

# *The 2010 "Show of the South"*

The 39<sup>th</sup> Annual Solid/Hazardous Waste Conference and Exhibition

Gatlinburg, Tennessee, USA

## Call for Papers

The Division of Solid Waste Management is now accepting submissions of presentations to be considered for the 39<sup>th</sup> Annual Solid/Hazardous Waste Conference & Exhibition.

Researchers, educators, government officials, consultants, managers, community leaders and others with an interest in solid waste, hazardous waste, recycling and other waste related topics are invited to submit papers for oral presentation at the conference.

Papers relating to all aspects of solid waste, hazardous waste and recycling technologies and management are of interest, including:

Landfill topics	Medical wastes
Regulations	Scrap tires
Waste reduction	Research topics
Recycling	Utilization of waste materials
Energy recovery and thermal treatment	Case Studies
Economics	Innovative technologies
Policy	Waste collection
Facility siting	Waste generation studies
Public involvement	Integrated waste management
Education	Equipment
Household hazardous wastes	Sludge
Waste composition studies	Use of waste materials in construction
Composting and biological treatment	Geotechnical topics
Chemical and biological treatment	Liners, caps, gas and leachate
Municipal Wastes	Environmental equity
Industrial Wastes Contaminated sites	Any related topic

Submit a paper for the 2010 conference  
by sending a 1 page abstract  
including your name and affiliation  
before February 1, 2010 to:
