INTRODUCTION

This is a supplement to the 2000 Census, providing current information to employers for preparing affirmative action plans. It contains 2005 annual average labor force information for the U.S., Tennessee, metropolitan statistical areas (2005 geographic definition), and counties (listed alphabetically). Demographic estimates of the labor force were derived by applying 2000 Census data (Tables P43 & P150A, B, D, & H) to 2005 annual average labor force estimates. For information regarding occupations of the employed, please refer to the Census Bureau's website, www.census.gov

The Census titles for the race/ethnic groups on the following pages are:

- White alone
- Black or African American alone
- Asian alone
- Hispanic or Latino (of any race)

The data for 'Other races' is produced by subtracting 'White alone', 'Black or African American alone', and 'Asian alone' from the total.

The preparation and submittal of affirmative action plans is required for many employers. For information regarding who must file such plans, and for samples of affirmative action forms/formats to be used, contact the U.S. Department of Labor, Office of Federal Contract Compliance Programs at (615) 781-5395, or go to their website, www.dol.gov/esa/ofccp/
