

TENNESSEE STATE BOARD OF EDUCATION	
MISSION STATEMENT AND VISION	1.000

The mission of the Tennessee State Board of Education is to ensure policies and systems are in place so that all students are prepared for success after graduation.

The State Board of Education is charged in statute with developing and maintaining a current master plan to set goals, guide policy decisions, and ensure oversight of Tennessee public education, grades K-12.¹ The Board's master plan also includes the Board's vision. The master plan is regularly updated and posted on the Board's website for public review. The Board's guiding principles through every master plan are to serve all students and to act with transparency.
