District Assessments					
Each Commission authorized charter school administers a universal screener during the fall, winter, and spring to provide a snapshot of a student’s performance and growth and determine intervention needs. Schools may use assessments from aimsweb, DIBELs, easyCBM, FastBridge, iReady, MAPS, or STAR to measure and track student progress. For more information about the specific assessment(s) implemented by each school, please refer to the information posted on the school's website.					Results are shared with parents as needed.
