## Memo

**To:** All TennCare Providers  
**From:** Bureau of TennCare  
**Date:** August 18, 2006  
**Re:** Zoloft<sup>®</sup> and sertraline PDL Update

**Effective August 24, 2006**, brand name Zoloft<sup>®</sup> will become preferred on the TennCare PDL and the new generic formulation of Zoloft<sup>®</sup>, sertraline, will become non-preferred. With this change, brand name Zoloft<sup>®</sup> will be listed as preferred on the PDL and count as a generic medication towards the prescription limit and co-pays.

The updated PDL can be downloaded at the TennCare/First Health website at [www.firsthealth.com](http://www.firsthealth.com).

Thank you for your participation in the TennCare program and your commitment to assist your patients as we implement the reforms necessary to bring program costs in line with available funding.

**Please forward or copy the information in this notice to all providers who may be affected by these processing changes.**
