Spring Hill native enlists in Tennessee National Guard

SPRING HILL, Tenn. – Pfc. Dylan Gellinger graduated from the Army’s Basic Combat Training and the Advanced Wheeled Vehicle Mechanic Course at Fort Lee, Virginia, Feb. 10.

During this technical 13-week course, Gellinger was trained to perform maintenance, repair, and recovery operations on wheeled vehicles and select armored vehicles that serve in the Army’s mission-critical role. Gellinger is now assigned to Smyrna’s 777th Maintenance Company.

“I am grateful for the opportunities the National Guard has afforded me,” said Gellinger. “I’ve been blessed to train with some great people so far in my career and I’m looking forward to what comes next for me.”
