STATEMENT OF ACTUARIAL OPINION

Statutory Annual Statement of United Healthcare Plan of the River Valley, Inc.
Medicaid non-Risk Business in Eastern Tennessee
As of and for the Period Ended December 31, 2008

I, Jed L. Linfield, am a Member of the American Academy of Actuaries (Academy) and am Director of Actuarial Reserving Services for United Healthcare Plan of the River Valley, Inc. I meet the Academy qualification standards for rendering this statement of actuarial opinion.

This statement is for United Healthcare Plan of the River Valley, Inc.'s Medicaid non-risk business in Eastern Tennessee, which had approximately 98,000 members in December 2008.

I have examined the actuarial assumptions and methods used in determining the loss reserves listed below, as prepared for filing with regulatory officials as of December 31, 2008.

I have determined that the appropriate level for claims liability for this block of business is $35,362,902.

This business is Administrative Services Only; the liability is not the liability of United Healthcare Plan of the River Valley, Inc.

Note that in the annual statement, both Medicaid and non-Medicaid business is combined.

I have relied upon information supplied by responsible officers of employees of United Healthcare Plan of the River Valley, Inc. as to the accuracy and completeness of listings and summaries of policies and contracts in force and other information underlying the loss reserves. In other respects, my examination included such review of the actuarial assumptions and actuarial methods and such test of actuarial calculations as I considered necessary in the circumstances. My examination considered the need for cash flow testing, but none was performed because such tests were determined to be unnecessary. The cash flows associated with United Healthcare Plan of the River Valley, Inc.'s products and investments are believed to be relatively insensitive to influences such as changes in economic conditions.

Airport Plaza • 44715 Prentice Drive, Suite 640 • Ashburn, VA 20147 • Phone: 703-709-3555

In my opinion the amounts calculated above and/or carried in the balance sheet on account of the actuarial items identified above:

a) Are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles;

b) Are based on actuarial assumptions which are in accordance with or stronger than those called for in related contract provisions and are appropriate for the purpose for which the statement was prepared;

c) Meet the requirements of the laws of the State of Tennessee;

d) Make good and sufficient provision for all unpaid claims and other actuarial liabilities of the organization guaranteed under the terms of its contracts and agreements;

e) Are computed on the basis of actuarial assumptions and methods consistent in all material respects with those used in computing the corresponding items in the annual statement of the preceding year-end; and

f) Include provision, in the aggregate, for all actuarial reserves and related statement items which ought to be established.

The actuarial methods, considerations and analyses used in forming my opinion conform to the appropriate Standards of Practice as promulgated from time to time by the Actuarial Standards Board, whose standards form the basis of this statement of opinion.

This statement has been prepared for inclusion with United Healthcare Plan of the River Valley, Inc.'s statutory quarterly statement for filing with regulatory authorities of the State of Tennessee and is intended for no other purpose.
