Re: TennCare Eligibility Notices

TennCare recently received approval to re-verify the eligibility status of approximately 154,000 enrollees in the Daniels class. The Daniels class refers to enrollees who once received Supplemental Security Income (SSI) but no longer do. On May 1, 2009, TennCare began sending out requests for information (RFIs) to enrollees in the Daniels class in order to obtain information needed to re-verify eligibility for these individuals. Enrollees identified as no longer being eligible for TennCare will be disenrolled.

As a pharmacy provider, you may begin seeing claims reject at point-of-sale (POS) for individuals previously eligible for TennCare. These claims will reject with a message regarding the patient's eligibility status. If this occurs, please provide the patient with a copy of the attached TennCare Eligibility Notice. This notice will direct the enrollee in how to contact the appropriate department(s) to reverify their eligibility status. Additional copies of this form may be found at the State of Tennessee website at:

<p>Thank you for your valued participation in the TennCare program and please forward or copy the information in this notice to all providers who may be affected by this requirement.</p>
