- 1.4.3. Only the State's official, written responses and communications will be binding with regard to this RFP. The State will consider oral communications of any type to be unofficial and non-binding.
- 1.4.4. Potential proposers must ensure that the State receives all written comments, including questions and requests for clarification, no later than the Written Comments Deadline detailed in the RFP Section 2, Schedule of Events.
- 1.4.5. Proposers must assume the risk of the method of dispatching any communication or proposal to the State. The State assumes no responsibility for delays or delivery failures resulting from the method of dispatch. Actual or digital "postmarking" of a communication or proposal to the State by a specified deadline date will not substitute for the State's actual receipt of a communication or proposal.
- 1.4.6. The State will convey all official responses and communications related to this RFP to the potential proposers from whom the State has received a Notice of Intent to Propose (refer to RFP Section 1.7).
- 1.4.7. The State reserves the right to determine, at its sole discretion, the method of conveying official, written responses and communications related to this RFP. Such written communications may be transmitted by mail, hand-delivery, facsimile, electronic mail, Internet posting, or any other means deemed reasonable by the State.

- 1.4.8. The State reserves the right to determine, at its sole discretion, the appropriate and adequate responses to written comments, questions, and requests related to this RFP. The State's official, written responses will constitute an amendment of this RFP.
- 1.4.9. Any data or factual information provided by the State (in this RFP, an RFP amendment or any other communication relating to this RFP) is for informational purposes only. The State will make reasonable efforts to ensure the accuracy of such data or information, however it is within the discretion of Proposers to independently verify any information before relying thereon.

1.5. **Assistance to Proposers With a Disability**

Potential proposers may contact the RFP Coordinator to request such reasonable accommodation no later than the Disability Accommodation Request Deadline detailed in the RFP Section 2, Schedule of Events.

1.6. **Proposer Required Review & Waiver of Objections**

- 1.6.1. Each potential proposer must carefully review this RFP, including but not limited to, attachments, the RFP Attachment 6.6., *Pro Forma* Contract, and any amendments, for questions, comments, defects, objections, or any other matter requiring clarification or correction (collectively called "questions and comments").
- 1.6.2. Any potential proposer having questions and comments concerning this RFP must provide such in writing to the State no later than the Written Comments Deadline detailed in the RFP Section 2, Schedule of Events.
- 1.6.3. Protests based on any objection shall be considered waived and invalid if the objection has not been brought to the attention of the State, in writing, by the Written Comments Deadline.

1.7. **Notice of Intent to Propose**

Before the Notice of Intent to Propose Deadline detailed in the RFP Section 2, Schedule of Events, potential proposers should submit to the RFP Coordinator a Notice of Intent to Propose (in the form of a simple e-mail or other written communication). Such notice should include the following information:

- the business or individual's name (as appropriate)
- a contact person's name and title
- the contact person's mailing address, telephone number, facsimile number, and e-mail address

A Notice of Intent to Propose creates no obligation and is not a prerequisite for making a proposal, however, it is necessary to ensure receipt of any RFP amendments or other notices and communications relating to this RFP.

1.8. **Proposal Deadline**

A Proposer must ensure that the State receives a proposal no later than the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events. A proposal must respond, as required, to this RFP (including its attachments) as may be amended. The State will not accept late proposals, and a Proposer's failure to submit a proposal before the deadline will result in disqualification of the proposal.

3. PROPOSAL REQUIREMENTS

3.1. Proposal Form

A response to this RFP must consist of two parts, a Technical Proposal and a Cost Proposal.

- 3.1.1. **Technical Proposal.** The RFP Attachment 6.2., Technical Proposal & Evaluation Guide details specific requirements for making a Technical Proposal in response to this RFP. The guide includes mandatory requirement items, general qualifications and experience items, and technical qualifications, experience, and approach items all of which must be addressed with a written response and, in some instances, additional documentation.

NOTICE: A technical proposal must not include any pricing or cost information. If any pricing or cost information amounts of any type (even pricing relating to other projects) is included in any part of the technical proposal, the state will deem the proposal to be non-responsive and reject it.

- 3.1.1.1. A Proposer must use the RFP Attachment 6.2., Technical Proposal & Evaluation Guide to organize, reference, and draft the Technical Proposal by duplicating the attachment, adding appropriate proposal page numbers as required, and using the guide as a table of contents covering the Technical Proposal.

- 3.1.1.2. A proposal should be economically prepared, with emphasis on completeness and clarity. A proposal, as well as any reference material presented, must be written in English and must be written on standard 8 ½" x 11" pages (although oversize exhibits are permissible). All proposal pages must be numbered.

- 3.1.1.3. All information and documentation included in a Technical Proposal should respond to or address a specific requirement detailed in the RFP Attachment 6.2., Technical Proposal & Evaluation Guide. All information must be incorporated into a response to a specific requirement and clearly referenced. Any information not meeting these criteria will be deemed extraneous and will not contribute to evaluations.

- 3.1.1.4. The State may determine a proposal to be non-responsive and reject it if:

- a. the Proposer fails to organize and properly reference the Technical Proposal as required by this RFP and the RFP Attachment 6.2., Technical Proposal & Evaluation Guide; or
- b. the Technical Proposal document does not appropriately respond to, address, or meet all of the requirements and proposal items detailed in the RFP Attachment 6.2., Technical Proposal & Evaluation Guide.

- 3.1.2. **Cost Proposal.** A Cost Proposal must be recorded on an exact duplicate of the RFP Attachment 6.3., Cost Proposal & Scoring Guide.

NOTICE: If a proposer fails to submit a cost proposal exactly as required, the state will deem the proposal to be non-responsive and reject it.

- 3.1.2.1. A Proposer must only record the proposed cost exactly as required by the RFP Attachment 6.3., Cost Proposal & Scoring Guide and must NOT record any other rates, amounts, or information.

3.1.2.2. The proposed cost shall incorporate ALL costs for services under the contract for the total contract period.

3.1.2.3. A Proposer must sign and date the Cost Proposal.

3.1.2.4. A Proposer must submit the Cost Proposal to the State in a sealed package separate from the Technical proposal (as detailed in RFP Sections 3.2.3., *et seq.*).

3.2. Proposal Delivery

A Proposer must deliver a proposal in response to this RFP as detailed below. The State will not accept a proposal delivered by any other method.

3.2.1. A Proposer must ensure that both the original Technical Proposal and Cost Proposal documents meet all form and content requirements detailed within this RFP for such proposals including but not limited to required signatures.

3.2.2. A Proposer must submit original Technical Proposal and Cost Proposal documents and copies as specified below.

3.2.2.1. One (1) original Technical Proposal paper document labeled:

“RFP # 34440-00123 TECHNICAL PROPOSAL ORIGINAL”

and four (4) copies of the Technical Proposal each in the form of one (1) digital document in “PDF” format properly recorded on its own otherwise blank, standard CD-R recordable disc labeled:

“RFP # 34440-00123 TECHNICAL PROPOSAL COPY”

The digital copies should not include copies of sealed customer references, however any other discrepancy between the original Technical Proposal document and the digital copies may result in the State rejecting the proposal as non-responsive.

3.2.2.2. One (1) original Cost Proposal paper document labeled:

“RFP # 34440-00123 COST PROPOSAL ORIGINAL”

and one (1) copy in the form of a digital document in “pdf” format properly recorded on separate, blank, standard CD-R recordable disc labeled:

“RFP # 34440-00123 COST PROPOSAL COPY”

In the event of a discrepancy between the original Cost Proposal document and the digital copy, the original, signed document will take precedence.

3.2.3. A Proposer must separate, seal, package, and label the documents and discs for delivery as follows.

3.2.3.1. The Technical Proposal original document and copy discs must be placed in a sealed package that is clearly labeled:

“DO NOT OPEN... RFP # 34440-00123 TECHNICAL PROPOSAL FROM [PROPOSER LEGAL ENTITY NAME]”

3.2.3.2. The Cost Proposal original document and copy disc must be placed in a separate, sealed package that is clearly labeled:

“DO NOT OPEN... RFP # 34440-00123 COST PROPOSAL FROM [PROPOSER LEGAL ENTITY NAME]”

3.2.3.3. The separately, sealed Technical Proposal and Cost Proposal components may be enclosed in a larger package for mailing or delivery, provided that the outermost package is clearly labeled:

“RFP # 34440-00123 SEALED TECHNICAL PROPOSAL & SEALED COST PROPOSAL FROM [PROPOSER LEGAL ENTITY NAME]”

3.2.4. A Proposer must ensure that the State receives a proposal in response to this RFP no later than the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events at the following address.

Debra Dunn, Director of Contracts
Department of Finance and Administration
Division of Intellectual Disabilities Services
500 Deaderick Street, Suite 1500
Nashville, Tennessee 37243

3.3. Proposal & Proposer Prohibitions

- 3.3.1. A proposal must not include the Proposer’s own contract terms and conditions. If a proposal contains such terms and conditions, the State, at its sole discretion, may determine the proposal to be a non-responsive counteroffer and reject it.
- 3.3.2. A proposal must not restrict the rights of the State or otherwise qualify either the offer to deliver services as required by this RFP or the Cost Proposal. If a proposal restricts the rights of the State or otherwise qualifies either the offer to deliver services as required by this RFP or the Cost Proposal, the State, at its sole discretion, may determine the proposal to be a non-responsive counteroffer and reject it.
- 3.3.3. A proposal must not propose alternate services (*i.e.*, offer services different from those requested and required by this RFP). The State will consider a proposal of alternate services to be non-responsive and reject it.
- 3.3.4. A Cost Proposal must not result from any collusion between Proposers. The State will reject any Cost Proposal that was not prepared independently without collusion, consultation, communication, or agreement with any other Proposer. Regardless of the time of detection, the State will consider any such actions to be grounds for proposal rejection or contract termination.
- 3.3.5. A Proposer must not provide, for consideration in this RFP process or subsequent contract negotiations, incorrect information that the Proposer knew or should have known was materially incorrect. If the State determines that a Proposer has provided such incorrect information, the State will deem the Proposer’s proposal non-responsive and reject it.
- 3.3.6. A Proposer must not submit more than one Technical Proposal and one Cost Proposal in response to this RFP. If a Proposer submits more than one Technical Proposal or more than one Cost Proposal, the State will deem all of the proposals non-responsive and reject them.
- 3.3.7. A Proposer must not submit a proposal as a prime contractor while also permitting one or more other Proposers to offer the Proposer as a subcontractor in their own proposals. Such may result in the disqualification of all Proposers knowingly involved. This restriction does not, however, prohibit different Proposers from offering the same subcontractor as a part of their proposals (provided that the subcontractor does not also submit a proposal as a prime contractor).
- 3.3.8. A Proposer must not be (and the State will not award a contract to):

- a. an individual who is, or within the past six months has been, an employee or official of the State of Tennessee;
- b. a company, corporation, or any other contracting entity in which an ownership of two percent (2%) or more is held by an individual who is, or within the past six months has been, an employee or official of the State of Tennessee (this will not apply either to financial interests that have been placed into a "blind trust" arrangement pursuant to which the employee does not have knowledge of the retention or disposition of such interests or to the ownership of publicly traded stocks or bonds where such ownership constitutes less than 2% of the total outstanding amount of the stocks or bonds of the issuing entity);
- c. a company, corporation, or any other contracting entity which employs an individual who is, or within the past six months has been, an employee or official of the State of Tennessee in a position that would allow the direct or indirect use or disclosure of information, which was obtained through or in connection with his or her employment and not made available to the general public, for the purpose of furthering the private interest or personal profit of any person; or,
- d. any individual, company, or other entity involved in assisting the State in the development, formulation, or drafting of this RFP or its scope of services (such person or entity being deemed by the State as having information that would afford an unfair advantage over other Proposers).

For the purposes of applying the requirements of this RFP subsection 3.3.8., the State will deem an individual to be an employee or official of the State of Tennessee until such time as all compensation for salary, termination pay, and annual leave has been paid.

3.4. **Proposal Errors & Revisions**

A Proposer is liable for any and all proposal errors or omissions. A Proposer will not be allowed to alter or revise proposal documents after the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events unless such is formally requested, in writing, by the State.

3.5. **Proposal Withdrawal**

A Proposer may withdraw a submitted proposal at any time before the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events by submitting a written request signed by an authorized Proposer representative. After withdrawing a proposal, a Proposer may submit another proposal at any time before the Proposal Deadline.

3.6. **Proposal of Additional Services**

If a proposal offers services in addition to those required by and described in this RFP, the State, at its sole discretion, may add such services to the contract awarded as a result of this RFP. Notwithstanding the foregoing, a Proposer must not propose any additional cost amount(s) or rate(s) for additional services. Regardless of any additional services offered in a proposal, the Proposer's Cost Proposal must only record the proposed cost as required in this RFP and must not record any other rates, amounts, or information.

NOTICE: If a Proposer fails to submit a Cost Proposal exactly as required, the State will deem the proposal non-responsive and reject it.

3.7. **Proposal Preparation Costs**

The State will not pay any costs associated with the preparation, submittal, or presentation of any proposal.

4. GENERAL CONTRACTING INFORMATION & REQUIREMENTS

4.1. RFP Amendment

The State reserves the right to amend this RFP at any time, provided that it is amended in writing. However, prior to any such amendment, the State will consider whether it would negatively impact the ability of potential proposers to meet the proposal deadline and revise the RFP Schedule of Events if deemed appropriate. If an RFP amendment is issued, the State will convey it to potential proposers who submitted a Notice of Intent to Propose (refer to RFP Section 1.7). A proposal must respond, as required, to the final RFP (including its attachments) as may be amended.

4.2. RFP Cancellation

The State reserves the right, at its sole discretion, to cancel or to cancel and reissue this RFP in accordance with applicable laws and regulations.

4.3. State Right of Rejection

4.3.1. Subject to applicable laws and regulations, the State reserves the right to reject, at its sole discretion, any and all proposals.

4.3.2. The State may deem as non-responsive and reject any proposal that does not comply with all terms, conditions, and performance requirements of this RFP. Notwithstanding the foregoing, the State reserves the right to waive, at its sole discretion, a proposal's minor variances from full compliance with this RFP. If the State waives variances in a proposal, such waiver shall not modify the RFP requirements or excuse the Proposer from full compliance with such, and the State may hold any resulting Contractor to strict compliance with this RFP.

4.4. Assignment & Subcontracting

4.4.1. The Contractor may not subcontract, transfer, or assign any portion of the Contract awarded as a result of this RFP without prior approval of the State. The State reserves the right to refuse approval, at its sole discretion, of any subcontract, transfer, or assignment.

4.4.2. If a Proposer intends to use subcontractors, the proposal in response to this RFP must specifically identify the scope and portions of the work each subcontractor will perform (refer to RFP Attachment 6.2., Section B, General Qualifications & Experience Item B.14.).

4.4.3. Subcontractors identified within a proposal in response to this RFP will be deemed as approved by the State unless the State expressly disapproves one or more of the proposed subcontractors prior to signing the Contract.

4.4.4. The Contractor resulting from this RFP may only substitute another subcontractor for a proposed subcontractor at the discretion of the State and with the State's prior, written approval.

4.4.5. Notwithstanding any State approval relating to subcontracts, the Contractor resulting from this RFP will be the prime contractor and will be responsible for all work under the Contract.

4.5. Right to Refuse Personnel

The State reserves the right to refuse, at its sole discretion and notwithstanding any prior approval, any personnel of the prime contractor or a subcontractor providing service in the performance of a contract resulting from this RFP. The State will document in writing the reason(s) for any rejection of personnel.

4.6. Insurance

At any time, the State may require the Contractor resulting from this RFP to provide a valid, Certificate of

Insurance indicating current insurance coverage meeting minimum requirements as may be specified by this RFP. A failure to provide said documentation will be considered a material breach and grounds for contract termination.

4.7. **Licensure**

- 4.7.1. All persons, agencies, firms, or other entities that provide legal or financial opinions, which a Proposer provides for consideration and evaluation by the State as a part of a proposal in response to this RFP, shall be properly licensed to render such opinions.
- 4.7.2. Before the Contract resulting from this RFP is signed, the apparent successful Proposer (and Proposer employees and subcontractors, as applicable) must hold all necessary, appropriate business and professional licenses to provide service as required. The State may require any Proposer to submit evidence of proper licensure.

4.8. **Disclosure of Proposal Contents**

- 4.8.1. Each proposal and all materials submitted to the State in response to this RFP become the property of the State of Tennessee. Selection or rejection of a proposal does not affect this right. By submitting a proposal, a Proposer acknowledges and accepts that the full proposal contents and associated documents will become open to public inspection in accordance with the laws of the State of Tennessee.
- 4.8.2. The State will hold all proposal information, including both technical and cost information, in confidence during the evaluation process. Notwithstanding the foregoing, a list of actual Proposers submitting timely proposals may be available to the public, upon request, after technical proposals are opened.
- 4.8.3. Upon completion of proposal evaluations, indicated by public release of an Evaluation Notice, the proposals and associated materials will be open for review by the public in accordance with *Tennessee Code Annotated*, Section 10-7-504(a)(7).

4.9. **Contract Approval and Contract Payments**

- 4.9.1. This RFP and its contractor selection processes do not obligate the State and do not create rights, interests, or claims of entitlement in either the Proposer with the apparent best-evaluated proposal or any other Proposer. State obligations pursuant to a contract award shall commence only after the contract is signed by the State agency head and the Contractor and after the Contract is approved by all other state officials as required by applicable laws and regulations.
- 4.9.2. No payment will be obligated or made until the relevant Contract is approved as required by applicable statutes and rules of the State of Tennessee.
 - 4.9.2.1. The State shall not be liable for payment of any type associated with the Contract resulting from this RFP (or any amendment thereof) or responsible for any work done by the Contractor, even work done in good faith and even if the Contractor is orally directed to proceed with the delivery of services, if it occurs before the Contract start date or after the Contract end date.
 - 4.9.2.2. All payments relating to this procurement will be made in accordance with the Payment Terms and Conditions of the Contract resulting from this RFP (refer to RFP Attachment 6.6., *Pro Forma* Contract, Section C).
 - 4.9.2.3. If any provision of the Contract provides direct funding or reimbursement for the competitive purchase of services or items to be delivered to the State as a component of contract performance or otherwise provides for the reimbursement of specified, actual costs, the State will employ all reasonable means and will require all such documentation

that it deems necessary to ensure that such purchases were competitive and costs were reasonable, necessary, and actual. The Contractor shall provide reasonable assistance and access related to such review. Further, the State shall not remit, as funding or reimbursement pursuant such provisions, any amount(s) which it determines did not result from a reasonably competitive purchase or do not represent reasonable, necessary, and actual costs.

4.10. Contractor Performance

The Contractor resulting from this RFP will be responsible for the completion of all service set out in this RFP (including attachments) as may be amended. All service is subject to inspection and evaluation by the State. The State will employ all reasonable means to ensure that service is progressing and being performed in compliance with the Contract, and the Contractor must cooperate with such efforts.

4.11. Contract Amendment

During the course of a Contract pursuant to this RFP, the State may request the Contractor to perform additional work within the general scope of the Contract and this RFP, but beyond the specified scope of service, and for which the Contractor may be compensated. In such instances, the State will provide the Contractor a written description of the additional work. The Contractor must respond to the State with a time schedule for accomplishing the additional work and a price for the additional work based on the rates included in the Contractor's proposal to this RFP. If the State and the Contractor reach an agreement regarding the work and associated compensation, such agreement must be effected by means of a Contract Amendment. Further, any such amendment requiring additional work must be signed by both the State agency head and the Contractor and must be approved by other state officials as required by applicable statutes and rules of the State of Tennessee. The Contractor must not commence additional work until the State has issued a written Contract Amendment with all required approvals.

4.12. Severability

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, said decision will not affect the validity of the remaining RFP terms and provisions, and the rights and obligations of the State and Proposers will be construed and enforced as if the RFP did not contain the particular provision held to be invalid.

5. PROPOSAL EVALUATION & CONTRACT AWARD

5.1. Evaluation Categories & Maximum Points

The State will consider qualifications, experience, technical approach, and cost in the evaluation of proposals and award points in each of the categories detailed below (up to the maximum evaluation points indicated) to each apparently responsive proposal.

EVALUATION CATEGORY	MAXIMUM POINTS POSSIBLE
General Qualifications & Experience (refer to RFP Attachment 6.2., Section B)	30
Technical Qualifications, Experience & Approach (refer to RFP Attachment 6.2., Section C)	30
Cost Proposal (refer to RFP Attachment 6.3.)	40

5.2. Evaluation Process

The proposal evaluation process is designed to award the contract resulting from this RFP not necessarily to the Proposer offering the lowest cost, but rather to the responsive and responsible Proposer offering the best combination of attributes based upon the evaluation criteria. (“Responsive Proposer” is defined as a Proposer that has submitted a proposal that conforms in all material respects to the RFP. “Responsible Proposer” is defined as a Proposer that has the capacity in all respects to perform fully the contract requirements, and the integrity and reliability which will assure good faith performance.)

5.2.1. **Technical Proposal Evaluation.** The RFP Coordinator and the Proposal Evaluation Team (consisting of three or more State employees) will use the RFP Attachment 6.2., Technical Proposal & Evaluation Guide to manage the Technical Proposal Evaluation and maintain evaluation records.

5.2.1.1. The State reserves the right, at its sole discretion, to request Proposer clarification of a Technical Proposal or to conduct clarification discussions with any or all Proposers. Any such clarification or discussion will be limited to specific sections of the proposal identified by the State. The subject Proposer must put any resulting clarification in writing as may be required and in accordance with any deadline imposed by the State.

5.2.1.2. The RFP Coordinator will review each Technical Proposal to determine compliance with RFP Attachment 6.2., Technical Proposal & Evaluation Guide, Section A—Mandatory Requirements. If the RFP Coordinator determines that a proposal may have failed to meet one or more of the mandatory requirements, the Proposal Evaluation Team will review the proposal and document the team’s determination of whether:

- a. the proposal adequately meets requirements for further evaluation;
- b. the State will request clarifications or corrections; or,
- c. the State will determine the proposal non-responsive to the RFP and reject it.

5.2.1.3. Proposal Evaluation Team members will independently evaluate each Technical Proposal (that appears responsive to the RFP) against the evaluation criteria in this RFP, rather than against other proposals and will score each in accordance with the RFP Attachment 6.2., Technical Proposal & Evaluation Guide, Section B and Section C.

5.2.1.4. For each proposal evaluated, the RFP Coordinator will calculate the average of the Proposal Evaluation Team member scores for RFP Attachment 6.2., Technical Proposal

& Evaluation Guide, Section B and for Section C, and record each average as the proposal score for the respective Technical Proposal section.

5.2.1.5. Before Cost Proposals are opened, the Proposal Evaluation Team will review the Technical Proposal Evaluation record and any other available information pertinent to whether or not each Proposer is responsive and responsible. If the Proposal Evaluation Team identifies any Proposer that appears not to meet the responsive and responsible thresholds such that the team would not recommend the Proposer for Cost Proposal Evaluation and potential contract award, the team members will fully document the determination.

5.2.2. **Cost Proposal Evaluation.** The RFP Coordinator will open for evaluation the Cost Proposal of each apparently responsive and responsible Proposer that the Proposal Evaluation Team has effectively recommended for potential contract award and will calculate and record each Cost Proposal score in accordance with the RFP Attachment 6.3., Cost Proposal & Scoring Guide.

5.2.3. **Total Proposal Score.** The RFP Coordinator will calculate the sum of the Technical Proposal section scores and the Cost Proposal score and record the resulting number as the total score for the subject Proposal (refer to RFP Attachment 6.5., Proposal Score Summary Matrix).

5.3. **Contract Award Process**

5.3.1 The RFP Coordinator will submit the Proposal Evaluation Team determinations and proposal scores to the head of the procuring agency for consideration along with any other relevant information that might be available and pertinent to contract award.

5.3.2. The procuring agency head will determine the apparent best-evaluated proposal. (To effect a contract award to a Proposer other than the one receiving the highest evaluation process score, the head of the procuring agency must provide written justification and obtain the written approval of the Commissioner of Finance and Administration and the Comptroller of the Treasury.)

5.3.3. The State reserves the right to make an award without further discussion of any proposal.

5.3.4. The State will issue an Evaluation Notice identifying the apparent best-evaluated proposal and make the RFP files available for public inspection at the time and date specified in the RFP Section 2, Schedule of Events.

NOTICE: The Evaluation Notice shall not create rights, interests, or claims of entitlement in either the Proposer with apparent best-evaluated proposal or any other Proposer.

5.3.5. The Proposer identified as offering the apparent best-evaluated proposal must sign a contract drawn by the State pursuant to this RFP. The contract shall be substantially the same as the RFP Attachment 6.6., *Pro Forma* Contract. The Proposer must sign said contract no later than the Contract Signature by Contractor Deadline detailed in the RFP Section 2, Schedule of Events. If the Proposer fails to provide the signed contract by the deadline, the State may determine that the Proposer is non-responsive to this RFP and reject the proposal.

5.3.6. Notwithstanding the foregoing, the State may, at its sole discretion, entertain limited negotiation prior to contract signing and, as a result, revise the *pro forma* contract terms and conditions or performance requirements in the State's best interests, PROVIDED THAT such revision of terms and conditions or performance requirements shall NOT materially affect the basis of proposal evaluations or negatively impact the competitive nature of the RFP and contractor selection process.

5.3.7. If the State determines that a proposal is non-responsive and rejects it after opening Cost Proposals, the RFP Coordinator will re-calculate scores for each remaining responsive Cost Proposal to determine (or re-determine) the apparent best-evaluated proposal.

RFP ATTACHMENT 6.1.**RFP # 34440-00123 PROPOSAL STATEMENT OF CERTIFICATIONS AND ASSURANCES**

The Proposer must sign and complete the Proposal Statement of Certifications and Assurances below as required, and it must be included in the Technical Proposal (as required by RFP Attachment 6.2., Technical Proposal & Evaluation Guide, Section A, Item A.1.).

The Proposer does, hereby, expressly affirm, declare, confirm, certify, and assure ALL of the following:

2. The Proposer will provide all services as defined in the Scope of Services of the RFP Attachment 6.6., *Pro Forma* Contract for the total contract period.
3. The Proposer accepts and agrees to all terms and conditions set out in the RFP Attachment 6.6., *Pro Forma* Contract.
4. The Proposer acknowledges and agrees that a contract resulting from the RFP shall incorporate, by reference, all proposal responses as a part of the contract.
5. The Proposer will comply with:
 - (a) the laws of the State of Tennessee;
 - (b) Title VI of the federal Civil Rights Act of 1964;
 - (c) Title IX of the federal Education Amendments Act of 1972;
 - (d) the Equal Employment Opportunity Act and the regulations issued there under by the federal government; and,
 - (e) the Americans with Disabilities Act of 1990 and the regulations issued there under by the federal government.
6. To the knowledge of the undersigned, the information detailed within the proposal submitted in response to the RFP is accurate.

The taxpayer identification number contained in the Substitute W-9 submitted to the State shall agree to the Federal Employer Identification Number or Social Security Number referenced in this Contract for the Contractor. The Contractor shall not invoice the State for services until the State has received this completed form.

- C.6. Payment of Invoice. The payment of the invoice by the State shall not prejudice the State's right to object to or question any invoice or matter in relation thereto. Such payment by the State shall neither be construed as acceptance of any part of the work or service provided nor as an approval of any of the amounts invoiced therein.
- C.7. Invoice Reductions. The Contractor's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the State, on the basis of audits conducted in accordance with the terms of this Contract, not to constitute proper remuneration for compensable services.
- C.8. Deductions. The State reserves the right to deduct from amounts which are or shall become due and payable to the Contractor under this or any Contract between the Contractor and the State of Tennessee any amounts which are or shall become due and payable to the State of Tennessee by the Contractor.

Once this form has been completed and submitted to the State by the Contractor all payments to the Contractor, under this or any other Contract the Contractor has with the State of Tennessee shall be made by Automated Clearing House (ACH). The Contractor shall not invoice the State for services until the Contractor has completed this form and submitted it to the State.

D. STANDARD TERMS AND CONDITIONS:

- D.1. Required Approvals. The State is not bound by this Contract until it is approved by the appropriate State officials in accordance with applicable Tennessee State laws and regulations.

- D.2. Modification and Amendment. This Contract may be modified only by a written amendment executed by all parties hereto and approved by the appropriate Tennessee State officials in accordance with applicable Tennessee State laws and regulations.
- D.3. Termination for Convenience. The State may terminate this Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the State. The State shall give the Contractor at least thirty (30) days written notice before the effective termination date. The Contractor shall be entitled to receive compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the State be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. Termination for Cause. If the Contractor fails to properly perform its obligations under this Contract in a timely or proper manner, or if the Contractor violates any terms of this Contract, the State shall have the right to immediately terminate the Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Contract by the Contractor.
- D.5. Subcontracting. The Contractor shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, they shall contain, at a minimum, sections of this Contract below pertaining to "Conflicts of Interest," "Nondiscrimination," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Contractor shall be the prime contractor and shall be responsible for all work performed.

- D.7. Nondiscrimination. The Contractor hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the Contractor on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Contractor shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.8. Prohibition of Illegal Immigrants. The requirements of Public Acts of 2006, Chapter Number 878, of the state of Tennessee, addressing the use of illegal immigrants in the performance of any Contract to supply goods or services to the state of Tennessee, shall be a material provision of this Contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Contract.
- a. The Contractor hereby attests, certifies, warrants, and assures that the Contractor shall not knowingly utilize the services of an illegal immigrant in the performance of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this Contract. The Contractor shall reaffirm this attestation, in writing, by submitting to the State a completed and signed copy of the document at Attachment 1, hereto, semi-annually during the period of this Contract. Such attestations shall be maintained by the Contractor and made available to state officials upon request.

- b. Prior to the use of any subcontractor in the performance of this Contract, and semi-annually thereafter, during the period of this Contract, the Contractor shall obtain and retain a current, written attestation that the subcontractor shall not knowingly utilize the services of an illegal immigrant to perform work relative to this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this Contract. Attestations obtained from such subcontractors shall be maintained by the Contractor and made available to state officials upon request.
 - c. The Contractor shall maintain records for all personnel used in the performance of this Contract. Said records shall be subject to review and random inspection at any reasonable time upon reasonable notice by the State.
 - d. The Contractor understands and agrees that failure to comply with this section will be subject to the sanctions of Public Chapter 878 of 2006 for acts or omissions occurring after its effective date. This law requires the Commissioner of Finance and Administration to prohibit a contractor from contracting with, or submitting an offer, proposal, or bid to contract with the State of Tennessee to supply goods or services for a period of one year after a contractor is discovered to have knowingly used the services of illegal immigrants during the performance of this Contract.
 - e. For purposes of this Contract, "illegal immigrant" shall be defined as any person who is not either a United States citizen, a Lawful Permanent Resident, or a person whose physical presence in the United States is authorized or allowed by the federal Department of Homeland Security and who, under federal immigration laws and/or regulations, is authorized to be employed in the U.S. or is otherwise authorized to provide services under the Contract.
- D.9. Records. The Contractor shall maintain documentation for all charges under this Contract. The books, records, and documents of the Contractor, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the State, the Comptroller of the Treasury, or their duly appointed representatives. The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.10. Monitoring. The Contractor's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.11. Progress Reports. The Contractor shall submit brief, periodic, progress reports to the State as requested.
- D.12. Strict Performance. Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.13. Independent Contractor. The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Contract shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Contractor, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Contractor's employees, and to pay all applicable taxes incident to this Contract.

- D.14. State Liability. The State shall have no liability except as specifically provided in this Contract.
- D.15. Force Majeure. The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.16. State and Federal Compliance. The Contractor shall comply with all applicable State and Federal laws and regulations in the performance of this Contract.
- D.17. Governing Law. This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Contractor agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Contract. The Contractor acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising therefrom, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.18. Completeness. This Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.19. Severability. If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Contract are declared severable.
- D.20. Headings. Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Contract, these special terms and conditions shall control.
- E.2. Communications and Contacts. All instructions, notices, consents, demands, or other communications shall be considered effectively given upon receipt or recipient confirmation as may be required.

- E.3. Subject to Funds Availability. The Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Contract upon written notice to the Contractor. Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Contractor shall cease all work associated with the Contract. Should such an event occur, the Contractor shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Tennessee Consolidated Retirement System. The Contractor acknowledges and understands that, subject to statutory exceptions contained in *Tennessee Code Annotated*, Section 8-36-801, *et. seq.*, the law governing the Tennessee Consolidated Retirement System (TCRS), provides that if a retired member of TCRS, or of any superseded system administered by TCRS, or of any local retirement fund established pursuant to *Tennessee Code Annotated*, Title 8, Chapter 35, Part 3 accepts state employment, the member's retirement allowance is suspended during the period of the employment. Accordingly and notwithstanding any provision of this Contract to the contrary, the Contractor agrees that if it is later determined that the true nature of the working relationship between the Contractor and the State under this Contract is that of "employee/employer" and not that of an independent contractor, the Contractor may be required to repay to TCRS the amount of retirement benefits the Contractor received from TCRS during the period of this Contract.
- E.5. Voluntary Buyout Program. The Contractor acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
- a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest.
 - b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Contractor understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State contractor would not be appropriate, and in such cases the State may refuse Contractor

personnel. Inasmuch, it shall be the responsibility of the State to review Contractor personnel to identify any such issues.

- c. With reference to either subsection a. or b. above, a contractor may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at: www.state.tn.us/finance/rds/ocr/waiver.html. The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.

- E.6. Contractor Commitment to Diversity. The Contractor shall comply with and make reasonable business efforts to exceed the commitment to diversity represented by the Contractor's proposal responding to RFP-34440-00123 (Attachment 6.2., Section B, Item B.15.) and resulting in this Contract.

The Contractor shall assist the State in monitoring the Contractor's performance of this commitment by providing, as requested, a quarterly report of participation in the performance of this Contract by small business enterprises and businesses owned by minorities, women, and persons with a disability. Such reports shall be provided to the state of Tennessee Governor's Office of Business Diversity Enterprise in form and substance as required by said office.

- E.7. Hold Harmless. The Contractor agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims, liabilities, losses, and causes of action which may arise, accrue, or result to any person, firm, corporation, or other entity which may be injured or damaged as a result of acts, omissions, or negligence on the part of the Contractor, its employees, or any person acting for or on its or their behalf relating to this Contract. The Contractor further agrees it shall be liable for the reasonable cost of attorneys for the State in the event such service is necessitated to enforce the terms of this Contract or otherwise enforce the obligations of the Contractor to the State.

In the event of any such suit or claim, the Contractor shall give the State immediate notice thereof and shall provide all assistance required by the State in the State's defense. The State shall give the Contractor written notice of any such claim or suit, and the Contractor shall have full right and obligation to conduct the Contractor's own defense thereof. Nothing contained herein shall be deemed to accord to the Contractor, through its attorney(s), the right to represent the State of Tennessee in any legal matter, such rights being governed by *Tennessee Code Annotated*, Section 8-6-106.

- E.8. Breach. A party shall be deemed to have breached the Contract if any of the following occurs:

- failure to perform in accordance with any term or provision of the Contract;
- partial performance of any term or provision of the Contract;
- any act prohibited or restricted by the Contract, or
- violation of any warranty.

For purposes of this Contract, these items shall hereinafter be referred to as a "Breach."

- a. Contractor Breach— The State shall notify Contractor in writing of a Breach.
- (1) In event of a Breach by Contractor, the State shall have available the remedy of Actual Damages and any other remedy available at law or equity.
 - (2) Liquidated Damages— In the event of a Breach, the State may assess Liquidated Damages. The State shall notify the Contractor of amounts to be

assessed as Liquidated Damages. The parties agree that due to the complicated nature of the Contractor's obligations under this Contract it would be difficult to specifically designate a monetary amount for a Breach by Contractor as said amounts are likely to be uncertain and not easily proven. Contractor hereby represents and covenants it has carefully reviewed the Liquidated Damages contained in above referenced, Attachment 2 and agree that said amounts represent a reasonable relationship between the amount and what might reasonably be expected in the event of Breach, and are a reasonable estimate of the damages that would occur from a Breach. It is hereby agreed between the parties that the Liquidated Damages represent solely the damages and injuries sustained by the State in losing the benefit of the bargain with Contractor and do not include any injury or damage sustained by a third party. The Contractor agrees that the liquidated damage amount is in addition to any amounts Contractor may owe the State pursuant to the indemnity provision or other section of this Contract.

The State may continue to withhold the Liquidated Damages or a portion thereof until the Contractor cures the Breach, the State exercises its option to declare a Partial Default, or the State terminates the Contract. The State is not obligated to assess Liquidated Damages before availing itself of any other remedy. The State may choose to discontinue Liquidated Damages and avail itself of any other remedy available under this Contract or at law or equity; provided, however, Contractor shall receive a credit for said Liquidated Damages previously withheld except in the event of a Partial Default.

- (3) Partial Default— In the event of a Breach, the State may declare a Partial Default. In which case, the State shall provide the Contractor written notice of: (1) the date which Contractor shall terminate providing the service associated with the Breach; and (2) the date the State will begin to provide the service associated with the Breach. Notwithstanding the foregoing, the State may revise the time periods contained in the notice written to the Contractor.

In the event the State declares a Partial Default, the State may withhold, together with any other damages associated with the Breach, from the amounts due the Contractor the greater of: (1) amounts which would be paid the Contractor to provide the defaulted service; or (2) the cost to the State of providing the defaulted service, whether said service is provided by the State or a third party. To determine the amount the Contractor is being paid for any particular service, the Department shall be entitled to receive within five (5) days any requested material from Contractor. The State shall make the final and binding determination of said amount.

The State may assess Liquidated Damages against the Contractor for any failure to perform which ultimately results in a Partial Default with said Liquidated Damages to cease when said Partial Default is effective. Upon Partial Default, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount. Contractor agrees to cooperate fully with the State in the event a Partial Default is taken.

- (4) Contract Termination— In the event of a Breach, the State may terminate the Contract immediately or in stages. The Contractor shall be notified of the termination in writing by the State. Said notice shall hereinafter be referred to as Termination Notice. The Termination Notice may specify either that the termination is to be effective immediately, on a date certain in the future, or that the Contractor shall cease operations under this Contract in stages. In the event of a termination, the State may withhold any amounts which may be due

Contractor without waiver of any other remedy or damages available to the State at law or at equity. The Contractor shall be liable to the State for any and all damages incurred by the State and any and all expenses incurred by the State which exceed the amount the State would have paid Contractor under this Contract. Contractor agrees to cooperate with the State in the event of a Contract Termination or Partial Takeover.

- b. **State Breach**— In the event of a Breach of Contract by the State, the Contractor shall notify the State in writing within 30 days of any Breach of Contract by the State. Said notice shall contain a description of the Breach. Failure by the Contractor to provide said written notice shall operate as an absolute waiver by the Contractor of the State's Breach. In no event shall any Breach on the part of the State excuse the Contractor from full performance under this Contract. In the event of Breach by the State, the Contractor may avail itself of any remedy at law in the forum with appropriate jurisdiction; provided, however, failure by the Contractor to give the State written notice and opportunity to cure as described herein operates as a waiver of the State's Breach. Failure by the Contractor to file a claim before the appropriate forum in Tennessee with jurisdiction to hear such claim within one (1) year of the written notice of Breach shall operate as a waiver of said claim in its entirety. It is agreed by the parties this provision establishes a contractual period of limitations for any claim brought by the Contractor.

- E.9. **Confidentiality of Records.** Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Contractor by the State or acquired by the Contractor on behalf of the State shall be regarded as confidential information in accordance with the provisions of applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards. Such confidential information shall not be disclosed, and all necessary steps shall be taken by the Contractor to safeguard the confidentiality of such material or information in conformance with applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards.

The Contractor's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Contractor of this Contract; previously possessed by the Contractor without written obligations to the State to protect it; acquired by the Contractor without written restrictions against disclosure from a third party which, to the Contractor's knowledge, is free to disclose the information; independently developed by the Contractor without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure. Nothing in this paragraph shall permit Contractor to disclose any information that is confidential under federal or state law or regulations, regardless of whether it has been disclosed or made available to the Contractor due to intentional or negligent actions or inactions of agents of the State or third parties.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Contract.

- E.10. **HIPAA Compliance.** The State and Contractor shall comply with obligations under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its accompanying regulations.
- a. Contractor warrants to the State that it is familiar with the requirements of HIPAA and its accompanying regulations, and will comply with all applicable HIPAA requirements in the course of this Contract.
- b. Contractor warrants that it will cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by HIPAA and its regulations, in the course of performance of the Contract so that both parties will be in compliance with HIPAA.

- c. The State and the Contractor will sign documents, including but not limited to business associate agreements, as required by HIPAA and that are reasonably necessary to keep the State and Contractor in compliance with HIPAA. This provision shall not apply if information received by the State under this Contract is NOT "protected health information" as defined by HIPAA, or if HIPAA permits the State to receive such information without entering into a business associate agreement or signing another such document.

E.11. Incorporation of Additional Documents. Included in this Contract by reference are the following documents:

- a. The Contract document and its attachments
- b. All Clarifications and addenda made to the Contractor's Proposal
- c. The Request for Proposal and its associated amendments
- d. Technical Specifications provided to the Contractor
- e. The Contractor's Proposal

In the event of a discrepancy or ambiguity regarding the Contractor's duties, responsibilities, and performance under this Contract, these documents shall govern in order of precedence detailed above.

E.12. Prohibited Advertising. The Contractor shall not refer to this Contract or the Contractor's relationship with the State hereunder in commercial advertising in such a manner as to state or imply that the Contractor or the Contractor's services are endorsed. It is expressly understood and agreed that the obligations set forth in this section shall survive the termination of this Contract in perpetuity.

E.13. Debarment and Suspension. The Contractor certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
- b. have not within a three (3) year period preceding this Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
- d. have not within a three (3) year period preceding this Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Contractor shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified.
