Independent Auditor's Report

December 10, 1999

The Honorable John G. Morgan  
Comptroller of the Treasury  
State Capitol  
Nashville, Tennessee 37243

Dear Mr. Morgan:

We have audited the accompanying general-purpose financial statements of the State of Tennessee as of and for the year ended June 30, 1999, as listed in the table of contents. These general-purpose financial statements are the responsibility of the State of Tennessee's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the State of Tennessee as of June 30, 1999, and the results of its operations and cash flows of its proprietary and nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

As discussed in Note 2C to the general-purpose financial statements, the State of Tennessee implemented GASB Statement No. 32, *Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*.

Our audit was conducted for the purpose of forming an opinion on the general-purpose financial statements, taken as a whole. The combining and individual fund and account group financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the State of Tennessee. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements, and, in our opinion, is fairly stated in all material respects in relation to the general-purpose financial statements taken as a whole.

The statistical and economic data, listed in the table of contents, were not audited by us, and accordingly, we do not express an opinion thereon.

In accordance with *Government Auditing Standards*, we will issue our report dated December 10, 1999, on our consideration of the State of Tennessee's internal control over financial reporting and on our tests of its compliance with laws, regulations, contracts and grants in the *Tennessee Single Audit Report*.

Sincerely,

  
Arthur A. Hayes, Jr., CPA, Director  
Division of State Audit
