
1st Floor, L&C Annex
401 Church Street
Nashville, Tennessee 37243-1530

The Division of Water Pollution Control, the Division of Solid Waste Management, and Air Pollution Control (other than in the counties noted below) will review and recommend the level of certification, and the Tennessee Department of Environment and Conservation (TDEC) will certify this to the appropriate County Tax Assessor.

Certification of: Air Pollution Control Equipment (Davidson, Hamilton, Knox, Shelby Counties)

Complete the form in triplicate.

If the facility is located in DAVIDSON County, Tennessee, the Davidson County Board of Health will review and certify the facility to the Metro Tax Assessor's office; therefore, the application and any attachments should be mailed to:

Metropolitan Health Department
Air Pollution Control Section
311 23rd Avenue, North
Nashville, Tennessee 37203

If the facility is located in HAMILTON County, Tennessee, the Air Pollution Control Board of Chattanooga will review and recommend to the TDEC the level of certification, and the TDEC will certify the facility to the Hamilton County Tax Assessor's office; therefore, the application and any attachments should be mailed to:

Chattanooga-Hamilton County
Air Pollution Control Bureau
6125 Preservation Drive, Suite 140
Chattanooga, Tennessee 37416-3638

If the facility is located in KNOX County, Tennessee, the Knox County Air Pollution Control Department will review and recommend to the TDEC the level of certification, and the TDEC will certify the facility to the Knox County Tax Assessor's office; therefore, the application and any attachments should be mailed to:

Knox County Department of Air Quality
140 Dameron Avenue
Knoxville, Tennessee 37917

If the facility is located in SHELBY County, Tennessee, the Shelby County Health Department will review and recommend to the TDEC the level of certification, and the TDEC will certify the facility to the Shelby County Tax Assessor's office; therefore, the application and any attachments should be mailed to:

Memphis-Shelby County Health Department
Division of Pollution Control
814 Jefferson Avenue
Memphis, Tennessee 38105
