E. Important: If no history of distance for the reporting period is available, estimated distance should be shown with the abbreviation "EST" opposite the jurisdiction name. The estimated distance chart shall be used if estimated distance is not provided. You may estimate the distance anticipated for each member jurisdiction during the registration year. Documentation to support estimates is required to the satisfaction of Tennessee. The estimated distance chart is available at our office or at <http://www.state.tn.us/revenue/forms/commvehicle.htm>. If estimated distance is used for the same jurisdiction for the second registration year, the distance will be treated as "ADD ON DISTANCE" resulting in excess of 100% charge for registration fees.
