## 1. INTRODUCTION

---

The State of Tennessee, **Department of Correction**, hereinafter referred to as “the State,” has issued this Request for Proposals (RFP) to define minimum contract requirements; solicit responses; detail response requirements; and, outline the State’s process for evaluating responses and selecting a contractor to provide the needed goods or services.

Through this RFP, the State seeks to procure necessary goods or services at the most favorable, competitive prices and to give ALL qualified businesses, including those that are owned by minorities, women, Tennessee service-disabled veterans, and small business enterprises, an opportunity to do business with the state as contractors, subcontractors or suppliers.

### 1.1 Statement of Procurement Purpose

The State intends to secure a contract for correctional healthcare services as described in the pro forma contract, for prison facilities throughout the State of Tennessee. The location and current population for each of these facilities are provided in Attachment 6.8 and 6.9 of the RFP.

Services to be provided include but are not limited to primary care, hospitalization, emergency care, specialty care, chronic care, long term care, hospice/palliative care, dental, optometry/optical, ancillary, coordination of pharmacy services with the State Central Pharmacy Contractor, supplies, equipment, support services and select staffing including: physicians, select mid-levels, dentists, nurses, health administrators and all other support staff as designated in the Minimum Staffing Requirements of **Attachment Four** of the ProForma Contract.

Services also include designated staffing of the mental health units; staffing will be part of a multidisciplinary treatment program. Services include, but are not limited to, triage assessments, medication counseling, and provision administration of psychiatric medications prescribed by mental health providers, as described in the scope of services in the pro forma contract. Mental Health Services are otherwise excluded from this contract.

The Tennessee Department of Correction supervises more than 20,000 inmates and employs more than 6,000 employees. There are 14 prisons in the state system, four of which are managed privately by Core Civic, formerly known as Corrections Corporation of America (CCA). Female inmates are housed in three prisons, one in Nashville one in Henning, and the third in Pikeville. Male inmates are housed in 9 prisons located across the state. Male inmates in need of acute or continuing medical care are housed at the Lois M. DeBerry Special Needs Facility in Nashville or at any other facility designated by State. Female inmates with similar acute issues are housed at the Tennessee Prison for Women in Nashville and at West Tennessee State Prison in Henning, TN.

Tennessee is one of only a select few correctional jurisdictions in the United States to be fully accredited by the American Correctional Association (ACA). The State’s current operating capacity is 24,104 inmates (See <http://www.tn.gov/correction/article/State-bed-space-capacity-reports>). The State Facility Descriptions and Maps can be located at <http://www.tn.gov/correction/>. Following are the State managed facilities included in this agreement:

1. Lois M. DeBerry Special Needs Facility (DSNF) –operating at contract execution as a Non-Comprehensive Site
  2. Mark H. Luttrell Correctional Center (MLCC)
  3. Morgan County Correctional Complex (MCCX)
  4. Northeast Correctional Complex (NECX)
  5. Northwest Correctional Complex (NWCX)
  6. Riverbend Maximum Security Institution (RMSI)
  7. Bledsoe County Correctional Complex (BCCX)
- Site 1-Southeastern Tennessee State Regional Correctional Facility,

- and Site 2-Bledsoe County Facility
- 8. Tennessee Prison For Women (TPW)
- 9. Turney Center Industrial Complex (TCIX) Site 1-Hickman County, and Site 2-Wayne County
- 10. West Tennessee State Penitentiary (WTSP)

As stated earlier, the DSNF and TPW house the majority of long-term care, personal care, and acute mentally ill inmates within the State system. These facilities house many geriatric and physically challenged inmates, and provide skilled nursing services. Extensive rehabilitative services are also provided. In addition, the facilities house general population inmates who require routine medical services. Inmates throughout the State who require skilled nursing or advanced nursing care are considered for transfer to DSNF for males and TPW for females.

It is the intent of the State to require the Contractor to assume comprehensive health services responsibility and management of all health services at all institutions. The State reserves the right, however, to operate DeBerry as a non-comprehensive site depending upon the availability of State funding. The Contractor shall also staff all physicians, select mid-level providers, dentists and other selected staff at all the comprehensive sites, as outlined in the staffing plan. There are certain contractual obligations associated with the aforementioned privately managed prisons. These are more fully delineated in Section A.7.E of the ProForma Contract.

- 1.1.2. The total estimated expenditures for the current contract period of Sept. 1, 2013 to Aug. 31, 2016 are \$270,549,000.00.

## 1.2. **Scope of Service, Contract Period, & Required Terms and Conditions**

The RFP Attachment 6.6., *Pro Forma* Contract details the State's requirements:

- Scope of Services and Deliverables (Section A);
- Contract Period (Section B);
- Payment Terms (Section C);
- Standard Terms and Conditions (Section D); and,
- Special Terms and Conditions (Section E).

The *pro forma* contract substantially represents the contract document that the successful Respondent must sign.

## 1.3. **Nondiscrimination**

No person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of a Contract pursuant to this RFP or in the employment practices of the Contractor on the grounds of handicap or disability, age, race, creed, color, religion, sex, national origin, or any other classification protected by federal, Tennessee state constitutional, or statutory law. The Contractor pursuant to this RFP shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

#### 1.7. **Notice of Intent to Respond**

Before the Notice of Intent to Respond Deadline detailed in the RFP Section 2, Schedule of Events, prospective Respondents should submit to the Solicitation Coordinator a Notice of Intent to Respond (in the form of a simple e-mail or other written communication). Such notice should include the following information:

- the business or individual's name (as appropriate)
- a contact person's name and title
- the contact person's mailing address, telephone number, facsimile number, and e-mail address

**A Notice of Intent to Respond creates no obligation and is not a prerequisite for submitting a response, however, it is necessary to ensure receipt of any RFP amendments or other notices and communications relating to this RFP.**

#### 1.8. **Response Deadline**

A Respondent must ensure that the State receives a response no later than the response Deadline time and date detailed in the RFP Section 2, Schedule of Events. A response must respond, as required, to this RFP (including its attachments) as may be amended. The State will not accept late responses, and a Respondent's failure to submit a response before the deadline will result in disqualification of the response. It is the responsibility of the Respondent to ascertain any additional security requirements with respect to packaging and delivery to the State of Tennessee. Respondents should be mindful of any

potential delays due to security screening procedures, weather, or other filing delays whether foreseeable or unforeseeable.

#### 1.9. **Performance Bond**

The State shall require a performance bond upon approval of a contract pursuant to this RFP. **The amount of the performance bond shall be a sum equal to ten percent of the Maximum Liability (10%), and said amount shall not be reduced at any time during the period of the contract.**

The successful Respondent must obtain the required performance bond in form and substance acceptable to the State (refer to RFP Attachment 6.6., *Pro Forma* Contract, Attachment Two, Model Performance Bond) and provide it to the State no later than the performance bond deadline detailed in the RFP Section 2, Schedule of Events.

After contract award, the successful Respondent must meet this performance bond requirement by providing the State either:

- a. a performance bond that covers the entire Contract period including all options to extend the Contract, or
- b. a performance bond for the first, twelve (12) calendar months of the Contract in the amount detailed above, and, thereafter, a new or re-issued performance bond in the amount detailed above covering each subsequent twelve (12) calendar month period of the Contract. (In which case, the Contractor must provide the new (or re-issued) performance bonds to the State no later than thirty (30) days preceding each subsequent period of the Contract to be covered by the new (or re-issued) bond.)

The successful Respondent must make all necessary arrangements for the performance bond prior to the Contract start date and prior to any subsequent performance bond deadlines in the case of an annual performance bond. The Respondent is responsible for securing the services of any fidelity or guaranty underwriter.

The performance bond requirement set forth above is a material condition for the award of a contract or any renewal or extension of any contract that is awarded. The Respondent's/Contractor's failure to provide to the State a performance bond as required by RFP Section 2, Schedule of Events, shall entitle the State to exercise any and all rights it has in law or in equity. During the term of the Contract, the Respondent's/Contractor's failure to periodically provide to the State a new or re-issued performance bond, no later than thirty (30) days preceding each period of the Contract to be covered by the new or re-issued performance bond, shall entitle the State to exercise any and all rights it has in law or in equity.

Only the State's official, written responses and communications with Respondents are binding with regard to this RFP. Oral communications between a State official and one or more Respondents are unofficial and non-binding.

Personal Property. All persons entering the facility shall be subject to search. State law prohibits weapons, alcohol, drugs and illegal contraband on state property (including the parking areas). Tour participants shall leave all personal items in their vehicles, with the exception of vehicle keys and one form of photo ID (preferred but not required for minors). No money, cell phones, pagers, etc., are allowed. Use of tobacco products is prohibited on state property. All tobacco products must remain in the vehicle.

Dress Code. All individuals entering the institution must be dressed appropriately. Undergarments must be worn. Midriiffs and torsos must be covered. Shirts must have sleeves. Dresses, split skirts, and shorts must extend to the top of the knee. Attire that is revealing, made of spandex, or is transparent or translucent is considered to be inappropriate. Clothing with logos that contain pictures, slogans, or vulgarity, and any clothing determined by the processing officer to be associated with any Security Threat Group is inappropriate. Shoes must be worn. NO FLIP FLOPS. NO SUN DRESSES. NO CAPRIS. NO OPEN TOE SHOES.

Parking. Street parking may be limited. To ensure timely arrival, carpooling is suggested.

Waiver of Liability. The State shall have no liability related to this site tour. In no event will the State be liable to the Respondent or any other party for any lost revenues, lost profits, loss of business, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise as a result of or in connection with the site visit.

Indemnity for Site Visit. The Respondent agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims, liabilities, losses, and causes of action which may arise, accrue, or result to any person, firm, corporation, or other entity which may be injured or damaged out of or in connection with the site visit.

### 3. RESPONSE REQUIREMENTS

---

#### 3.1. Response Form

A response to this RFP must consist of two parts, a Technical Response and a Cost Proposal.

- 3.1.1. **Technical Response.** RFP Attachment 6.2., Technical Response & Evaluation Guide provides the specific requirements for submitting a response. This guide includes mandatory requirement items, general qualifications and experience items, and technical qualifications, experience, and approach items all of which must be addressed with a written response and, in some instances, additional documentation.

**NOTICE: A technical response must not include any pricing or cost information. If any pricing or cost information amounts of any type (even pricing relating to other projects) is included in any part of the technical response, the state may deem the response to be non-responsive and reject it.**

- 3.1.1.1. A Respondent must use the RFP Attachment 6.2., Technical Response & Evaluation Guide to organize, reference, and draft the Technical Response by duplicating the attachment, adding appropriate page numbers as required, and using the guide as a table of contents covering the Technical Response.
- 3.1.1.2. A response should be economically prepared, with emphasis on completeness and clarity. A response, as well as any reference material presented, must be written in English and must be written on standard 8 ½" x 11" pages (although oversized exhibits are permissible) and use a 12 point font for text. All response pages must be numbered.
- 3.1.1.3. All information and documentation included in a Technical Response should respond to or address a specific requirement detailed in the RFP Attachment 6.2., Technical Response & Evaluation Guide. All information must be incorporated into a response to a specific requirement and clearly referenced. Any information not meeting these criteria will be deemed extraneous and will not contribute to evaluations.
- 3.1.1.4. The State may determine a response to be non-responsive and reject it if:
- a. the Respondent fails to organize and properly reference the Technical Response as required by this RFP and the RFP Attachment 6.2., Technical Response & Evaluation Guide; or
  - b. the Technical Response document does not appropriately respond to, address, or meet all of the requirements and response items detailed in the RFP Attachment 6.2., Technical Response & Evaluation Guide.
- 3.1.2. **Cost Proposal.** A Cost Proposal must be recorded on an exact duplicate of the RFP Attachment 6.3., Cost Proposal & Scoring Guide.

**NOTICE: If a Respondent fails to submit a cost proposal exactly as required, the State may deem the response to be non-responsive and reject it.**

- 3.1.2.1. A Respondent must only record the proposed cost exactly as required by the RFP Attachment 6.3., Cost Proposal & Scoring Guide and must NOT record any other rates, amounts, or information.

- 3.1.2.2. The proposed cost shall incorporate ALL costs for services under the contract for the total contract period, including any renewals or extensions.
- 3.1.2.3. A Respondent must sign and date the Cost Proposal.
- 3.1.2.4. A Respondent must submit the Cost Proposal to the State in a sealed package separate from the Technical Response (as detailed in RFP Sections 3.2.3., *et seq.*).

## 3.2. Response Delivery

- 3.2.1. A Respondent must ensure that both the original Technical Response and Cost Proposal documents meet all form and content requirements, including all required signatures, as detailed within this RFP.
- 3.2.2. A Respondent must submit original Technical Response and Cost Proposal documents and copies as specified below.

- 3.2.2.1. One (1) original Technical Response paper document labeled:

**“RFP # 32901-31230 TECHNICAL RESPONSE ORIGINAL”**

and twelve (12) digital copies of the Technical Response each in the form of one (1) digital document in “PDF” format properly recorded on its own otherwise blank, standard CD-R recordable disc or USB flash drive labeled:

**“RFP # 32901-31230 TECHNICAL RESPONSE COPY”**

The digital copies should not include copies of sealed customer references, however any other discrepancy between the paper Technical Response document and any digital copies may result in the State rejecting the proposal as non-responsive.

- 3.2.2.2. One (1) original Cost Proposal paper document labeled:

**“RFP # 32901-31230 COST PROPOSAL ORIGINAL”**

and one (1) copy in the form of a digital document in “PDF” format properly recorded on separate, blank, standard CD-R recordable disc or USB flash drive labeled:

**“RFP # 32901-31230 COST PROPOSAL COPY”**

In the event of a discrepancy between the original Cost Proposal document and the digital copy, the original, signed document will take precedence.

- 3.2.3. A Respondent must separate, seal, package, and label the documents and copies for delivery as follows:

- 3.2.3.1. The Technical Response original document and digital copies must be placed in a sealed package that is clearly labeled:

**“DO NOT OPEN... RFP # 32901-31230 TECHNICAL RESPONSE FROM [RESPONDENT LEGAL ENTITY NAME]”**

- 3.2.3.2. The Cost Proposal original document and digital copy must be placed in a separate, sealed package that is clearly labeled:

**“DO NOT OPEN... RFP # 32901-31230 COST PROPOSAL FROM [RESPONDENT LEGAL ENTITY NAME]”**

- 3.2.3.3. The separately, sealed Technical Response and Cost Proposal components may be enclosed in a larger package for mailing or delivery, provided that the outermost package is clearly labeled:

**“RFP # 32901-31230 SEALED TECHNICAL RESPONSE & SEALED COST PROPOSAL FROM [RESPONDENT LEGAL ENTITY NAME]”**

- 3.2.4. A Respondent must ensure that the State receives a response no later than the Response Deadline time and date detailed in the RFP Section 2, Schedule of Events at the following address:

Kelly Johns, Category Specialist  
Department of General Services, Central Procurement Office  
3<sup>rd</sup> Floor, WRS Tennessee Tower

### 3.3. Response & Respondent Prohibitions

- 3.3.1. A response must not include alternate contract terms and conditions. If a response contains such terms and conditions, the State, at its sole discretion, may determine the response to be a non-responsive counteroffer and reject it.
- 3.3.2. A response must not restrict the rights of the State or otherwise qualify either the offer to deliver goods or provide services as required by this RFP or the Cost Proposal. If a response restricts the rights of the State or otherwise qualifies either the offer to deliver goods or provide services as required by this RFP or the Cost Proposal, the State, at its sole discretion, may determine the response to be a non-responsive counteroffer and reject it.
- 3.3.3. A response must not propose alternative goods or services (*i.e.*, offer services different from those requested and required by this RFP) unless expressly requested in this RFP. The State may consider a response of alternative goods or services to be non-responsive and reject it.
- 3.3.4. A Cost Proposal must be prepared and arrived at independently and must not involve any collusion between Respondents. The State will reject any Cost Proposal that involves collusion, consultation, communication, or agreement between Respondents. Regardless of the time of detection, the State will consider any such actions to be grounds for response rejection or contract termination.
- 3.3.5. A Respondent must not provide, for consideration in this RFP process or subsequent contract negotiations, any information that the Respondent knew or should have known was materially incorrect. If the State determines that a Respondent has provided such incorrect information, the State will deem the Response non-responsive and reject it.
- 3.3.6. A Respondent must not submit more than one Technical Response and one Cost Proposal in response to this RFP, except as expressly requested by the State in this RFP. If a Respondent submits more than one Technical Response or more than one Cost Proposal, the State will deem all of the responses non-responsive and reject them.
- 3.3.7. A Respondent must not submit a response as a prime contractor while also permitting one or more other Respondents to offer the Respondent as a subcontractor in their own responses. Such may result in the disqualification of all Respondents knowingly involved. This restriction does not, however, prohibit different Respondents from offering the same subcontractor as a part

of their responses (provided that the subcontractor does not also submit a response as a prime contractor).

3.3.8. The State shall not consider a response from an individual who is, or within the past six (6) months has been, a State employee. For purposes of this RFP:

3.3.8.1. An individual shall be deemed a State employee until such time as all compensation for salary, termination pay, and annual leave has been paid;

3.3.8.2. A contract with or a response from a company, corporation, or any other contracting entity in which a controlling interest is held by any State employee shall be considered to be a contract with or proposal from the employee; and

3.3.8.3. A contract with or a response from a company, corporation, or any other contracting entity that employs an individual who is, or within the past six (6) months has been, a State employee shall not be considered a contract with or a proposal from the employee and shall not constitute a prohibited conflict of interest.

#### 3.4. **Response Errors & Revisions**

A Respondent is responsible for any and all response errors or omissions. A Respondent will not be allowed to alter or revise response documents after the Response Deadline time and date detailed in the RFP Section 2, Schedule of Events unless such is formally requested, in writing, by the State.

#### 3.5. **Response Withdrawal**

A Respondent may withdraw a submitted response at any time before the Response Deadline time and date detailed in the RFP Section 2, Schedule of Events by submitting a written request signed by an authorized Respondent representative. After withdrawing a response, a Respondent may submit another response at any time before the Response Deadline. After the Response Deadline, a Respondent may only withdraw all or a portion of a response where the enforcement of the response would impose an unconscionable hardship on the Respondent.

#### 3.6. **Additional Services**

If a response offers goods or services in addition to those required by and described in this RFP, the State, at its sole discretion, may add such services to the contract awarded as a result of this RFP. Notwithstanding the foregoing, a Respondent must not propose any additional cost amounts or rates for additional goods or services. Regardless of any additional services offered in a response, the Respondent's Cost Proposal must only record the proposed cost as required in this RFP and must not record any other rates, amounts, or information.

**NOTICE: If a Respondent fails to submit a Cost Proposal exactly as required, the State may deem the response non-responsive and reject it.**

#### 3.7. **Response Preparation Costs**

The State will not pay any costs associated with the preparation, submittal, or presentation of any response.

## 5. EVALUATION & CONTRACT AWARD

---

### 5.1. Evaluation Categories & Maximum Points

The State will consider qualifications, experience, technical approach, and cost in the evaluation of responses and award points in each of the categories detailed below (up to the maximum evaluation points indicated) to each response deemed by the State to be responsive.

EVALUATION CATEGORY	MAXIMUM POINTS POSSIBLE
<b>General Qualifications &amp; Experience</b> (refer to RFP Attachment 6.2., Section B)	<b>20</b>
<b>Technical Qualifications, Experience &amp; Approach</b> (refer to RFP Attachment 6.2., Section C)	<b>45</b>
<b>Cost Proposal</b> (refer to RFP Attachment 6.3.)	<b>35</b>

### 5.2. Evaluation Process

The evaluation process is designed to award the contract resulting from this RFP not necessarily to the Respondent offering the lowest cost, but rather to the Respondent deemed by the State to be responsive and responsible who offers the best combination of attributes based upon the evaluation criteria. ("Responsive Respondent" is defined as a Respondent that has submitted a response that conforms in all material respects to the RFP. "Responsible Respondent" is defined as a Respondent that has the capacity in all respects to perform fully the contract requirements, and the integrity and reliability which will assure good faith performance.)

5.2.1. **Technical Response Evaluation.** The Solicitation Coordinator and the Proposal Evaluation Team (consisting of three (3) or more State employees) will use the RFP Attachment 6.2., Technical Response & Evaluation Guide to manage the Technical Response Evaluation and maintain evaluation records.

5.2.1.1. The State reserves the right, at its sole discretion, to request Respondent clarification of a Technical Response or to conduct clarification discussions with any or all Respondents. Any such clarification or discussion will be limited to specific sections of the response identified by the State. The subject Respondent must put any resulting clarification in writing as may be required and in accordance with any deadline imposed by the State.

5.2.1.2. The Solicitation Coordinator will review each Technical Response to determine compliance with RFP Attachment 6.2., Technical Response & Evaluation Guide, Section A—Mandatory Requirements. If the Solicitation Coordinator determines that a response failed to meet one or more of the mandatory requirements, the Proposal Evaluation Team will review the response and document the team's determination of whether:

- a. the response adequately meets RFP requirements for further evaluation;
- b. the State will request clarifications or corrections for consideration prior to further evaluation; or,
- c. the State will determine the response to be non-responsive to the RFP and reject it.

5.2.1.3. Proposal Evaluation Team members will independently evaluate each Technical Response (that is responsive to the RFP) against the evaluation criteria in this RFP,

and will score each in accordance with the RFP Attachment 6.2., Technical Response & Evaluation Guide.

- 5.2.1.4. For each response evaluated, the Solicitation Coordinator will calculate the average of the Proposal Evaluation Team member scores for RFP Attachment 6.2., Technical Response & Evaluation Guide, and record each average as the response score for the respective Technical Response section.
- 5.2.1.5. Before Cost Proposals are opened, the Proposal Evaluation Team will review the Technical Response Evaluation record and any other available information pertinent to whether or not each Respondent is responsive and responsible. If the Proposal Evaluation Team identifies any Respondent that does not to meet the responsive and responsible thresholds such that the team would not recommend the Respondent for Cost Proposal Evaluation and potential contract award, the team members will fully document the determination.
- 5.2.2. **Cost Proposal Evaluation.** The Solicitation Coordinator will open for evaluation the Cost Proposal of each Respondent deemed by the State to be responsive and responsible and calculate and record each Cost Proposal score in accordance with the RFP Attachment 6.3., Cost Proposal & Scoring Guide.
- 5.2.3. **Clarifications and Negotiations:** The State reserves the right to award a contract on the basis of initial responses received, therefore, each response shall contain the Respondent's best terms and conditions from a technical and cost standpoint. The State reserves the right to conduct clarifications or negotiations with one or more Respondents. All communications, clarifications, and negotiations shall be conducted in a manner that supports fairness in response improvement.
  - 5.2.3.1. **Clarifications:** The State may identify areas of a response that may require further clarification or areas in which it is apparent that there may have been miscommunications or misunderstandings as to the State's specifications or requirements. The State may seek to clarify those issues identified during one or multiple clarification rounds. Each clarification sought by the State may be unique to an individual Respondent, provided that the process is conducted in a manner that supports fairness in response improvement.
  - 5.2.3.2. **Negotiations:** The State may elect to negotiate with one or more Respondents by requesting revised responses, negotiating costs, or finalizing contract terms and conditions. The State reserves the right to conduct multiple negotiation rounds or no negotiations at all.
  - 5.2.3.3. **Cost Negotiations:** All Respondents, selected for negotiation by the State, will be given equivalent information with respect to cost negotiations. All cost negotiations will be documented for the procurement file. Additionally, the State may conduct target pricing and other goods or services level negotiations. Target pricing may be based on considerations such as current pricing, market considerations, benchmarks, budget availability, or other methods that do not reveal individual Respondent pricing. During target price negotiations, Respondents are not obligated to reduce their pricing to target prices, but no Respondent is allowed to increase prices.
  - 5.2.3.4. If the State determines that it is unable to successfully negotiate a contract with the apparent best evaluated Respondent, the State reserves the right to bypass the apparent best evaluated Respondent and enter into contract negotiations with the next apparent best evaluated Respondent.

- 5.2.4. **Total Response Score.** The Solicitation Coordinator will calculate the sum of the Technical Response section scores and the Cost Proposal score and record the resulting number as the total score for the subject Response (refer to RFP Attachment 6.5., Score Summary Matrix).

### 5.3. Contract Award Process

- 5.3.1 The Solicitation Coordinator will submit the Proposal Evaluation Team determinations and scores to the head of the procuring agency for consideration along with any other relevant information that might be available and pertinent to contract award.
- 5.3.2. The procuring agency head will determine the apparent best-evaluated Response. To effect a contract award to a Respondent other than the one receiving the highest evaluation process score, the head of the procuring agency must provide written justification and obtain the written approval of the Chief Procurement Officer and the Comptroller of the Treasury.
- 5.3.3. The State will issue a Notice of Intent to Award identifying the apparent best-evaluated response and make the RFP files available for public inspection at the time and date specified in the RFP Section 2, Schedule of Events.

**NOTICE: The Notice of Intent to Award shall not create rights, interests, or claims of entitlement in either the apparent best-evaluated Respondent or any other Respondent.**

- 5.3.4. The Respondent identified as offering the apparent best-evaluated response must sign a contract drawn by the State pursuant to this RFP. The contract shall be substantially the same as the RFP Attachment 6.6., *Pro Forma* Contract. The Respondent must sign the contract by the Contractor Signature Deadline detailed in the RFP Section 2, Schedule of Events. If the Respondent fails to provide the signed contract by this deadline, the State may determine that the Respondent is non-responsive to this RFP and reject the response.
- 5.3.5. Notwithstanding the foregoing, the State may, at its sole discretion, entertain limited negotiation prior to contract signing and, as a result, revise the *pro forma* contract terms and conditions or performance requirements in the State's best interests, PROVIDED THAT such revision of terms and conditions or performance requirements shall NOT materially affect the basis of response evaluations or negatively impact the competitive nature of the RFP and contractor selection process.
- 5.3.6. If the State determines that a response is non-responsive and rejects it after opening Cost Proposals, the Solicitation Coordinator will re-calculate scores for each remaining responsive Cost Proposal to determine (or re-determine) the apparent best-evaluated response.

## TECHNICAL RESPONSE &amp; EVALUATION GUIDE

**SECTION C: TECHNICAL QUALIFICATIONS, EXPERIENCE & APPROACH.** The Respondent must address all items (below) and provide, in sequence, the information and documentation as required (referenced with the associated item references). The Respondent must also detail the response page number for each item in the appropriate space below.

A Proposal Evaluation Team, made up of three or more State employees, will independently evaluate and score the response to each item. Each evaluator will use the following whole number, raw point scale for scoring each item:

**0 = little value      1 = poor      2 = fair      3 = satisfactory      4 = good      5 = excellent**

The Solicitation Coordinator will multiply the Item Score by the associated Evaluation Factor (indicating the relative emphasis of the item in the overall evaluation). The resulting product will be the item's Raw Weighted Score for purposes of calculating the section score as indicated.

Because different levels of service are required at the various institutions, the Respondent shall develop and enter into the Excel worksheet file an inmate per diem for each institution. This will allow the State to properly allocate costs among institutions. The institutional per diems will be weighted by the projected capacity of each institution, and the total of the weighted per diems will be divided by the total projected capacity of all institutions to arrive at the blended per diem rate as calculated for you in the Excel worksheet. The blended per diem rate is the amount the Respondent must enter under the appropriate year of the COST PROPOSAL & SCORING GUIDE at **Attachment 6.3**. This page must be completed exactly as required and signed and dated by the Respondent. These are the rates that will be evaluated. EACH OF THE FIVE (5) PAGES (ONE PAGE FOR EACH YEAR) IN THE COMPLETED EXCEL FILE MUST BE PRINTED AND SUBMITTED WITH THE COST PROPOSAL.

The projected capacity of each institution is listed for fiscal years in RFP Attachment 6.7 and in the Excel worksheet referenced below for the calendar years. Actual populations will vary. **The operating capacities do not represent any guarantee of contract usage or future payments to the successful Respondent.** Each month, the Contractor will be compensated based on the average daily

population (in-house count plus inmates temporarily out to medical) times the number of days in the month times the blended per diem rate. Cost Items shall be used for adjustments in total population for increases and decreases. Adjustments of either an increase or decrease in population of less than five (5) percent will not result in a per diem adjustment.

**See RFP 32901-31230 Blended Per Diem Rate Worksheet 6.3.1. Release # 3 instructions:** The total in-house population changes daily. The Blended Per Diem Rate Per Inmate would not change until the top of the range in-house population has been exceeded. The top of the population ranges are H21, K21, N21, R21, U21, X21. For example, if the total in-house population increases to 14,400, there is no adjustment. If the total in-house population increases to 15,200, then the adjusted Blended Per Diem Rate Per Inmate would be the amount calculated in H22.

In the event that the total three-year cost of the best evaluated proposal exceeds the State's funding for providing the services, the State shall have the option to reject all proposals and cancel the RFP in its entirety.

**Note 1:** One Microsoft Excel worksheet file named **RFP 32901-31230 Blended Per Diem Rate Worksheet 6.3.1. Release # 3**, containing separate worksheet pages (tabs) for each of the five (5) years, will be provided to the Respondent via the same website and as a separate attachment to this **RFP 32901-31230** which is posted at the following web address: <https://admincms.tn.gov/generalservices/article/request-for-proposals-rfp-opportunities>

**Note 2:** Proposers should include the Contractor's cost of medications for HCV, HIV and Hospitalizations as outlined in ProForma Contract Sections C.3.c. and C.3.d. in the development of the proposed per inmate per diem costs for each year of the contract term.

**Note 3:** Contractor costs for software and systems used in inmate care (as outlined in the ProForma Contract including but not limited to sections A.11.a.6, A.12.c, A.18 and A.20c) should be included in the development of the proposed per inmate per diem costs for each year of the contract term.
