

*****SPECIAL NOTICE UPDATE*****

The Department of Human Resources is **not currently accepting applications** (neither online nor paper applications) for any job classifications. We are in the process of converting to a new application system and are unable to process applications at this time. We do not yet have a specific date for the availability of the new application system. Please check back at a later time for updates on the implementation schedule for the new system. When the new application system is available, the Department of Human Resources will begin taking applications for only a limited number of Career Service job classifications.

Also, please note that when the new application system is implemented, **all applicants** must set up an online account in the new system and create a new application to be able to apply for any job postings listed on the website. The online application completed in the new system must include full and complete education and experience information regardless of whether or not you have previously supplied this information in an application to the Department of Human Resources.
