STATE OF TENNESSEE)

v.)

No. _____

_____)

**ORDER DIRECTING JUDICIAL HOSPITALIZATION AT
THE FORENSIC SERVICES PROGRAM
UNDER T.C.A. SECTION 33-7-303(c) and Title 33, Chapter 6, Part 5**

This cause was heard on _____ before the Honorable _____,
Judge of Division _____ of the _____ Court of _____ County,
upon petition of _____ and certificates of
_____ and _____ under Title 33, Chapter 6,
Part 5, of the Tennessee Code Annotated and T.C.A. § 33-7-303(c).

At the hearing, it appeared to the satisfaction of the Court that the defendant was examined by _____
and _____, who are certifying professionals under
T.C.A. Section 33-6-503 and who executed certificates which state that, in their opinion, the defendant is mentally ill
and, because of this illness, poses a substantial likelihood of serious harm and is in need of care and treatment in a
mental hospital; that the certificates were issued within three (3) days of the examination, that the certificates were
introduced; and that at least one (1) of the certifying professionals testified on his or her findings at the hearing, or
that defense counsel consented to the testimony of a certifying professional being given by deposition or affidavit,
pursuant to T.C.A. § 33-3-615.

As a result of the hearing, the Court finds by clear, unequivocal and convincing evidence that the defendant is
mentally ill and, because of this illness, poses a substantial likelihood of serious harm, and all available less drastic
alternatives to commitment to a mental hospital are unsuitable. The determination of substantial likelihood of serious
harm is based on the following standards:

1.
 - A. A person has threatened or attempted suicide or to inflict serious bodily harm on himself OR
 - B. The person has threatened or attempted homicide or other violent behavior, OR
 - C. The person has placed others in reasonable fear of violent behavior and serious physical harm to them, OR
 - D. The person is unable to avoid severe impairment or injury from specific risks, AND
2. There is a substantial likelihood that such harm will occur unless the person is placed under involuntary treatment.

The Court further finds:

1. The defendant is substantially likely to injure himself or others if he is not treated in a forensic services unit, and
2. Treatment in such a unit is in the defendant best interest.

Therefore, it is ORDERED:

1. The defendant is committed to the custody of the Commissioner of Mental Health at the Forensic Services Program for treatment, upon the availability of suitable accommodations.
2. The Court Clerk shall provide a copy of this order to the Forensic Services Program.
3. The Sheriff shall transport the defendant to the Forensic Services Program, only after verification that the Forensic Services Program has available, suitable accommodations.
4. That the defendant pay all or part of the costs and expenses for the evaluations and treatment, if the court finds the defendant financially able to pay.

5. If the defendant is charged with a misdemeanor, the cost of the evaluation and treatment under Chapter 7, Part 3 of this title will be a charge upon the funds of the county pursuant to T.C.A. § 33-7-304(a).
