THE RECIPROCAL ALLIANCE RECEIVER'S MOTION FOR THE COURT TO ACCEPT AND APPROVE NUMEROUS CLASS 5 CLAIMS

I. Introduction

Julie Mix McPeak, as Commissioner of the Tennessee Department of Commerce and Insurance, in her capacity as Liquidator of The Reciprocal Alliance (RRG) in Liquidation ("TRA"), and through her appointed Special Deputy Receiver, moves the Court, under T.C.A. §56-9-331, to accept and approve as final the Class 5 claims set forth in **Exhibit A**. This Motion does not request approval of a distribution, pro rata or otherwise, as to the approved Class 5 claim amounts set forth in **Exhibit A**, but rather seeks approval of the listed Class 5 claims, and the respective claim amounts presented, so that they will be established and ready for distribution upon later motion to, and order of, the Court.

II. Discussion

Not all of the Class 5 claims submitted in the TRA Liquidation Proceedings are included in **Exhibit A**. For example, the Virginia Deputy Receiver, on behalf of Reciprocal of America and The Reciprocal Group, has lodged in the TRA Liquidation Proceedings five (5) separate Class 5 claims, but only two (2) -- POC # 2188 and POC # 2189 -- are set forth in **Exhibit A**. The remaining three (3) claims by the Virginia Deputy Receiver -- POC #s 2161, 2163 and 2190 -- remain disputed. Indeed, on March 17, 2015, the TRA Special Deputy Receiver issued revised notices of determination regarding those three (3) Class 5 claims (e.g., POC #s 2161, 2163 and 2190). The Virginia Deputy Receiver has responded through letter objections, dated April 14, 2015, which will be supplemented on or before July 31, 2015. Disposition of those three (3) Class 5 claims will be addressed in due course consistent with the objections lodged as to the revised notices of determination or other discussions with the Virginia Deputy Receiver. Therefore, any disposition of, and ultimate report upon, the remaining Class 5 claims in the TRA Liquidation Proceedings will be in the future. But the Class 5 claims set forth in **Exhibit A** are claims that have been reviewed and adjudicated with final recommended claim amounts (which at times are $0.00) set forth. The TRA Receiver urges the Court to accept this report of final claim amounts, and to approve the determined claim amounts for the Class 5 claims in **Exhibit A**. Such acceptance and approval will advance these proceedings -- all that will remain concerning the attached Class 5 claims will be a request for payment/ distribution, pro rata or otherwise, upon final disposition of the remaining Class 5 claims.

The Class 5 claims set forth in **Exhibit A** are claims that have been reviewed and had determinations issue from the TRA Special Deputy Receiver. Those determinations have either not been objected to (and thus are final) or have been objected to with the objection addressed to

final disposition. Accordingly, they are ripe to be presented as the final claim amounts for the listed Class 5 claims. Pursuant to T.C.A. §56-9-331, the TRA Receiver recommends that the Court accept this report as to the Class 5 claims set forth in **Exhibit A** and approve the final claim amounts listed for these claims.

III. Notice

Notice of this Motion will be given to every Class 5 claimant of the TRA Liquidation Estate. Every such claimant will have a postcard sent to him/her/it at each claimant's address as shown in the TRA Liquidation's records. That postcard notice will inform the claimant of the filing of this motion, the hearing date, time and place, the deadline for response to the motion, a short description of the relief sought in the motion and a reference to the Tennessee Department of Commerce and Insurance website where a complete copy of this Motion and exhibits will be posted. Attached as **Exhibit B** is a template of that "postcard" notice.

Notice will be provided to the Virginia Deputy Receiver through mailing a copy of this Motion and exhibits to counsel. Because the TRA Class 2 claims and the Class 3 and 4 claims (if any) have already been finalized and paid, no notice will be provided to them of this Motion. A copy of the Motion and exhibits attached hereto will be posted on the Tennessee Department of Commerce and Insurance website as soon as practicable after the filing of this Motion.

IV. Request That Order Granting Requested Relief Be Made Final Pursuant to Rule 54.02 Tenn. R. Civ. P.

This Motion seeks relief that needs to be relied upon in advancing the progression of the TRA Liquidation Proceedings toward further distributions and ultimate closure. But the relief afforded through granting this Motion does not address all matters at issue in the TRA Liquidation Proceedings. In order to provide certainty with regard to the relief granted, the TRA Receiver requests that the Court expressly find that there exists no just reason for delay and that

the Order granting this Motion be entered as final regarding the matters addressed in that Order. Rule 54.02 Tenn. R. Civ. P.

V. Conclusion

For the reasons set forth herein, the TRA Receiver requests this Court, pursuant to T.C.A. §56-9-331, (1) accept **Exhibit A** attached hereto as a report and listing of certain Class 5 claims, (2) approve the claim amounts set forth in **Exhibit A** for each such Class 5 claim and (3) incorporate those listings in a final order granting the relief requested herein.

Respectfully submitted,
