Item 10. Other provisions of the law to the contrary notwithstanding, any proceeds from the sale of surplus land and real property in Davidson County are hereby reappropriated to the Department of Finance and Administration to provide for the state's office space and support facilities requirements in Davidson County.

This appropriation is made notwithstanding the provisions of Section 20 of this act and the provisions of Tennessee Code Annotated, Title 54, Chapter 2, Part 2, to the contrary. Any reappropriation made pursuant to the provisions of this item is subject to the approval of the State Building Commission.

Item 11. The appropriation in Section 1, Title III-7, to the Department of Correction, Sentencing Act of 1985, is made pursuant to TCA, Section 9-4-210.

(a) The appropriation reflects a base appropriation reduction of \$1,333,300, which recognizes the increased recurring operating costs at the expanded Morgan County Correctional Complex in fiscal year 2009-2010.

(b) The appropriation in the amount of \$29,775,000 is hereby reappropriated to the department for major maintenance and capital outlay purposes.

(c) From any remaining reserve fund balance carried forward at June 30, 2009, there is hereby appropriated a sum sufficient to the department for major maintenance and capital outlay purposes.

(d) Other appropriations made under this act to the Department of Correction, Sentencing Act of 1985, are hereby reappropriated to the department for major maintenance and capital outlay purposes.

(e) On or before October 1, 2009, the Commissioner of Finance and Administration shall submit a detailed financial report to the Chairs of the Finance, Ways and Means Committees of the Senate and House of Representatives and to the Chair of the Corrections Oversight Committee concerning all activities of the "Sentencing Act of 1985 reserve account (established and maintained pursuant to TCA, § 9-4-210)" during fiscal year 2008-2009. The report shall indicate the account balance on July 1, 2008, and shall itemize all funds deposited into the reserve account as well as all funds allocated from the reserve account. For each such allocation from the reserve account, the report shall describe the purpose, amount and location of the allocation as well as any other information deemed to be informative by the Commissioner.

Item 12. From the appropriation made in Section 1, Title III-3, Item 4, to the Department of Agriculture, Forestry Operations, the sum of \$3,457,100 is intended to fund the replacement of bulldozers and associated equipment and to

provide for debt service on equipment revolving fund bonds. Any unexpended funds for this purpose may be transferred to the State Funding Board and the board is directed to cancel bonds in said amount.

Item 13. The appropriation made in Section 1, Title III-2, Item 3.9 in the amount of \$13,000,000 is intended to provide for debt service on ten-year general obligation bonds in the amount of \$81,300,000 authorized by Chapter 962, Public Acts of 2006, to provide funds for the acquisition and implementation of enterprise resource planning software. Any unexpended funds for this purpose shall be transferred to the State Funding Board and the board is directed to cancel bonds in said amount.

SECTION 3.

Item 1. Appropriations made under Section 1, Titles III-11 and III-16, for the operation of the state regulatory boards, shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any said boards out of fees collected by them unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of said respective boards as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The allotment hereinabove provided shall be subject to the condition that no money shall be paid therefrom for the salary of any employee of said boards unless and until such salary has been approved by the Commissioner of Personnel. The appointment of all employees of said boards shall likewise be approved by the Commissioner of Personnel.

Notwithstanding any provision of law to the contrary, no member of any board or commission established by law or pursuant to law, which receives an appropriation under this act, regardless of the source of funding, shall receive any compensation, whether denominated per diem or by whatever name called, except for days in which such member actually works four (4) or more hours performing duties directly relating to that board's or commission's activities, or for time or days spent attending meetings of that board or commission. The chairman or head of each board or commission, the department head to which such board or commission is attached administratively, and the Commissioner of Finance and Administration, shall prescribe procedures to contain, as a minimum, a certification of time worked by each member claiming compensation.

Item 2. Except as otherwise provided in this section, the appropriations to the Wildlife Resources Agency under Section 1, Title III-6, shall be paid out of the special fund established under Tennessee Code Annotated, Title 70, Chapter 1, Part 4 and Section 69-9-203. Such appropriations shall be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, and shall be used only for the expenses of the Wildlife Resources Agency pursuant to Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, and no part of the unexpended fund left at the end of the fiscal year shall be used for any other purpose but shall be carried over in said

fund and may be expended during the next year, and all of said fees and revenues provided by Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, are herein specifically apportioned and appropriated to the use and for the benefit of the Wildlife Resources Agency to be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51. Nothing in this item shall be construed as relieving the Wildlife Resources Agency of the duty of policing littering of lakes and streams.

Item 3. The appropriation to the State Board of Law Examiners in Section 1, Title II, Item 13, shall be from funds generated by fees collected by the board under the provisions of Tennessee Code Annotated, Title 23, Chapter 1.

In case the appropriation to the board shall prove inadequate to allow the board to function efficiently, the Commissioner of Finance and Administration may make an additional allotment thereto from the general fund, the total of all allotments to the board not to exceed the revenues paid into the treasury by the board.

Item 4. The appropriation to the Department of Financial Institutions in Section 1, Title III-12, shall be derived from banking fees assessed pursuant to Tennessee Code Annotated, Title 45, Chapter 1, Part 1. No part of the unexpended fees left at the end of the fiscal year shall revert to the general fund.

DEPARTMENTAL REVENUES

SECTION 4. All departmental revenues of every kind, as hereinafter defined, collected by any department, institution, office, or agency, in the course of its operations, for its own use, are hereby appropriated to it in addition to the specific appropriations made by this act, unless otherwise provided in this act or other provision of law. Federal aid funds granted to the state for the use of or to be administered by any department, institution, or agency, are likewise appropriated. For the purpose of this section "departmental revenues" are defined as (1) earnings or charges for goods or services; (2) donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons. State revenues, in contradistinction to departmental revenues, are the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by law.

Notwithstanding any provision of the previous paragraph, the Department of Health shall deposit all funds generated by fees or taxes collected by such entity in the general fund of the state. Any appropriations for the operation of such entity shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any such entity out of fees or taxes collected by it, unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of such entity as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The departmental revenues and federal aid funds appropriated under this act shall include the amounts hereinafter set out:

Provided, however, that all expenditures of any community development block grant funds in addition to those appropriated and enumerated in this section shall be subject to the following limitations and restrictions:

The Housing and Community Development Act of 1981 made it possible for states to assume administration of the small cities Community Development Block Grant (CDBG) previously administered by the U.S. Department of Housing and Urban Development (HUD). In Tennessee, the CDBG Program shall be administered by the Department of Economic and Community Development (ECD).

There shall be appropriated by the General Assembly to ECD such funds as may be allocated to Tennessee by the federal government for the CDBG Program. The state-administered CDBG Program shall be developed within the parameters of the CDBG

legislation, applicable federal regulations, and consultation with citizens and elected officials in Tennessee.

The CDBG goals shall be three-fold: (1) target on areas of economic distress, (2) stimulate the growth of jobs and income in these areas, and (3) maximize the number of grantees. Additionally, all CDBG projects must meet one of the three national objectives of (1) principally benefiting persons of low and moderate income, (2) elimination or prevention of slums and blight, or (3) elimination of conditions detrimental to health, safety or public welfare. ECD shall be authorized to make grants and/or loans of CDBG monies to eligible city and county governments in Tennessee to achieve these goals. Loan payments and interest shall be reserved for reappropriation and shall not revert to the general fund balance at year end.

Eligible applicants shall be all city and county governments in Tennessee except those cities of and counties designated by HUD as CDBG entitlement areas. Cities excluded from the state-administered CDBG Program include Memphis and Shelby County, Nashville (Davidson County), Chattanooga, Knoxville and Knox County, Clarksville, Bristol, Johnson City, Oak Ridge, Murfreesboro, Kingsport and Jackson. These cities and counties will receive their CDBG funds directly from HUD.

Based upon anticipated CDBG allocations of \$26,737,000 in fiscal year 2009 and of \$26,154,100 in fiscal year 2010, the following target funding levels shall be established:

	<u>FY '09</u>	<u>FY '10</u>
Administrative Costs.....	\$ 634,700	\$ 623,100
Industrial Location/	10,191,500	9,969,300
Expansions/ Retentions		
Community Livability	1,506,100	1,471,000
Water/Sewer/Solid Waste	11,471,800	11,221,700
Housing and Neighborhood Revitalization	1,932,900	1,890,800
Set-Aside	1,000,000	978,200

A fifty percent (50%) reduction in any category will be permitted to facilitate proper program management and allow administrative flexibility. The funds so reduced shall be allocated to other categories with priority given to water/sewer/solid waste projects.

Selection criteria for project approvals shall be uniform within categories, objective and quantitative, and shall be based on project need, project feasibility, project impact, community need, and, for community livability projects, essentialness.

Project application materials will be supplemented, as appropriate, by site visits and by informed opinions of state agencies knowledgeable about particular projects.

The level of CDBG assistance for individual projects shall be determined by the following factors: (1) the percent of project beneficiaries that have family incomes below the low and moderate income (LMI) levels, (2) a maximum grant and/or loan of

\$750,000.00 for individual projects (\$300,000.00 for community livability projects), (3) a maximum grant and/or loan to any applicant of \$750,000.00 in two successive years, and (4) the grantee's ability-to-pay. Higher grant levels (up to \$1,000,000.00) may be approved for regional projects.

If modifications in the expenditure plan for the CDBG Program are required, said modifications shall be accomplished in the following manner: (1) if the General Assembly is in session such modifications shall be approved by the General Assembly, or (2) if the General Assembly is not in session, the Governor may, (a) submit such modifications to the State Funding Board for approval or, (b) call a special session of the General Assembly for approval.

The American Recovery and Reinvestment Act of 2009, U.S. Public Law 111-5, authorizes additional funding for federal block grant programs in fiscal years 2008-2009 and 2009-2010. It is the legislative intent to appropriate the proceeds, as assumed by the State of Tennessee, in the following manner:

1. Child Care Development Funds block grants in the amounts of \$5,000,000 in fiscal year 2008-2009 and \$36,932,000 in fiscal year 2009-2010 to the Department of Human Services.

2. Community Services block grants in the amounts of \$3,283,200 in fiscal year 2008-2009 and \$16,415,800 in fiscal year 2009-2010 to the Department of Human Services.
