

STATE OF TENNESSEE
DEPARTMENT OF HUMAN SERVICES

STATEMENT OF POTENTIAL HARM

When the potential for harm is not disclosed, or reported, to the child support agency, your address may appear on documents related to the case including legal documents that may be available to the public from the Court.

Name: _____ Case Number(s) (if known): _____

My address of record is _____.

Date of Birth _____ Last four of Social Security Number: _____

Check the appropriate box:

- The potential for harm **IS NOT** a concern at this time. I understand that this statement may be changed at any time should safety concerns develop.
- The potential for harm **IS** a concern. The release of my address or any other identifying information may jeopardize the health, safety, or liberty of my children in this case and/or myself

This statement is my request that: (check one or both)

- The Tennessee Department of Human Services Child Support Division note safety risks on my case so that effort can be taken in the office and at court to minimize contact with:
 _____ (name of person)
 _____ (identify relation)

- The Court/Tribunal does not disclose any identifying information, such as physical address, in any document filed in this proceeding. I understand that the court will make the final decision regarding disclosure of my address and that prior records may already contain my personal information. I understand that this request not to disclose any information will remain in effect until I notify the IV-D child support office in writing to revoke it.

Under penalty of perjury, all information and facts provided in this Statement are true to the best of my knowledge and belief.
The individual filling out this form agrees that this document may be electronically signed, and that any electronic signatures appearing on this document is the same as handwritten signatures for the purposes of validity.
