

**CHAPTER NO. 741**

**SENATE BILL NO. 3072**

**By Henry, Crowe**

**Substituted for: House Bill No. 3052**

**By Pinion**

AN ACT to amend Chapter 767 of the Public Acts of 2004, and to designate several segments of highways as the "Purple Heart Trail" in Tennessee.

WHEREAS, the members of this General Assembly, along with the citizens of Tennessee and of this nation, are intensely proud of those brave men and women who have served their country in times of armed conflict in defense of our liberty and ways of life; all Americans are eternally grateful for and appreciative of the sacrifices made by those citizen soldiers who have sometimes suffered injury or death at the hands of our foes; and

WHEREAS, General George Washington, commander of the Continental Army, conceiving a need for a military decoration, which would be available to the common soldier for outstanding valor and merit, instituted by General Orders of August 7, 1782, the Badge of Military Merit; it was designed as a heart made of purple cloth or silk edged with narrow lace or binding to be worn on the left breast; and

WHEREAS, General Washington's orders were lost or misfiled for almost 150 years until a search in preparation of the celebration of his bicentennial brought them to light again; on February 22, 1932, the War Department revived the Purple Heart decoration as a bronze metal heart, plated with gold and enameled with various colors, with a bust of Washington in the center, surmounted with the Washington coat-of-arms, suspended from a purple and white ribbon; and

WHEREAS, the Purple Heart is awarded to members of the Armed Forces of the United States who are wounded by an instrument of war in the hands of an enemy, and posthumously to the next of kin in the name of those who are killed in action or die of wounds received in action; Purple Hearts have been awarded for action in World War II, Korea, and Vietnam, and up to and including more recent conflicts at the end of the last century and the beginning of this century; and

WHEREAS, in its national convention, the delegates of the Military Order of the Purple Heart, Inc., the only congressionally chartered veterans organization exclusively for combat wounded, approved a resolution to promote the establishment of a symbolic Purple Heart Trail in each of the 50 states. The convention was inspired by the action of the George Washington Chapter #1732 of Fredricksburg/Spotsylvania, which in 1992 erected a marker for the start of a Purple Heart Trail at Mt. Vernon and, in 1996 and 1998, persuaded the General Assembly of the Commonwealth of Virginia to extend the trail to connect Mt. Vernon with Washington's birthplace, his boyhood home, and down I-95 and I-64 to General Douglas McArthur's tomb in Norfolk; and

WHEREAS, the Military Order of the Purple Heart, Department of Tennessee's Purple Heart Trail Committee, has proposed that this state join in commemorating the sacrifices of

those Tennesseans and other Americans who have suffered wounds or death at the hands of our enemies during wartime combat; and

WHEREAS, throughout the years, Tennesseans have been inspired by those who have earned the Purple Heart to renewed confidence, loyalty, and support for the U.S. Armed Forces; their combat wounds remind us of their great valor and unshaken commitment to the preservation of this nation, its liberty, and its way of life; and

WHEREAS, the members of this General Assembly are profoundly appreciative of the selfless sacrifice made by countless sons and daughters of Tennessee who have served their nation in the United States Armed Forces, especially those who have received combat wounds, some of which resulted in death, who were awarded Purple Hearts; and

WHEREAS, this General Assembly most heartily concurs with the excellent proposal of the Military Order of the Purple Heart, Department of Tennessee; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:
