Glossary of Terms

AES – Agriculture Extension Service

AEC – Agriculture Extension Center

BOPAE – Batteries, Oil, Paint, Antifreeze, Electronics

CC – Convenience Center

Cu.yd. – Cubic yard

DSC – Dollar Sanitation Company

HDPE – High Density Polyethylene

HHW – Household Hazardous Waste

ISWA – Interlocal Solid Waste Authority

KFLCB – Keep Fayetteville / Lincoln County Beautiful

MSW – Municipal Solid Waste

PETE – Polyethylene Terephthalate

RBRC – Rechargeable Battery Recycling Corporation

RWS – Republic Waste Services

SCTDD - South Central Tennessee Development District

SWA – Solid Waste Authority (for Bedford County)

SWMA – Solid Waste Management Act

TDEC – Tennessee Department of Environment and Conservation

TDOT – Tennessee Department of Transportation

TDSWM – Tennessee Division of Solid Waste Management

WMI – Waste Management Incorporated

Chapter 1: Summary

INFORMATION ABOUT THE REGION

The Solid Waste Management Act (SWMA) of 1991, Tenn. Code Ann. §§ 68-211-801, *et seq.*, requires all counties to form a single or multi-county solid waste planning region. As a result, in 1992 Franklin, Giles, and Lincoln Counties created a three-county municipal solid waste planning region known as the Interlocal Solid Waste Region. On or around 1992, Franklin County, Giles County, Lincoln County and the City of Tullahoma created, pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, the Interlocal Solid Waste Authority (ISWA), a Part 9 Authority, in part to implement the solid waste plan for the three-county Interlocal Region and to help satisfy the twenty-five percent (25%) reduction of solid waste mandated by the SWMA.

Moore and Bedford Counties on or around 2011 determined that they no longer wished to remain as single county regions and wanted to join the Interlocal Solid Waste Region. Upon the appropriate legislative action being taken by the legislative bodies of Bedford, Franklin, Giles, Lincoln, and Moore Counties, the Interlocal Region was reconfigured as a five-county region. The five-county region submitted a revised plan to the Tennessee Department of Environment and Conservation (TDEC) on May 31, 2012, which TDEC approved on June 21, 2012. TDEC has required the region to submit a more comprehensive revised plan on or before June 30, 2013. Pursuant to the direction and guidance provided by the officials of TDEC's Planning, Reporting & Waste Reduction Section of the Division of Solid Waste Management, the five-county Interlocal Region has prepared this comprehensive revised plan using the "Guidelines for Preparation of Five Year Updates to Municipal Solid Waste Regional Plans".

SUMMARY OF REGIONAL NEEDS

Regional needs to be met by the implementation of this plan include: (1) improved and expanded recycling programs in the Region; (2) yard waste composting programs to provide alternative management of yard waste other than burning or improper management; (3) Class I Municipal Solid Waste (MSW) disposal capacity planning through long term disposal contracts since there is not currently a Class I landfill in operation in the Region; (4) greater construction/demolition disposal opportunities; (5) increased awareness for education opportunities for all residents and non-residential entities within the Region; (6) provision of collection and management of problem wastes in each county; and (7) increased emergency debris management and planning in the Region.

GOALS AND OBJECTIVES

The goal of the ISWA is to continue to work towards the needs listed above.

CURRENT AND PROPOSED SOLID WASTE MANAGEMENT

The Executive Summary Map provides the proposed solid waste management system including existing facilities, which will remain operational. **(See Attachment #1).**

COLLECTION AND TRANSPORTATION

Currently, door-to-door waste collection services are available to the residents of the municipalities in the region at least once per week.

Interlocal Revised Solid Waste Plan

Franklin County provides 16 convenience centers throughout the entire county and Tullahoma. Franklin County operates the Franklin County Recycling Center on Joyce Lane in Winchester. The city of Tullahoma operates a recycling center at 942 Maplewood Avenue and a curbside recycling program. There is one MSW transfer station located in Franklin County that is operated by Republic Waste Services (RWS) which serves the City of Tullahoma and Franklin County.

Giles County provides one convenience center located near the RWS transfer station. Giles County maintains a list of private haulers for residents to engage to dispose of their MSW. The County has no affiliation or contract with any private haulers for these services. There is a transfer station located in Giles County operated by RWS.

Lincoln County provides three convenience centers to its residents which are located in the Taft community, Flintville and at the transfer station operated by RWS. In addition, Lincoln County maintains a list of five private haulers that provide collection services in the county.

Moore County provides curbside pickup of MSW and recyclables to the residents of Lynchburg and provides a convenience center for the disposal of MSW and recyclables.

Bedford County provides eight convenience centers for its residents. Shelbyville operates a MSW transfer station and hauls the solid waste collected from the transfer station to the Middle Point Landfill in Walter Hill, Tennessee.

WASTE REDUCTION

There are several waste reduction programs in the Region. Recycling drop-off programs are provided in Bedford County, Franklin County, Giles County, Lincoln County (Fayetteville), Moore County and the City of Tullahoma. The City of Tullahoma operates a curbside collection program in addition to a recyclables drop-off site open daily. The City of Cowan, Estill Springs, the University of the South Domain, and the City of Winchester also operate curbside recycling programs.

Carol Fulmer serves as the Regional Administrator of Education, Recycling & Waste Reduction. This position was created to assist the communities in the Region with their waste reduction and education programs for schools and the public.

Tullahoma, Franklin County and Lincoln County have implemented an alternative solution for handling wood waste. Specifically, the HL Johnson Mulch Company located at 2930 Old Tullahoma Highway in Manchester has been hired as needed to manage wood waste which is collected by Tullahoma, Franklin County and Lincoln County. The HL Johnson Company grinds the collected wood into mulch for reuse in landscaping and erosion control projects.

The City of Pulaski operates a Class III construction/demolition landfill which is used by Giles County residents and businesses. The Class III Construction/Demolition Landfill has in excess of thirty years of remaining life based upon current waste disposal rates. The City of Pulaski also operates an air curtain destructor to incinerate clean wood wastes.

DISPOSAL CAPACITY

There is currently no Class I MSW Landfill operation that is operational in the Region. The Franklin County MSW Landfill stopped operations in early 1993 and the City of Pulaski MSW

Interlocal Revised Solid Waste Plan

Landfill stopped most municipal solid waste operations in early 1994. The Fayetteville/Lincoln County Landfill stopped operation in early 1995. Currently, there is not a commercial Class II Industrial Waste Landfill in operation in the Region. The City of Pulaski operates a Class III construction/demolition landfill. This facility accepts construction/demolition waste generated primarily in Giles County. The permit issued by the Tennessee Division of Solid Waste Management (TDSWM) is referenced as DML 28-0026.

The waste from Franklin, Giles, Lincoln, and Moore Counties (except for the waste generated in Lynnville and Winchester) is taken to transfer stations located in Franklin, Giles, and Lincoln Counties. These transfer stations are operated by RWS pursuant to a contract, and the waste is ultimately disposed of by RWS at the Middle Point Class I Landfill located in Walter Hill, Tennessee. Waste from Bedford County is disposed of directly in the RWS Middle Point Landfill. The Town of Lynnville has contracted with Waste Management to haul the waste generated by the Town and its residents to Waste Management's Cedar Ridge Landfill in Marshall County. The City of Winchester has negotiated a transportation and disposal contract with Waste Management for the waste generated in Winchester to be transported by Waste Management and disposed of at Waste Management's Cedar Ridge Landfill in Marshall County. The City of Tullahoma hauls its waste to the transfer station located in Estill Springs (Franklin County). The transfer station in Estill Springs is also where Franklin County and all the entities within the county except for the City of Winchester deliver their waste. The Domain of the South (University of the South located in Franklin County) disposes of its waste in the Marion County Solid Waste Inc. Class I Landfill in Jasper, Tennessee.

PUBLIC INFORMATION AND EDUCATION

The ISWA hired Carol Fulmer in 1995 to serve as the Regional Administrator of Education, Recycling and Waste Reduction to assist in the development and implementation of the regional education programs. Mrs. Fulmer works closely with the ISWA Board and the Regional Board.

PROBLEM WASTES

Problem Waste includes waste tires, automotive fluids, paint, electronics and lead-acid batteries.

Bedford County accepts tires at a Tire Center located on Highway 82 South on Wednesdays from 7:00 a.m. until 3:00 p.m. In addition, all 8 convenience centers accept batteries and automotive fluids which are recycled. In addition, Bedford County has a year round paint collection program as well as an electronics collection program.

Franklin County accepts tires, oil and batteries at the Franklin County Recycling Center on Joyce Lane in Winchester. Waste oil and antifreeze are accepted at all 16 convenience centers in Franklin County. Franklin County also has an electronics collection program.

The **Tullahoma** Convenience Center located at 942 Maplewood Avenue accepts automotive fluids, all types of batteries, Fluorescent bulbs, and e-wastes. In addition to the Tullahoma Convenience Center, waste oil can be delivered to the following private entities located on North Jackson Street in Tullahoma for recycling: *Advanced Auto Zone, Auto Zone, Lightning Lube, Tractor Supply, and Walmart.*

Interlocal Revised Solid Waste Plan

Lincoln County accepts waste tires at the transfer station in Fayetteville.

The Fayetteville Convenience Center does not accept batteries containing acid but automotive type batteries may be disposed of at Advanced Auto Parts or at several buy-back centers located in the county.

In Lincoln County, acceptance of oil in any form is prohibited at all convenience centers. Used motor oil is accepted at Advanced Auto Parts, Auto Zone, Fayetteville Automotive, Gowan's Exxon Station, Lincoln Farmer's Co-op, and Walmart.

Lincoln County also has a year round paint collection program and an electronics collection program.

Giles County instructs residents to contact the transfer station (931-424-4406) located in Giles County to arrange for the disposal of waste tires. It should be noted that the Giles County Co-Op also accepts antifreeze.

Waste oil is accepted at the following businesses:

- Advance Auto: (931) 424-5731
- Auto Zone: (931) 363-7691
- City of Pulaski, Street Dept.: (931) 363-3234
- Giles County Co-Op: (931) 363-2563
- Tractor Supply Co.: (931) 424-9199
- Tycon Excavating: (931) 363-8163

Batteries can be delivered to the following businesses:

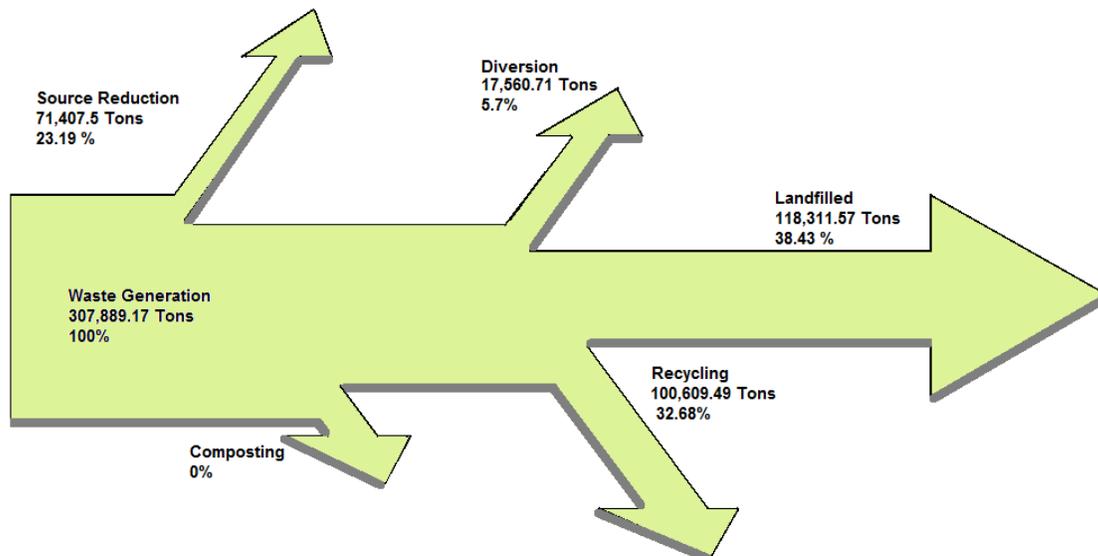

- Giles Farm Center, Pulaski: (931) 363-0314
- TN Valley Recycling, LLC: (931) 363-3593

Moore County accepts tires, oil and acid batteries at their convenience center located on Booneville Road /Highway 129W.

BUDGET

See **Attachment #2**.

Interlocal Waste Flow Diagram

Chapter 2: General Information about the Region

The Solid Waste Management Act (SWMA) of 1991, Tenn. Code Ann. §§ 68-211-801, *et seq.*, requires all counties to form a single or multi-county solid waste planning region. As a result in 1992, Franklin, Giles, and Lincoln Counties created a three-county municipal solid waste planning region known as the Interlocal Solid Waste Region. The Interlocal Region submitted its Solid Waste Plan to the Tennessee Department of Environment and Conservation (TDEC) pursuant to Tenn. Code Ann. § 68-211-813(c) and § 68-211-814(a)(1), and has been operating in accordance with this TDEC-approved Plan as well as the five year and annual updates.

On or around 1992, Franklin County, Giles County, Lincoln County, and the City of Tullahoma created, pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, the Interlocal Solid Waste Authority (ISWA), a Part 9 Authority, in part to implement the Solid Waste Plan for the three-county Interlocal Region and to help satisfy the twenty-five percent (25%) reduction of solid waste mandated by the SWMA.

Since, on or around 1992, Bedford County and Moore County have been operating as single county municipal solid waste planning regions in accordance with their respective TDEC-approved Solid Waste Plans. Bedford and Moore Counties determined that they no longer wished to remain as single county regions. Rather, these counties determined that they wished to fulfill the Tennessee Legislature's preference for multi-county regions set forth in Tenn. Code Ann. § 68-211-813(a)(4) and to join the Interlocal Solid Waste Region. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(A) & (B), the governing bodies of Bedford County and Moore County voted to dissolve their respective single county regions and to join with Franklin, Giles and Lincoln Counties in the newly reconfigured five-county Interlocal Solid Waste Region. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(A) & (B), the governing bodies of Franklin, Giles and Lincoln Counties respectively voted to reconfigure their three-county region into the five-county Region to include Bedford and Moore Counties.

Pursuant to Tenn. Code Ann. § 68-211-903(a), the governing bodies of Franklin, Giles and Lincoln Counties and the City of Tullahoma voted to allow Bedford and Moore Counties to join the ISWA. The governing bodies of Bedford and Moore Counties voted to join the ISWA and to give the ISWA exclusive control over waste disposal in their counties. Upon TDEC approval, the ISWA will implement this Revised Solid Waste Plan for the reconfigured five-county Interlocal Solid Waste Region.

1. Identify the region by name, and list counties and municipalities that comprise the region.

The Interlocal Solid Waste Region is comprised of Bedford, Franklin, Giles, Lincoln, and Moore Counties.

Interlocal Revised Solid Waste Plan

The counties and their municipalities that comprise the region are as follows:

- | | |
|--|---|
| <p>A. Bedford County
<u>Municipalities</u></p> <ol style="list-style-type: none">1. Bell Buckle2. Normandy3. Shelbyville4. Wartrace | <p>D. Lincoln County
<u>Municipalities</u></p> <ol style="list-style-type: none">1. Ardmore**2. Fayetteville3. Petersburg |
| <p>B. Franklin County
<u>Municipalities</u></p> <ol style="list-style-type: none">1. Decherd2. Cowan3. Estill Springs4. Huntland5. Winchester* | <p>E. Moore County
<u>Municipalities</u></p> <ol style="list-style-type: none">1. Metropolitan Lynchburg |
| <p>C. Giles County
<u>Municipalities</u></p> <ol style="list-style-type: none">1. Ardmore**2. Elkton3. Lynnville***4. Minor Hill5. Pulaski | <p>F. City of Tullahoma****</p> |

* The City of Winchester is part of the Interlocal Region but does not participate in the ISWA.

** Part of Ardmore is in Giles County and part is in Lincoln County.

*** The Town of Lynnville is part of the Interlocal Region but does not participate in the ISWA.

**** Part of Tullahoma is in Franklin County and part is in Coffee County. Tullahoma participates in the Interlocal Solid Waste Region. In this Revised Solid Waste Plan, the City of Tullahoma is sometimes listed separately since it is a founding member of the ISWA.

2. *Total population for the Interlocal Region: 173,973*

Bedford County Population: 45,058

Franklin County Population: 41,052

Giles County Population: 29,485

Lincoln County Population: 33,361

Moore County Population: 6,362

City of Tullahoma: 18,655

Source: 04/01/2010 United States Census Bureau

Interlocal Revised Solid Waste Plan

3. Provide a complete list of Regional Solid Waste Board members and their term expiration dates. Top the list by stating how many members are on the board (set by the original regional resolution) and whom they represent. Then include a current list of regional board members (and any vacant positions), term of office and expiration for each, whether appointed by a county executive or mayor (and name the jurisdiction represented), whether confirmed by a county commission, or city council, and the year confirmed. Identify the chairman.

The Interlocal Solid Waste Regional Board is comprised of fifteen (15) members. For a complete list of members, **see Attachment #3**. Mr. Wayne Limbaugh is the Chairman of the Regional Board, Mr. Tommy Campbell is the Vice Chairman of the Regional Board, and Mr. Larry Moorehead is the Secretary of the Regional Board.

4.A. Has the Region formed a Part 9 Solid Waste Authority?

Yes, the region has formed a Part 9 Solid Waste Authority in the Interlocal Region.

If yes, please provide the following information:

- **Chairman of Part 9 Authority Board**
- **Address & Phone Number**
- **Jurisdictions within the Authority**
- **Part 9 Authority creation documentation (See Attachment #4)**

As explained above, the Interlocal Region has formed a Part 9 Solid Waste Authority known as the Interlocal Solid Waste Authority (ISWA). The Resolutions amending the ISWA to include Bedford and Moore Counties are attached hereto as **Attachment #7**. Mr. A. J. Williams, 703 Hedgemont, Fayetteville, TN 37334, (931) 433-3372, serves as Chairman of the ISWA Board. The following jurisdictions are either members or participating entities of the ISWA: Bedford County, Franklin County, Giles County, Lincoln County, Metropolitan Lynchburg/Moore County, the City of Tullahoma, the City of Shelbyville, Minor Hill, Fayetteville, Pulaski, Decherd, Ardmore, Cowan, Estill Springs, Huntland, Elkton, and Petersburg.

B. Has the Region dissolved a Part 9 Solid Waste Authority?

No, the Interlocal Region has not dissolved a Part 9 Authority.

5. Please list three contacts for Solid Waste Information for your region.

Wayne Limbaugh *Regional Board Chairman*
ISWA Treasurer
942 Maplewood Avenue
Tullahoma TN 37388
(931) 454-1758 (work)

Interlocal Revised Solid Waste Plan

- 6. Briefly describe the activities and workings of the region's solid waste board and/or Part 9 Authority Board if one exists. Describe the Board meeting schedule, involvement with concerned entities in planning decisions, process for addressing the public, and timeliness of submittal of Annual Progress Reports and Solid Waste Plan and in addition to planning, does the Board meet its responsibilities with regard to permit review?**

The ISWA Board holds public meetings once a month on the second Wednesday of every month at 6:00 p.m. in Fayetteville Municipal Building Auditorium. The Regional Board meets periodically as needed, but at a minimum annually, to address planning issues in the Region. The ISWA Board discusses the concerns of planning decisions and other issues that may arise. The ISWA Board oversees the administration of, and addresses any problems that arise from, the waste transportation and disposal contract that is currently in effect for the Region. The submittal and timeliness of the Annual Progress Report and other Solid Waste Plans are addressed and approved by the Board and are sent to the State when they are due. The Board is consistent with their meetings and involvement with the planning decisions.

Since the ISWA, a Part 9 Authority, has been formed in the Region, the ISWA must approve any permit application for a construction or expansion permit for a solid waste disposal facility or incinerator within the Region as is consistent with the Region's disposal needs before any permit is issued by TDEC. The ISWA is prepared to meet its responsibilities.

The applicant must submit a copy of the permit application to the ISWA Board at or before the time the application is submitted to TDEC. The ISWA will review the application for compliance with the provisions of the Solid Waste Management Act of 1991, Tenn. Code Ann. §§ 68-211-801, *et seq.*, and will conduct a public hearing after public notice has been given in accordance with Tennessee Code Annotated, title 8, chapter 44. The hearing will afford all interested persons an opportunity to submit written and oral comments, and the proceeding will be recorded and transcribed. The ISWA will render a decision on the application within ninety (90) days after receipt of a complete application. The ISWA will immediately notify the Commissioner of TDEC of its acceptance or rejection of an application.

The ISWA may reject an application for a new solid waste disposal facility or incinerator or expansion of an existing solid waste disposal facility or incinerator within the Region upon determining that the application is inconsistent with the approved Solid Waste Plan. The ISWA will document in writing the specific grounds on which the application is inconsistent with the Plan.

- 7. Describe the Region's rationale for formation (its decision to be either single or multi-county). Is the current structure satisfactory?**

The ISWA was established to assist each of the member counties manage their solid waste more efficiently. The region members evaluated their options for managing the solid waste generated in the area and concluded that a multi-county authority would provide more bargaining power and resources to manage solid waste.

ISWA Five Year Solid Waste Plan

8. List all municipalities in the region that have door-to-door collection service. Include county and municipal population.

<u>City/Town Name</u>	<u>County</u>	<u>2010 Population</u>
Shelbyville	Bedford	20,335
Wartrace	Bedford	651
Cowan	Franklin	1,737
Decherd	Franklin	2,362
Estill Springs	Franklin	2,055
Huntland	Franklin	872
Winchester	Franklin	8,530
Ardmore	Lincoln	48
Fayetteville	Lincoln	6,827
Petersburg	Lincoln	544
Lynchburg	Moore	6,362
Ardmore	Giles	1,165
Elkton	Giles	578
Lynnville	Giles	287
Minor Hill	Giles	537
Pulaski	Giles	7,870
City of Tullahoma	Coffee/Franklin	18,655

Note: The Domain of the University of the South in Franklin County provides door to door collection services for a population of 3,000 as reported in 2010.

9. Describe the region, generally, geographically, and demographically.

The region is comprised of Bedford, Franklin, Giles, Lincoln, and Moore Counties, and the City of Tullahoma. The regional land area is 2,361 square miles according to the U.S. Census Bureau. A review of U.S. Census Reports for 2010 reveals that the estimated population for the counties and municipalities within the Interlocal Region approximated 173,973.

ISWA Five Year Solid Waste Plan

Bedford County is part of this multi-county region. Shelbyville is the center of the majority of commercial activity in Bedford County. Although there is not a college or university in Bedford County, Motlow State Community College and Middle Tennessee State University are situated within relatively close proximity for students to commute on a daily basis. Shelbyville is home to the Tennessee Technology Center which provides technical training to students in Bedford County and the surrounding counties. In addition to the industry which will be referenced in another section of this report, Shelbyville has an 8,000 seat indoor arena and 30,000 seat outdoor arena which hosts events such as the Tennessee Walking Horse National Celebration. The Celebration is held annually in August and attracts more than 250,000 spectators. 2010 County Population – 45,058 (US Census Bureau).

Franklin County is part of this multi-county region. The City of Winchester is the county seat. Tim's Ford State Park is located in Franklin County and is well-known for recreational activities. Major employers in Franklin County are Nissan Powertrain Assembly, ATA (note: ATA's waste is managed by Coffee County), and Shaw Industries. Franklin County borders the State of Alabama. Highway 64 runs east and west through the county, and connects it to Lincoln County. 2010 County Population – 41,052 (US Census Bureau).

The **City of Tullahoma** is in Coffee County and Franklin County. The City is included with the Interlocal Region for solid waste issues. Major industries in the City of Tullahoma include Micro Craft, Inc., Tennessee Apparel Corp., Cubic Precision, Goodrich and Wisco Envelope Co. 2010 City Population – 18,655 (US Census Bureau).

Giles County is also part of this multi-county region. Giles County encompasses 611 square miles which ranks it as the county with the largest land area of the Interlocal Region counties. Major employers for Giles County include Frito-Lay (Snack Foods), Johnson Controls (Auto Seating), Timken (Ball Bearing Manufacturer), Magnetic Marelli (after-market auto parts) and Magotteaux-Pulaski (Grinding Media). Interstate I-65 extends north-south along the eastern boundary of the county while Highway 64 is a major highway that runs east and west through the county. Giles County borders the State of Alabama. 2010 County Population – 29,485 (US Census Bureau).

Lincoln County is part of this multi-county region. The Elk River flows through Lincoln County. Major employers in Lincoln County are Goodman, Frito-Lay, Franke, C&S Plastics, Copperweld and Gregory Manufacturing. Lincoln County borders the State of Alabama. The City of Fayetteville serves as the Lincoln County seat. Highway 64 extends as an east and west corridor through Lincoln County connecting Giles and Franklin Counties while U.S. 231 extends as a north-south corridor across the county. 2010 County Population – 33,361 (US Census Bureau).

ISWA Five Year Solid Waste Plan

Moore County encompasses approximately 129 square miles of land. Lynchburg is the only city located within Moore County, and there is a consolidated city/county government. The Jack Daniels Whiskey Distillery, which has become a popular tourist attraction, is located in Lynchburg. 2010 County Population – 6,362 (US Census Bureau).

10. Does the Region (or Part 9 Authority, city or other jurisdiction within) charge a fee for solid waste services?

Bedford County, Franklin County, Tullahoma and Giles County do not charge a fee for residential solid waste collection services.

The City of Huntland charges a \$15.00 per month fee per household for residential solid waste collection services. The City of Cowan charges a \$10.00 per month fee per household for residential solid waste collection services. The City of Estill Springs charges an \$8.00 per month fee per household for residential solid waste collection services. The Domain of the University of the South charges a \$22.00 per month fee per household for residential solid waste collection services.

The City of Ardmore charges a \$14.00 per month fee per household for residential solid waste collection services. The City of Pulaski charges a \$10.00 per month fee per household for residential MSW collection which is added to the monthly utility bill. The City of Elkton charges a \$12.00 per month fee per household for residential solid waste collection services. Minor Hill charges a \$10.00 per month fee per household for residential solid waste collection which is collected by the Pulaski Electric Service. The Town of Lynnville charges a monthly fee of \$11.05 per household for residential solid waste services which is collected through the water bill.

Lincoln County charges a \$6.00 per month fee per household which is collected by the Fayetteville Public Utilities through the electric bill. As previously stated, the City of Ardmore charges a \$14.00 per month fee per household for residential solid waste collection services. The City of Fayetteville has a \$14.00 per month fee per household which is assessed on the utility bill to assist in solid waste disposal. The City of Petersburg imposes a \$13.00 per month fee per household which is assessed on the utility bill to assist in solid waste disposal.

Moore County charges \$12.00/month to pick up waste in the City of Lynchburg and \$14.00/month for collection services in the county.

11. Describe the cost and revenues involved in public funding for solid waste programs and expenses in the Region. Be sure to include capital cost considerations, staffing requirements, operating expenses. It may be best to go jurisdiction by jurisdiction (cities, counties, Part 9 Authorities). Is the current system satisfactory? Are revenues meeting costs? What new expenses and/or fees or revenues are needed or anticipated?

Yes, the current system is satisfactory. The ISWA budget is discussed at the ISWA meeting each month. The attached ISWA budget lists the expenses and

ISWA Five Year Solid Waste Plan

costs that may occur. (See **Attachment #2**). Budgets for individual jurisdictions within the Region are also provided in Attachment #2.

12. ***The Solid Waste Management Act states that each city, county, or Part 9 solid waste authority in the region shall use uniform financial accounting methods and account for solid waste activities with a named designated special revenue or enterprise fund (for publicly owned landfills or incinerators)(T.C.A. 68-211-874(a)). Do all relevant jurisdictions in the region meet with this requirement?***

Yes, all relevant jurisdictions in the region meet with this requirement.

13. ***Include a proposed 10-year solid waste budget for the region. See Appendix A for Instructions and sample budget sheet.***

See attached budget for ISWA. (See **Attachment #2**).

14. ***List the contacts in the region for information regarding solid waste budgets.***

Chapter 3: Waste Stream

1. ***For the most recent calendar year, how many tons of solid waste were generated within the region and disposed of in Class I landfill or incinerators located in or out of the region? Please "show your work" by providing a breakdown of tonnage's and sources of information.***

Total tons of solid waste that was generated within the region and disposed of in Class I landfill for the Interlocal Region approximated **118,312* tons** for 2011.

The individual county landfill disposal extended totals are provided as follows:

Middle Point Class I Landfill (Rutherford County)	Tons
Bedford County	19,126
Franklin County	41,468
Giles County	14,000
Lincoln County	28,436
Moore County	2,524
Marion County Class I Landfill (Jasper, Tennessee)	Tons
Franklin County	441.5
West Camden Class I Landfill (Camden, Tennessee)	Tons
Giles County	12,316.4

2. ***Estimate the percentage of the tons reported in #1 above using the following categories:***

Table 1 – Major Waste Stream Generation Percentages*

Waste Source / Category	Bedford %	Franklin %	Giles %	Lincoln %	Moore %
Residential	50	40	60	55	55
Commercial	15	15	20	20	15
Industrial	25	25	15	20	10
Institutional	10	20	5	5	5
Other	100	100	100	100	85

(*Data taken verbatim from Re-trac 2011)

3. Estimate the percentage of the tons reported in #1 above using these categories:

- | | | | |
|-----|--------------------------------|---|-------------------------------|
| ... | Yard waste | • | Recyclables |
| ... | Construction/Demolition wastes | • | White goods |
| • | Tires | • | Regular Municipal Solid Waste |

The tables provided on the following page provide a summary of both the total tons and percentage for each of the aforementioned categories.

Table 2 – Residential Solid Waste Stream Tonnages

Waste Source Category	Bedford (tons)	Franklin (tons)	Giles (tons)	Lincoln (tons)	Moore (tons)
Yard Waste	0.00	9,305.69	0.00	0.00	0.00
C/D Waste	0.00	0.00	2,035.92	0.00	0.00
Tires	555.99	408.56	236.86	343.17	46.00
Recyclables	752.71	2,925.25	350.22	450.09	201.91
Mixed Metals /					
White Goods	284.22	335.51	0.00	0.00	53.00
Regular MSW	19,126.00	41,909.48	26,316.37	28,435.00	2,524.00
Totals	20,718.92	54,884.49	28,939.37	29,228.26	2,824.91

Table 3 – Residential Solid Waste Stream Percentages

Waste Source Category	Bedford (%)	Franklin (%)	Giles (%)	Lincoln (%)	Moore (%)
Yard Waste	0.0%	17.0%	0.0%	0.0%	0.0%
C/D Waste	0.0%	0.0%	7.0%	0.0%	0.0%
Tires	2.7%	0.7%	0.8%	1.2%	1.6%
Recyclables	3.6%	5.3%	1.2%	1.5%	7.1%
Mixed Metals /					
White Goods	1.4%	0.6%	0.0%	0.0%	1.9%
Regular MSW	92.3%	76.4%	90.9%	97.3%	89.3%
Totals	100.0%	100.0%	100.0%	100.0%	100.0%

4. To calculate the Total Generated waste stream (for the most recent calendar year), first estimate tons annually reduced or diverted within the Region. Consider

- (1) Source reduction (especially industrial practices);
- (2) Recycling (include composting);
- (3) Diversion (to Class III/IV landfills); and
- (4) Unmanaged waste (burned in backyards, illegal dumps, ditches).

Then add these four items to tons reported in #1 above (regarding the disposed waste stream). Again, these should be products of the waste stream generated only within the Region (no imports) regardless of whether they are reused or disposed.

Total Generated waste stream for the Region consists of tons estimated in #1 plus the estimates for the four items mentioned above.

Estimate each of the four items as a percentage of the total generated waste stream. Remember to calculate using similar units (tons).

- (1) source reduction (as a percentage of the Total Generated waste stream for the Region);
- (2) recycling (as a percentage of the Total Generated waste stream for the Region);
- (3) diversion (as a percentage of the Total Generated waste stream for the Region); and
- (4) unmanaged waste (as a percentage of the Total Generated waste stream for the Region)

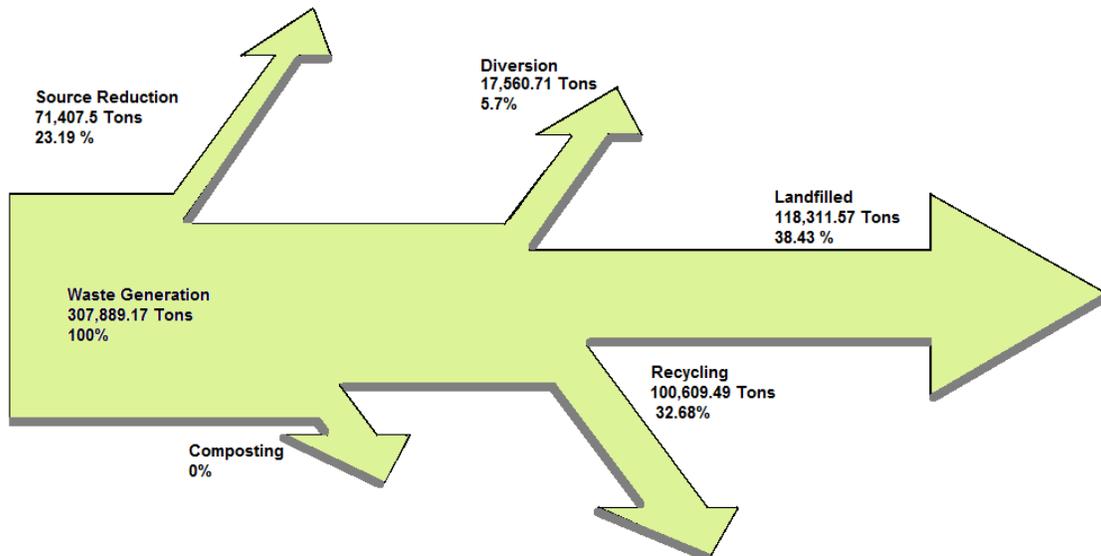

Table 4 – Total Waste Stream Generation Summary

Waste Stream Activity	Bedford (tons)	Franklin (tons)	Giles (tons)	Lincoln (tons)	Moore (tons)
Source Reduction	70,907.50	500.00			
Recycling	64,594.47	22,421.80	3,501.14	8,234.90	1,857.18
Diversion	3,028.00	10,229.69	2,533.02	1,770.00	
Unmanaged Wastes	0.00	0.00	0.00	0.00	0.00
MSW Totals	19,126.00	41,909.48	26,316.37	28,435.72	2,524.00
Waste Stream Totals	157,655.97	75,060.97	32,350.53	38,440.62	4,381.18

Percentage Recycled/Diverted	87.9%	44.4%	18.7%	26.0%	42.4%
------------------------------	-------	-------	-------	-------	-------

It should be noted that the quantities have been taken verbatim from the state of Tennessee Re-trac website for the year 2011.

Interlocal Waste Flow Diagram

5. Discuss any recent demographic trends that may affect waste disposal and generation figures in the Region. Are large groups of people moving into or out of the area for any special reason?

More people are moving into the Region because of new industries. With more people moving into the area this will increase the disposal figures. A review of the US Census Bureau data indicates that the average growth in the Interlocal Region from 2000 to 2010 was 8.34% which would ostensibly result in an increase in waste generation.

6. Discuss the economic condition of the Region. Who are major employers? Is the unemployment rate high or low? What economic factors could affect the content and volume of the waste stream and waste reduction efforts in the Region?

The Interlocal Region unemployment rates reported in the 2012 Data Profile prepared by the South Central Tennessee Development District (SCTDD) are as follows:

Table 5 – Interlocal Region Unemployment Rates

Unemployment Rate		
County	2000	2012*
Bedford	5.50%	10.20%
Franklin	4.50%	8.90%
Giles	7.00%	10.00%
Lincoln	5.60%	5.90%
Moore	4.00%	8.80%
Average	5.32%	8.76%
*as of June 2012		

A review of **Table 5** reveals an increased rate of unemployment in the region.

A listing of the major employers in the ISWA Region is provided in **Table 6** provided below and on the following page. The county in which each of the major employers is located as well as the number of employees that each of the major employers currently have on staff is also included in **Table 6**.

Table 6 – Interlocal Region Major Employers

<u>County</u>	<u>Industry / Distribution Company</u>	<u>Total Employees</u>
Bedford County	Tyson Foods,	1,300
	Calsonic North America	897
	Newell Rubbermaid	750
	National Pen Corporation	485
	Jostens	440
	Walmart Distribution Center	400

**Table 6 – Interlocal Region Major Employers (continued)**

County	Industry / Distribution Company	Total Employees
Franklin County	ATA	2,116
	Nissan	830
	Tepro Inc.	452
	Shaw Industries	296
	Zanini	220
	Baxter Industries	141
Giles County	Frito Lay Inc.	511
	Johnson Controls	303
	Timken Company	268
	Magnetti Morelli	250
	Magotteaux	217
	Saar Gummi	200
	Tenneplas	119
Lincoln County	Goodman Company	1,950
	Frito Lay, Inc.	550
	Franke	200
	C&S Plastics	130
	Fushi Copperweld	100
	Gregory Manufacturing	100
Moore	Jack Daniel's Distillery	450

A review of the data provided in **Table 5** indicates high unemployment rates in the Interlocal Region which some studies have linked to lower levels of participation in waste recycling and waste reduction programs. The increased population in combination with high unemployment could increase waste disposal.

- Please list the top five contributors to the overall waste stream generated in the Region AND DISPOSED IN CLASS I LANDFILLS OR INCINERATORS (reported in #1 of this chapter). This list should be an estimate based on local inquiry and landfill records. Bear in mind that often more than one disposal facility (either in or out of the county) serves the Region. The list may include major industries, prisons, colleges, major medical facilities, airports, or other institutions. For urban areas, it may be necessary to list more than five to give**

a full view of the county situation. Provide the following information on each contributor listed:

Major Contributors to the Region's Waste Disposal

- ... Contributor's Name
- ... Contact Name, Phone Number
- ... Waste type
- ... Estimate amount of waste, in tons, disposed in any Class I landfill or incinerator during the past calendar year

1. Lincoln County Cole Bradford, (931) 438-1565 Mixed MSW / Industrial / Commercial 12,229 Tons	4. City of Pulaski Harold Brooks (931) 363-2147 Mixed Industrial/Commercial 6,638 tons
2. City of Tullahoma Wayne Limbaugh, (931) 454-1768 Mixed MSW / Industrial / Commercial 12,073 Tons	5. City of Shelbyville Mark Clanton, (931) 684-2644 Mixed Industrial/Commercial 5,641 tons
3. Franklin County, John DeMoll, (931) 967-1139 Mixed Industrial / Commercial 10,783 Tons	

8. Do jurisdictions in the Region have clean up and litter prevention programs in place such as litter grant programs? If yes, please describe the program or programs briefly and list the contacts you have with the programs.

Bedford County currently has two litter crews in the litter grant program. Other litter prevention programs include Keep Bedford Beautiful (a Keep Tennessee Beautiful affiliate) and the Chamber of Commerce Beautification Committee.

<i>Litter Grant Program</i>	<i>Beautification Committee</i>	<i>Keep Bedford Beautiful</i>
Stanley Smotherman 328 Dover Street Shelbyville, TN 37160 (931) 684-4651	Lynn Hulan 100 North Cannon Blvd. Shelbyville, TN 37160 (931) 684-3611	Helen Garner 130 Burrum Drive Shelbyville, TN 37160 (931) 684-3398

The **Shelbyville** Public Works Department has a full time crew that is dedicated to litter pickup. This is a joint venture with the Bedford County Sheriff's Department and the Shelbyville Public Works Department for the inmates to perform this service. This crew works 5 days a week Monday thru Friday.

Franklin County issued a capital outlay totaling \$40,158 to purchase a truck for the litter crew at the Sherriff's Department. They received a grant in 2011 from the Tennessee Department of Transportation (TDOT) totaling \$36,871 for the litter program. The current Franklin County Sherriff is Tim Fuller.

In addition, the Earthwise program in Franklin County educates all 2nd graders on litter prevention and recycling using the education portion of the litter grant.

Giles County has a clean-up and litter prevention program directed by Julie Phillips who serves as the Administrator of the Litter Grant Program for Giles County. The program uses county inmates to assist with the litter collection.

Lincoln County is served by Keep Fayetteville Lincoln County Beautiful (KFLCB) which is a non-profit, 501 (c) 3 group receiving funds from the City, County, and an education grant from the Tennessee Department of Transportation/Litter Grant fund. KFLCB is governed by a volunteer Board of Directors. Gail Randolph serves as the director of this organization. The Lincoln County Sheriff's Department provides an inmate litter crew each day of the work week as a service to the county.

KFLCB also promotes the adopt-a-spot or highway litter volunteer clean-up program. The KFLCB website provides a link to the Stop Litter website which is sponsored by the Tennessee Department of Transportation and Keep Tennessee Beautiful.

Moore County received \$39,000 for their litter collection program.

Tullahoma uses inmate crews every Saturday to pick up litter in the city. In addition, Tullahoma organizes a litter clean-up day every three months that is performed with public participation.

9. **Legislation passed by the General Assembly in 1999 adds consideration of an “economic growth adjustment formula” analysis for reporting solid waste disposal figures and progress toward the 25% waste reduction and diversion goal from year to year. The economic growth formula would include factors like growth rate, employment rates, and taxable transactions in the Region, in addition to population changes. Does the Region perceive that this option would express progress on the State’s 25% waste reduction goal in a more equitable fashion (a more fair representation of the Region’s actual progress)? Explain your answer. (More information on the proposed economic growth adjustment formula will be available from the Division of Community Assistance).**

The Region does consider that the economic growth formula could be a factor because the counties and municipalities in this region have grown in the past few years. The State will have to let the Interlocal Region know if the growth formula will benefit the Region.

10. **Use of a new base year (1995) and new goal year (2003) to achieve the 25% waste reduction and diversion goal are also in the 1999 legislation. Regions may provide documentation to adjust their 1995 base year figures for progress already made in ongoing reduction programs. Explain how the proposed base year change might affect your Region.**

The ISWA Board of Directors has provided documentation to the TDSWM to adjust the 1995 base year figures. The proposed figures will affect the region because of the recycling from the industries within the region that occurred during the 1995 calendar year. The proposed base year change could affect the Region because no industries were reporting the recycling they were doing in 1995 to the State. ISWA's letter to the TDSWM has all the tonnage figures and where they came from. See attached letter to the TDSWM. (See **Attachment #5**)

11. **List each county, city, or Part 9 Authority in the region. Discuss current reduction or diversion programs sponsored by each and the success level enjoyed by the current programs. Be sure to include information about how and to what extent programs are funded or generated revenues: If the jurisdiction has a drop off program, tell about what types of materials are collected and how much. Be sure and detail any yard waste or composting programs as the Department intends to give additional emphasis to these programs in the future. List proposed programs and discuss ten year trends and needs. Discuss how the jurisdictions in the region work together. Describe education programs and opportunities in each jurisdiction and encouragement that the commercial and industrial sectors receive from these jurisdictions. These jurisdiction-by-jurisdiction descriptions should cover all the topics listed here plus any other that would fully explain efforts in the given jurisdiction.**

The counties in the Interlocal Region include Bedford County, Franklin County, Lincoln County, Moore County, and Giles County. The following pages detail the current reduction and diversion programs sponsored by each county and municipality within the region.

Reduction/Diversion Programs for Bedford County:

Bedford County Recycling Program at County Convenience Centers

Type: Drop Off
 Items: aluminum cans, paper, cardboard, scrap metal, glass, batteries, tires, e-wastes and automotive fluids
 Locations: Eight convenience centers and 1 tire center throughout the county
 Funding: County General Fund, Solid Waste Authority (SWA) Budget
 Description: Currently there are recycle drop-off bins at all eight county convenience centers. The money generated from the sale of recyclables is put back into the SWA budget to offset the expenses associated with the program. A total of 1,448.20 tons was recycled from these centers in 2011 producing an income of \$51,698.65 and a savings from tipping fees of \$30,590.18 for a total of \$82,288.83 to the county for recycling efforts.

Stanley Smotherman oversees the centers which offer a comprehensive recycling program. The amount of recyclables collected increases each year. This program is successful with residents who do not have curbside collection because they already frequent the convenience centers to dispose of their trash.

Bedford County School Recycling Program

Type: Collection/Education
 Items: White Paper, Mixed Paper, Aluminum Cans, Newspaper, Cardboard
 Locations: All county schools.
 Funding: Some of the bins were purchased from a grant and others from the SWA
 Description: Cardboard recycling bins are provided outside of every classroom and office at the schools in Bedford County. All schools are drop-off centers for newspapers and all schools except Shelbyville Central High School are drop-off centers for aluminum

cans. Each school is responsible for emptying the individual bins into the large bins outside. The bins outside are painted with the school colors and labeled. The bins are located where parents and community residents can also access them for recycling. The revenue generated from each of the individual schools remains with the school.

Bedford County Environmental Awareness Week

Type: Education

Description: Each year the Agriculture Extension Service (AES) and the SWA sponsors Environmental Education Week for elementary school children in Bedford County. The SWA provides transportation from each school to the agriculture center and there is a session on recycling. Other sessions include litter prevention, forestry, farm equipment, water and soil conservation, and livestock. This program has enjoyed a great deal of success with over 2,000 students participating each year for more than a decade. Environmental Awareness Week is conducted by the AES and is scheduled for the spring of each year.

Reduction/Diversion Programs for Franklin County:

Franklin County, provides 16 MSW convenience centers which also serve as drop-off recycling centers. Recyclables can also be dropped off at the Franklin County Solid Waste Management office on Joyce Lane in Winchester. Materials collected include aluminum cans, metal food cans, #1 PET Plastic, #2 HDPE Plastic, corrugated cardboard, newspapers, white ledger paper, mixed paper, and magazines. In 2011, Franklin County collected 12,973 tons of residential recyclable material of which 9,305.7 tons was landscape/ mulch/diversion.

Three communities in Franklin County provide a curbside recycling program to residents. Winchester picks up the recyclables at the curb every 2nd and 4th Wednesday of the month. Cowan picks up recyclables at the curb on the 1st and 3rd Wednesday of the month and Estill Springs picks up recyclables on the 1st Friday of the month.

The UT Ag Extension Service sponsors a Farm City Day. The Kiwanis Club sponsors a program they refer to as a Reality Store. The Reality Store educates kindergarteners and 8th graders about recycling and waste reduction.

Rock Creek, North Middle and Franklin County High School and some classrooms at Clark Memorial School recycle paper. The high school also recycles plastic and cardboard.

Tullahoma has a weekly curbside recycling program with materials collected the same day as regular household MSW.

Tullahoma also provides a convenience center located at 942 Maplewood Avenue for the drop off of recyclables and green bins located at Bel-Aire School, West Middle School, East Lincoln School, East Middle School and Fire Hall #1. In addition, the Tullahoma Public Works Department provides compostable bags to its residents at cost for the bagging of yard waste collection by the city.

Tullahoma has contracted with HL Johnson Mulch Company to grind wood that is delivered to the Maplewood Avenue collection facility into mulch.

Reduction/Diversion Programs for Giles County:

Giles County has contracted with the Appertain Corporation to operate a recycling drop-off center which is located at 302 North 8th Street in Pulaski. The center accepts newspapers, magazines and catalogs, rinsed aluminum cans, rinsed tin cans, rinsed # 1 PET plastic soft drink bottles and rinsed #2 HDPE plastic milk bottles with the plastic cap removed, rinsed clear, green and brown glass bottles with no caps, and cardboard.

The City of Pulaski operates an air curtain destructor to burn clean wood wastes delivered to the City's Class III Construction/Demolition Landfill which diverts additional organic wastes from landfilling.

Reduction/Diversion Programs for Lincoln County:

Lincoln County has two convenience centers, which collect aluminum cans, cardboard, glass, grocery bags, magazines, newspapers, mixed paper, plastics, steel and tin cans.

Lincoln County would like to have a recycling center in Fayetteville.

Other waste reduction programs Lincoln County has adopted include the following:

- ... GREETING CARDS of all kinds. Cards with backs removed can be mailed to St. Jude's Ranch for Children, PO Box 60100, Boulder City, NV 89005 or brought to the KFLCB office.
- ... CELL PHONES: can be delivered to the county office at 208 S Elk Avenue in Fayetteville. The phones are mailed postage-free to Collective Good, who employs disabled people in the repair and resale of the phones.
- ... DOCUMENT DESTRUCTION: KFLCB provides free shredding for small amounts of paper.
- ... PULL FOR RONALD MCDONALD HOUSE: Several schools collect pull tabs from soda cans for this charity.
- ... BRING ONE FOR THE CHIPPER: Fayetteville Public Utilities chips live Christmas trees from Dec. 26 for about a week after Christmas at the museum parking lot.
- ... CLOTHING & HOUSEHOLD GOODS: Year-round, residents can take these items to charities. In the spring, KFLCB partners with Goodwill Industries, who provides a truck for the annual clean-up event.
- ... JUNK MAIL REDUCTION: Fayetteville / Lincoln County residents are encouraged to reduce the amount of junk mail by placing the junk mail contents in a postage-free envelope provided to them and writing a note near their name on the enclosed mail, telling the company to remove them from the mailing list. There is no postage cost to residents of Lincoln County.
- ... UNWANTED PACKAGES: Residents are instructed to take unwanted packages to the post office and inform the clerk they wish to return the package. There is no cost for unopened packages.
- ... MULCHING OF TREE LIMBS & YARD WASTE: The Convenience Center on

ISWA Five Year Solid Waste Plan

Burklin Avenue behind the Sheriff's Dept. off Thornton Taylor Parkway mulches clean landscaping and yard wastes. Residents are also encouraged to mulch at their homes.

Reduction/Diversion Programs for Moore County:

Moore County has a convenience center located at 680 Booneville Road/Highway 129W. Materials collected at the convenience center are glass, plastics, wood, metals, aluminum cans, mixed paper, cardboard, tires, oil, acid batteries, household garbage, and old furniture. Moore County provides curbside pick-up of recyclables to the residents of Lynchburg. Future trends may include a transfer station to handle Class I waste.

Mr. Sloan Stewart and Ms. Robin Prater have provided education programs to school children and to the public.

Reduction/Diversion Programs for the ISWA Region

Mrs. Carol Fulmer, the Regional Administrator of Education, Recycling and Waste Reduction for the ISWA is available to speak at group meetings on waste reduction, recycling or other environmental topics. In addition, the Administrator can provide assistance with teacher in-service training, classroom programs, educational booths, crafts workshops, etc.

It should also be noted that recycling education and/or an ISWA sponsored craft booth is available at most events, festivals and expos in the ISWA Region. Onsite recycling is also available to all ISWA Region counties and cities on request from the ISWA for any event, festival or expo in the ISWA Region.

Chapter 4: Collection and Transportation

(House-to-House Collection, Convenience Centers, and Green Boxes)

- List collection services available in the Region (in the county or counties and cities within) and basic information regarding the services. The table heading below provides an example of how the information could be shown. The first column, marked "Service," is for identification, like house-to-house, convenience centers, or green boxes. The second column "Available to" indicates who is served by the service like: the City of X (list county names if multi-county Region), rural residents along Z Road and Y Pike, or individual customers. The third column describes who pays for the service, whether local government or individual customers. The fourth column provides for a brief description which may include a number (of convenience centers, for example) and general geographic description (like "one in the north and one in the south" or "throughout the county"). For private haulers, include the name of the hauler in the description column, the phone number, and number of trucks in the fleet serving this Region. It is not necessary to make a line for each convenience center and for each green box in the county.

BEDFORD COUNTY WASTE COLLECTION AND TRANSPORTATION

SERVICE:	AVAILABLE TO:	SERVICE PAID FOR BY:		DESCRIPTION:
		Transportation	Collection	
Curbside Pickup	Shelbyville Residents	City	City	Household Garbage delivered to Transfer Station
Curbside Pickup	Wartrace Residents	City	City	Private Haulers
Convenience Center	County Residents	Bedford County	Bedford County	There are 8 CC's located in the County

TULLAHOMA WASTE COLLECTION AND TRANSPORTATION

SERVICE :	AVAILABLE TO:	PAID FOR BY:	DESCRIPTION:
House-to-House	City of Tullahoma	Local Government	Household Garbage
Convenience Center	City of Tullahoma	Local Government	Drop-off site open (7 days/week)

2. **Describe how each county in the Region meets the Collection Assurance requirements mandated in the Solid Waste Management Act of 1991 (T.C.A. 68-211-851). Specifically, the rule is taken from the regulation as follows:**

Convenience Centers Each county shall have at least one convenience center unless a higher level of service is provided. The minimum number of centers shall be established as follows:

1. The service area in square miles divided by 180, **OR**
2. The service area population divided by 12,000.

In either case, service area does not include cities covered by mandatory collection.

Bedford County

Bedford County has eight county convenience centers for a total county population of 45,058. Based upon the aforementioned criteria Bedford County would only be required to provide four convenience centers.

Franklin County

Yes, the minimum collection requirements are being met within the county. There are 16 convenience centers to serve the 41,052 residents of Franklin County. Therefore, the collection requirement of one convenience center for every 12,000 people is satisfied. The municipalities also provide door-to-door collection services to their residents.

Giles County

Giles County has one convenience center and private haulers provide at least 90% of all residents with access to reasonably priced household collection services. See the letter from the Giles County Mayor providing at least 90% of all residents with access to collection. (See **Attachment #6**)

**Lincoln County**

Lincoln County has three convenience centers and a transfer station which serves as a convenience center as well as a number of private haulers. Lincoln County has identified the need for additional convenience centers in the east/northeast and/or west/northwest sections of Lincoln County. The City of Fayetteville has curbside pickup of household MSW, yard waste and leaves. Leaf collection is provided seasonally.

Moore County

The population of Moore County is 6,362. Therefore, Moore County complies with the collection assurance requirement with the convenience center on Booneville Road.

City of Tullahoma

Tullahoma, which is considered as a part of Franklin County, provides a convenience center at the City Garage located at 942 Maple Avenue. Green boxes are also provided at Bel-Aire, West Middle, East Lincoln and East Middle School as well as Fire Hall #1.

3. **Based on the information available and your experience working in the county, discuss collection needs in the Region, and trends anticipated over the next ten years. This is your opportunity to discuss aspects of the county (or counties) collection system(s) that were perhaps missed in previous questions and to help planners with new directions the county and its Region may wish to pursue. City systems within the Region may also be relevant here. This is also a good place to discuss a system that is working particularly well.**

Bedford County has enjoyed a successful school recycling program for more than a decade which generates revenue for the schools and helps educate students about recycling and litter prevention.

The **City of Shelbyville** is looking into starting a curbside recycling program for the residents within the city limits of Shelbyville.

Winchester, Estill Springs and Cowan have curbside recycling programs. Franklin County has also implemented a cardboard collection program that provides a cardboard only box for businesses in Franklin County.

The **City of Tullahoma's** curbside recycling collection program coincides with the residential solid waste collection day.

Giles County provides a drop off recycling center at 302 North 8th Street in Pulaski and the transfer station is also available to County residents. On the third Saturday of April each year, the City of Elkton promotes and participates in the "Great American Clean-Up." The City solicits various organizations such as the Elk River Homemakers Club, Boy Scout Troops, Girl Scout Troops and various church groups to participate in "clean up the town". Educational material is provided to all participants to encourage recycling and the importance of good waste management practices.

Currently, the Elkton Street Department picks up "clean wood" yard debris, leaves, and delivers the collected materials to a city owned/operated area where it is burned or put into compost areas and "turned periodically". However, in anticipation for the future,

Giles County (continued)

the City would like to purchase a commercial size “chipper” to turn the debris into mulch so it can be used in the City Park, city common areas, and also to give back to the citizens for use in their yards.

Lincoln County currently has three drop off recycling facilities in Fayetteville, Flintville and Taft. In addition, Lincoln County would like to add a convenience center in the northern sector of the county.

Moore County would like to add a convenience center in the northern section of the county.

Chapter 5: Recycling

(Reduction Programs, Processing and Composting Facilities)

1. Does the Region (or county, city or Part 9 Authority within) have a recycling or waste reduction coordinator? If yes, please provide the following information:

... **Name** • **Phone Number**
... **Title/Employer** • **Address**

Yes, each county in the region has a recycling or waste reduction coordinator.

Bedford County

Name: Gay Ervin
Title/Employer: Recycling Coordinator
Phone Number: (931) 684-5971
Address: 2105 Midland Rd.
Shelbyville, TN 37160-3949
lervin1@utk.edu

Franklin County

Name: John DeMoll
Title/Employer: Franklin County Solid Waste Manager
Phone Number: (931) 967-1139
Address: 487 Joyce Lane
Winchester, TN 37398

Giles County

Name: Dan Watson
Title/Employer: Giles County Solid Waste Manager
Phone Number: (931) 424-7035
Address: P.O. Box 678
Pulaski, TN 38478

Lincoln County

Name: Gail Randolph
Title/Employer: Keep Fayetteville/Lincoln County Beautiful
Phone Number: 931-433-8208
Address: 705 South Main St.
Fayetteville, TN 37334

Giles County

Name: Julie Phillips
Title/Employer: Litter Grant Program Administrator
Phone Number: (931) 363-1635
Address: 400 Bennett Drive
Pulaski, TN 38478

Tullahoma

Name: Karen Keith
Title/Employer: Tullahoma Public Works Department
Phone Number: (931) 454-1768
Address: 942 Maplewood Avenue
Tullahoma TN 37388

Moore County

Name: Bobby Cashion
Title/Employer: Moore County Solid Waste Coordinator
Phone Number: (931) 808-2164
Address: 680 Booneville Hwy
Lynchburg, TN 37352

Interlocal Solid Waste Authority

Name: Carol Fulmer
Title/Employer: Regional Administrator of Education, Recycling and Waste Reduction
Phone Number: (931) 962-9048
Address: 487 Joyce Lane
Winchester, TN 37398

2. **List the waste reduction programs in the Region. The description should include whether the program is publicly or privately sponsored; if the program is open to all or to a limited group; if materials are dropped off or picked up; if the program is curbside; if the owner/sponsor is a for-profit collector or end-user; if the program is an in-house industrial, commercial or government recycling or reduction program; etc.**

For each recycling program, please provide the following information

Bedford County

- ... Program Name: Transfer Station Recycling
- ... Contact: Mark Clanton
- ... Phone Number: (931) 684-2644
- ... Address: End of Blue Ribbon Parkway, Shelbyville, TN 37160
- ... Items accepted: Glass, Newspapers, Scrap Metal, Aluminum Cans, Oil, Latex Paint.
- ... Program Description: Drop-off

Bedford County

- ... Program Name: Dollar Sanitation Company (DSC) Recycling
- ... Contact:
- ... Phone Number: (931) 684-5635
- ... Address: 210 Cedar King Road, Shelbyville, TN 37160
- ... Items accepted: Plastics #1 and #2, Cardboard, Paper, Glass, Newspapers, Scrap Metal, Aluminum and Metal Cans, e-wastes, Oil, Batteries, Paint.
- ... Program Description: Drop-off

Bedford County

- ... Program Name: Convenience Center Recycling
- ... Contact: Stanley Smotherman
- ... Phone Number: (931) 684-4651
- ... Address: 328 Dover St., Shelbyville, TN 37160
- ... Items accepted: Glass, Newspapers, Scrap Metal, Aluminum Cans, Oil
- ... Program Description: Drop-off

Bedford County

- ... Program Name: School Recycling
- ... Contact: Gay Ervin
- ... Phone Number: (931) 580-6229 cell, (931) 684-5971
- ... Address: 2105 Midland Road, Shelbyville, TN 37160-3949
- ... Items accepted: Aluminum Cans, Newspaper, Cardboard White Paper, Mixed Paper
- ... Program Description: Drop-off

Franklin County

- ... Program Name: Franklin County Recycling
- ... Contact: John DeMoll
- ... Phone Number: (931) 967-1139
- ... Address: 487 Joyce Lane, Winchester, TN 37398
- ... Items Accepted: aluminum cans, metal food cans, all plastics, cardboard, newspaper, white and mixed paper, and magazines
- ... Program Description: Drop-off, public

Franklin County

- ... Program Name: Franklin County Convenience Centers
- ... Contact: John DeMoll
- ... Phone Number: (931) 967-1139
- ... Address: 487 Joyce Lane, Winchester, TN 37398
- ... Items Accepted: Aluminum cans, metal food cans, all plastics #1-7, cardboard, newspaper, white and mixed paper, catalogs, phone books, junk mail, magazines, rechargeable batteries, printer cartridges, cell phones, hard/soft back books, computers, TV's and other electronics.
- ... Program Description: Drop-off and public

Franklin County

- ... Program Name: Winchester Curbside Recycling
- ... Contact: Yvonne Stewart
- ... Phone Number: (931) 962-3541
- ... Address: 7 South High Street, Winchester, TN 37398
- ... Items Accepted: aluminum cans, metal food cans, all plastics #1-7, cardboard, newspaper, white and mixed papers, catalogs, phone books, junk mail and magazines
- ... Program Description: pick-up, every 2nd and 4th Wednesday, bags provided by the City of Winchester.

Franklin County

- ... Program Name: Cowan Curbside Recycling
- ... Contact: City of Cowan
- ... Phone Number: (931) 967-7318
- ... Address: Cowan, TN 37318
- ... Items Accepted: aluminum cans, metal food cans, all plastics #1-7, cardboard, newspapers, white and mixed papers, catalogs, phone books, junk mail and magazines
- ... Program Description: pick-up on the 1st and 3rd Wednesday, please bag all materials separately, bags provided by the City of Cowan.

Franklin County

- ... Program Name: Estill Springs Curbside Recycling
- ... Contact: Carol Fulmer
- ... Phone Number: (931) 649-5188 or (931) 962-9048
- ... Address: Estill Springs, TN 37339
- ... Items Accepted: aluminum cans, metal food cans, all plastics #1-7, cardboard, newspapers, white and mixed papers, catalogs, phone books, junk mail and magazines
- ... Program Description: pick-up on the 1st Friday of each month.

Franklin County

- ... Program Name: Domain of the University of the South Curbside Recycling
- ... Contact: Joe B. Long
- ... Phone Number: (931) 598-0251 or (931) 924-2555
- ... Address: University of the South, Sewanee
- ... Items Accepted: Plastic, paper and aluminum
- ... Program Description: pick-up on the 1st and 3rd Friday of each month.

Giles County

- ... Program Name: Giles County Recycling Center
- ... Contact: Dan Watson
- ... Phone Number: (931) 424-7035
- ... Address: 302 North 8th Street in Pulaski
- ... Items Accepted: newspapers, magazines, aluminum cans, tin cans, plastics 1 & 2, glass (clear, brown, green), cardboard, cereal boxes, brown grocery bags
- ... Program Description: public drop-off, Mon.-Fri. 6:00am to 6:00pm, Sat. 6:00am-noon, Closed Sunday.

Lincoln County

- ... Program Name: Keep Fayetteville/Lincoln County Beautiful
- ... Contact: Gail Randolph
- ... Phone Number: (931) 433-8208
- ... Address: 705 South Main Street
- ... Items Accepted: Cardboard, junk mail, hard and soft cover books, plastic shopping bags, plastics (#1 and #2). rinsed aluminum and metal food cans, computers, white paper, newspaper, glass, cell phones, ink cartridges, paint (1/2 gal or more)
- ... Program Description: Drop-off: 24/7

Lincoln County

- ... Program Name: Taft Convenience Center
- ... Contact: James Hollins
- ... Phone Number: (931) 425-0038
- ... Address: 17 Henry Thompson Road, Taft, TN 38488
- ... Items Accepted: # 1 & #2 Plastics, Aluminum Cans, Metal Cans, all paper types including cardboard.
- ... Program Description: Hours of Operation –Tuesday & Thursday 3 p.m.- 6 p.m., - Saturday 8 a.m.-2 p.m. Monday & Friday 6 a.m.-9 a.m. and 3 pm - 6 pm, Closed Wednesday & Sunday

Lincoln County

- ... Program Name: Flintville Watermill Road Convenience Center
- ... Contact: Larry Simmons
- ... Phone Number: (931) 937-7500
- ... Address: 198 Watermill Road, Flintville, TN 37335
- ... Items Accepted: # 1 & #2 Plastics, Aluminum Cans, Metal Cans, all paper types including cardboard.
- ... Program Description: Hours of Operation – Monday, Wed., Friday 7 a.m.- 5 p.m., Closed Tuesday, Thursday & Sunday,

Moore County

- ... Program Name: Metropolitan Moore County Curbside Recycling
- ... Contact: Bobby Cashion
- ... Phone Number: (931) 808-2164
- ... Address: 748 Booneville Highway, Lynchburg, TN 37352
- ... Items Accepted: aluminum & metal cans, all plastics, cardboard and paper
- ... Program Description: Daily pick-up in the City of Lynchburg

Moore County

- ... Program Name: Moore County Convenience Center
- ... Contact: Bobby Cashion
- ... Phone Number: (931) 808-2164
- ... Address: 748 Booneville Highway / Highway 129W
- ... Items accepted: Plastics, aluminum cans, paint (if dried), gas tanks (if punctured) newspaper, mixed paper, cardboard, tires, oil, acid batteries, metal, antifreeze, white goods and glass.
- ... Program Description: Drop-off

Tullahoma

- ... Program Name: City of Tullahoma Convenience Center
- ... Contact: Karen Keith
- ... Phone Number: (931) 454-1768
- ... Address: 942 Maplewood Avenue
- ... Items accepted: Aluminum cans, tin & bi-metal food cans, magazines, catalogs, phone books, mixed paper (junk mail, notebook and copy paper), plastic items (plastic jugs, containers, bottles and lids) – no plastic bottles, corrugated card and other cardboard (includes food, cereal and detergent boxes), automotive fluids, all types of batteries, fluorescent bulbs, latex paint, printer and copier ink cartridge, and glass separated into clear glass and colored glass.
- ... Program Description: Drop-off

Tullahoma

- ... Program Name: City of Tullahoma Curbside Recycling
- ... Contact: Karen Keith
- ... Phone Number: (931) 454-1768
- ... Address: 942 Maplewood Avenue
- Items accepted: Aluminum cans, tin & bi-metal food cans, magazines, catalogs, phone books, mixed paper (junk mail, notebook and copy paper), plastic items (plastic jugs, containers, bottles and lids) – no plastic bottles, corrugated card and other cardboard (includes food, cereal and detergent boxes).
- ... Program Description: Pick curbside same day as regular household MSW.

3. **Based on the information available and your experience working in the county, please describe progress and setbacks in recycling and reduction efforts in the Region. Be sure and include marketing efforts on the part of local programs, their principal end-users, successes and failures in marketing and hope for assistance or change in marketing. Do jurisdictions in the Region cooperate on marketing efforts? Feel free to describe unusual or successful programs that others may wish to emulate. Describe what would assist the counties (and programs within) in their efforts. Please include any future plans for additional recycling, reduction, or end-use programs you are aware of.**

In 2012, the **ISWA** had displays at a number of school events and festivals. The ISWA provided recycling services for softball tournaments, music concerts, crafts fairs, community fairs and local events, as well as the Walking Horse Celebration in Shelbyville.

Bedford County plans to add a paper baler within the next three years. Gay Ervin who serves as the recycling coordinator for Bedford County promotes/markets recycling in the county using a number of venues that include an Environmental Awareness Week, 4-H workshops, Civic Clubs, flyers and newspaper articles.

Franklin County implemented a cardboard recycling program and has provided local companies that want to participate with boxes for cardboard. The cardboard recycling boxes are picked up by Franklin County at the local businesses and taken to the Joyce Lane Recycling Facility where they are baled and marketed.

Giles County has contracted with Appertain to manage the drop-off recycle facility located at the Corner of 8th Street in Pulaski, Tennessee.

The City of Elkton is investigating the purchase of bins and/or barrels to place at the Street Department Building where citizens of Elkton could bring recycling cans, glass, and paper. The City would then take the collected materials to the County recycling center. Educational material to promote this would be furnished to all households encouraging all citizens to recycle those articles.

Lincoln County benefits from the Keep Fayetteville / Lincoln County Beautiful (KFLCB) recycling and litter control program.

Moore County implemented a curbside recycling program in July 2010 and is still trying to develop the most efficient truck route for collecting the recyclables.

The **Tullahoma** Public Works Department provides compostable bags at city cost for the bagging of yard waste collection by the city. Tullahoma also mixes paint it receives at the recycling facility on Maplewood Avenue for use in painting bridges and overpasses.

The **University of the South Domain** implemented a blue bag curbside recycling program under contract with a private collection company.

4. **The law requires that every county within the Region have at least one recycling drop-off facility available to all county residents. The facility does not have to be publicly owned or collect a specified volume or type of recyclable. However, a collection facility must be available for at least one material that is actually recycled (marketed and reused). Please list recycling collection site(s) for each county in the Region and describe the facility or program (a similar question is asked in Regional Annual Progress Reports).**

BEDFORD COUNTY RECYCLING DROP-OFF CENTERS

Site Name	Items Collected	Description
Tire Center	Aluminum Cans, Newspapers, Glass, Oil, Batteries, Scrap Metal	Convenience Center
Tollgate	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal	Convenience Center
Wartrace	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal	Convenience Center
Unionville	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal	Convenience Center
Bell Buckle	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal	Convenience Center
WBTS	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal	Convenience Center

ISWA Five Year Solid Waste Plan

BEDFORD COUNTY RECYCLING DROP-OFF CENTERS (continued)

El Bethel	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal, Glass, Cardboard	Convenience Center
Deason	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal	Convenience Center
Normandy	Aluminum Cans, Newspapers, Oil, Batteries, Scrap Metal, Glass	Convenience Center
Central High School	White Paper, Mixed Paper, Aluminum Cans	School
Cascade	White Paper, Mixed Paper, Aluminum Cans	School
Unionville	White Paper, Mixed Paper, Aluminum Cans	School
Liberty	White Paper, Mixed Paper, Aluminum Cans	School

Thomas	White Paper, Mixed Paper, Aluminum Cans	School
Southside	White Paper, Mixed Paper, Aluminum Cans	School
Board of Education	Newspaper	Bedford County Solid Waste

FRANKLIN COUNTY RECYCLING DROP-OFF CENTERS

Site Name	Items Collected	Description
Alto	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Cowan	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Keith Springs	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Liberty	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Industrial Park	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Old Salem	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center

ISWA Five Year Solid Waste Plan

FRANKLIN COUNTY RECYCLING DROP-OFF CENTERS (continued)

Winchester Springs	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Center Grove	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Sewanee	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Estill Springs	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Sherwood	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Capitol Hill	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Farris Chapel	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Lexie Crossroads	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Pleasant Ridge	Aluminum Cans and foil, metal food cans, foil pie pans, plastics #1-7, newspaper, magazines, catalogs, phone books, cardboard food and packing boxes, and other paper.	Convenience Center
Winchester	Aluminum cans, metal food cans, foil, Pie Pans, all plastics, newspaper, white ledger, office/mixed paper, colored paper, notebook paper, stationary, junk mail, magazines, catalogs, phone books, cardboard, packaging, boxes, food containers, electronics, ink cartridges, rechargeable batteries, hardback/paperback books, waste oil, antifreeze, tires	Franklin County Solid Waste Management Facility

GILES COUNTY RECYCLING DROP-OFF CENTER

Site Name	Items Collected	Description
Pulaski	Aluminum Cans, Cardboard, Newspaper, Magazines and Catalogues, Tin Cans, #1 Plastic Soft Drink Bottles, #2 Plastic Milk Jugs, Plastic Bags, Glass : Clear – Green - Brown	Appertain Recycle Facility

LINCOLN COUNTY RECYCLING DROP-OFF CENTER

Site Name	Items Collected	Description
Keep Fayetteville/Lincoln County Beautiful	Cardboard, junk mail, hard and soft cover books, plastic shopping bags, plastics (#1 and #2), rinsed aluminum and metal food cans, computers, TV's and other electronics, white paper, newspaper, glass, cell phones, ink cartridges, paint (1/2 gal or more)	Recycle Facility
Southeast Convenience Center at Flintville	Plastics #1 and #2, Aluminum and Metal Cans and all paper types including cardboard.	Convenience Center
Southwest Convenience Center at Taft	Plastics #1 and #2, Aluminum and Metal Cans and all paper types including cardboard.	Convenience Center
Flintville Fire Station	All types of paper, cardboard, #1 and #2 Plastics, and Metals	Collection Trailer
Elora Convenience Store	All types of paper and cardboard	Collection Trailer

MOORE COUNTY RECYCLING DROP-OFF CENTER

Site Name	Items Collected	Description
Moore County Convenience Center	Cardboard, junk mail, hard and soft cover books, plastic shopping bags, plastics, rinsed aluminum and metal food cans, computers, white paper, newspaper, glass, cell phones, ink cartridges, paint (1/2 gal or more)	Recycle Facility

TULLAHOMA RECYCLING DROP-OFF CENTER

Site Name	Items Collected	Description
Tullahoma City Garage	Automotive fluids, aluminum cans, batteries, computers, electronics, fluorescent bulbs, glass (separated: color/clear), latex paint, metal debris, tin & bi-metal food cans, magazines, catalogs, phone books, packaging, boxes, food containers, (cereal & cracker boxes), plastic bottles except those that contained petroleum products, printer/copier cartridges, office mixed paper, white ledger paper, colored paper, notebook paper, stationery, junk mail. cardboard, tires, oil, acid batteries, metals, wood,	Recycle Facility

Chapter 6: Disposal

(Landfills, Incinerators, Waste to Energy Facilities, Transfer Stations, and Waste Imports and Exports)

- Please list all the landfills, transfer stations, Municipal Solid Waste incinerators, Landfill Gas to Energy facilities, and Waste to Energy facilities in the Region.

TRANSFER STATIONS IN THE ISWA

Name of Facility	<u>Shelbyville Transfer Station</u>
Operator/Contact	Mark Clanton / Transfer Station Manager
Phone Number	(931) 684-2644
Address/Location/County	712 Blue Ribbon Parkway, Shelbyville, Bedford County
Jurisdictions Served	Shelbyville / Bedford County
Permit Number	TRF-020000086
Tipping Fee per ton	No charge for residential but \$8.50/cu.yd. for commercial
Special Tipping Fees	Commercial trash haulers \$17.00 / cu.yd.
Materials the facility receives/limits	MSW
Transfer from where to where?	From Shelbyville to Middle Point Landfill in Walter Hill, TN

Name of Facility	<u>Pulaski Transfer Station</u>
Operator/Contact	Rusty Rose / Transfer Station Manager
Phone Number	(931) 684-2644
Address/Location/County	264 Maxwell Hill Road, Pulaski, Giles County
Jurisdictions Served	Giles County
Permit Number	TRF-280001215
Interlocal Region Tip Fee	\$30.48 / ton
Special Tipping Fees	\$0.95 / ton ISWA Fee
Materials the facility receives/limits	MSW
Transfer from where to where?	From Pulaski to Middle Point Landfill in Walter Hill, TN

Name of Facility	<u>Fayetteville Transfer Station</u>
Operator/Contact	Rusty Rose / Transfer Station Manager
Phone Number	(931) 684-2644
Address/Location/County	37 Burkin Street, Fayetteville, Lincoln County
Jurisdictions Served	Fayetteville / Lincoln County
Permit Number	TRF-520001198
Interlocal Region Tip Fee	\$30.48 / ton
Special Tipping Fees	\$0.95 / ton ISWA Fee
Materials the facility receives/limits	MSW
Transfer from where to where?	From Fayetteville to Middle Point Landfill in Walter, Hill

Name of Facility Estill Springs Transfer Station
Operator/Contact Rusty Rose / Transfer Station Manager
Phone Number (931) 649-3032
Address/Location/County 9577 Tullahoma Highway, Estill Springs, Franklin County
Jurisdictions Served Tullahoma / Franklin County
Permit Number TRF-260001199
Interlocal Region Tip Fee \$30.48 / ton
Special Tipping Fees \$0.95 / ton ISWA Fee
Materials the facility receives/limits **MSW**
Transfer from where to where? From Estill Springs to Middle Point Landfill

LANDFILLS IN THE ISWA

Name of Facility City of Pulaski Construction / Demolition Landfill
Owner City of Pulaski
Operator/Contact Terry Harrison/City Recorder for City of Pulaski
Phone Number (931) 363-2516
Address/Location/County Maxwell Hill Road/Giles County
Classification of Landfill Class III
Jurisdiction served City of Pulaski
Permit Number DML 28-102-0026
Tipping Fee \$25.00/ton
Materials the facility receives/limits Construction / Demolition Waste

2. Identify Class I waste exported from or imported to the Region. Include origin and destination. Name the relevant county and Region. The table headings below provide example formats for presenting your information

CLASS I WASTE EXPORTED

Class I Municipal Solid Waste Exported from Franklin County

Exported to County/Region/State	Exported to Facility Name and Owner	Estimated Tonnage Exported from Region to Class I Landfills
Rutherford County, TN	Middle Point Class I Landfill Republic Waste Services	41,467.97
Marion County, TN	Marion County Class I Landfill Marion County Solid Waste Inc.	441.50

Class I Municipal Solid Waste Exported from Bedford County

Exported to County/Region/State	Exported to Facility Name and Owner	Estimated Tonnage Exported from Region to Class I Landfills
Rutherford County, TN	Middle Point Class I Landfill Republic Waste Services	19,126.06

Class I Municipal Solid Waste Exported from Giles County

Exported to County/Region/State	Exported to Facility Name and Owner	Estimated Tonnage Exported from Region to Class I Landfills
Rutherford County, TN	Middle Point Class I Landfill Republic Waste Services	14,000
Benton County, TN	West Camden Class I Landfill Waste Management	12,316.37

Class I Municipal Solid Waste Exported from Lincoln County

Exported to County/Region/State	Exported to Facility Name and Owner	Estimated Tonnage Exported from Region to Class I Landfills
Rutherford County, TN	Middle Point Class I Landfill Republic Waste Services	28,435.72

Class I Municipal Solid Waste Exported from Moore County

Exported to County/Region/State	Exported to Facility Name and Owner	Estimated Tonnage Exported from Region to Class I Landfills
Rutherford County, TN	Middle Point Class I Landfill Republic Waste Services	2,524.00

3. **Based on the information available and your experience working in the Region, evaluate disposal needs. Is efficient disposal assured at a reasonable price for the ten year planning horizon? What changes in the disposal system are being contemplated? What changes should be contemplated with consideration to anticipated growth and disposal demands?**

Yes, efficient disposal is assured at a reasonable price for the ten year planning horizon.

4. **Of the facilities listed in this chapter, which have planned capacity assurance of less than ten years? Five years?**

As of November 2012, the Middle Point Landfill located at Walter Hill, Tennessee has 17 years and 8 months of remaining life. The current disposal contract that the ISWA has negotiated with RWS extends through March 31, 2015.

As of November 2012, the Cedar Ridge Landfill located in Marshall County has approximately 7 years of remaining life.

As of November 2012, the Marion County Class I Landfill located near Jasper, Tennessee has 21 years and 3 months of remaining life.

5. **Are all publicly held Class I landfills or incinerators in the Region accounting for financial activities in an enterprise fund as required by law?**

There are no publicly held Class I MSW landfills or incinerators in the ISWA Region.

Chapter 7: Problem Wastes

(Household Hazardous Wastes, Waste Tires, Waste Oil, Automotive Fluids, Lead Acid Batteries)

1. **Has this county taken advantage of the State's household hazardous waste mobile collection service in the last two years? Please describe.**

Bedford County held a mobile household hazardous waste collection (HHW) event on April 14, 2012 at the Big Springs parking lot in Shelbyville from 8:00 a.m. until 12:00 noon. The local contact for this HHW collection event is Gay Ervin at (931) 684-5971.

Franklin County held a mobile collection event for certain household wastes identified by the TDSWA as hazardous wastes on April 30, 2012 at the Franklin County Solid Waste Facility located on Joyce Lane in Winchester.

Giles County held a mobile collection event for certain household wastes identified by the TDSWA as hazardous wastes on April 28, 2012 at the Giles County Highway Department at 400 Bennett Drive in Pulaski from 8 a.m. until noon. The local contact for this HHW collection event is Dan Watson at (931) 424-7035.

Lincoln County held a mobile collection event for certain household wastes identified by the TDSWA as hazardous wastes on March 12, 2012 at the Lincoln County Fairground under the supervision of Clean Harbors, the state contractor for such events. Attendance, and collection, was down considerable with the most weight collected going to paint.

Moore County held a mobile collection event for certain household wastes identified by the TDSWA as hazardous wastes on September 6, 2012 at the Moore County Convenience Center in Lynchburg from 8 a.m. until 12 p.m. The local contact for this HHW collection event is Sloan Stewart (931) 759-7076.

Each year, the **Tullahoma Public Works Department** joins forces with the Manchester Public Works Department, Coffee Co. Solid Waste and the Tennessee Department of Environment & Conservation to facilitate the Mobile Household Hazardous Waste Collection Event. The event targets certain household wastes identified by the TDSWA as hazardous wastes. The latest collection event was April 1, 2012.

2. **Does a jurisdiction within the region operate a permanent household hazardous waste collection center? If yes, please provide the following information:**

None of the jurisdictions within the Region operate a permanent household hazardous waste collection center.

3. **Briefly discuss the Region's (and jurisdictions within) level of success with household hazardous waste collection and level of satisfaction with the State program. Include changes area officials would like to make or see made. Describe plans for a local household hazardous waste program.**

Bedford County provides a household hazardous waste (HHW) collection day for

its residents on an annual basis in conjunction with TDEC. In 2009, the event generated 11 tons of HHW. During the next five (5) years Bedford County plans to continue the collection of hazardous waste (HHW). HHW collection days are effective in keeping problem waste out of the waste stream. The event is typically held the Saturday before Earth Day each year. The event is held in conjunction with TDEC.

Franklin County collects certain household hazardous waste materials daily at the Recycling Facility located on Joyce Lane. The HHW materials include rechargeable batteries, lead acid batteries, antifreeze, used motor oil, and electronics.

Giles County went a few years without a TDEC sponsored Household Hazardous Waste Event. However, the county did conduct its own modified HHW events during this period. However, Giles County has scheduled an event for April 2013 with TDEC. It should also be noted that Giles County sponsors a Batteries, Oil, Paint, Antifreeze and e-wastes (BOPAE) collection event each year in the month of November.

Lincoln County - The weather on the day of the HHW event was very mild which may have contributed to the low participation of 60 households. It was thought most residents elected to stay home and work in their yards or gardens instead of attending the HHW. Keep Fayetteville/Lincoln County Beautiful (KFLCB) Director, Gail Randolph and the State HHW coordinator decided that KFLCB and the Recycling Center must be doing their job right with their year round collections and think having an HHW Event every two (2) years might be a better use of the price paid by the county for the event. More discussion with the State will be held in the Spring of 2013.

The Recycling Center collects paint, latex and oil based, computers and components as well as televisions from household in Lincoln County all year long. Local auto parts stores, the Lincoln Farmers Co-Op and Tractor Supply Company take used oil and batteries all the time as well, thus reducing the need for frequent battery, paint, oil and electronics collections (BOPAE).

Tullahoma collects household hazardous waste materials at the Maplewood Avenue Drop-off center. HHW items include automotive fluids, batteries, computers, electronics, and fluorescent bulbs.

Moore County collects certain wastes considered as HHW at the convenience center located at 748 Booneville Road. The HHW include automotive fluids, electronic wastes, and batteries.

4. **Describe the Region's efforts to see that waste tire collection mandates are met. Bear in mind that at least one site (public or private) per county must be available to local citizens for the county or counties to be in compliance with the law. List the site(s) available. Describe what happens to waste tires in the Region once they are collected.**

Bedford County has a tire center located just off Highway 82 South in Shelbyville which collects waste tires every Wednesday from 7:00am – 3:00pm. It should also be noted that waste tires are not accepted at the convenience centers. A total of

ISWA Five Year Solid Waste Plan

1,448.20 tons was recycled from these centers producing an income of \$51,698.65 and a savings from tipping fees of \$30,590.18 for a total financial benefit of \$82,288.83 realized by the county for recycling efforts.

The **Franklin County** Solid Waste Recycling Center located at 487 Joyce Lane in Winchester is the official tire collection center for Franklin County. Winchester picks up residential tires and delivers them to the Recycling Center on Joyce Lane. Liberty Tire has the contract to manage the waste tires collected at the Recycling Center.

Giles County accepts tires at the RWS Transfer station located at 264 Maxwell Hill Road.

Lincoln County provides waste tire collection at the RWS Transfer Station located at 37 Burklin Street in Fayetteville.

Moore County provides residents with waste tire collection at the drop-off center located at 748 Booneville Road in Lynchburg.

Tullahoma residents are instructed to deliver waste tires to the Coffee County Rural Solid Waste Department, located at 2180 Murfreesboro Hwy, Manchester on Thursdays during regular business hours.

In summary, all waste tires collected within the ISWA Region are currently managed and processed by Liberty Tire Company for beneficial end uses approved the TDSWM.

5. Discuss the Region's level of satisfaction with waste tire collection efforts in the area and the State waste tire program. What changes are foreseen? What changes are needed?

The entire state of Tennessee is limited to basically one company (Liberty Tire) for the management of waste tires. In November 2012, a number of counties were contacted by Liberty Tire specific to the renewal of their contractual agreement for collecting and recycling their waste tires. The new contracts offered to these counties added a freight charge per trailer ranging from \$419.00 to more than \$700.00. In addition to the freight charge, a surcharge was added for all trailers weighing less than 12 tons.

As a result of the lack of competition for collection and managing waste tires the staff of the Association of County Mayors (ACM) made a presentation on December 6, 2012, regarding proposed legislation for the redistribution of tire fees.

6. Do counties in the Region have a problem with waste tire dumping? If yes, describe specific sites and discuss the problem.

The ISWA Region does not presently have a problem with waste tire dumping. There are no large tire dumps that have been identified or reported in the ISWA Region.

7. **Describe the Region's efforts to see that oil and auto fluid collection site mandates, and lead acid battery collection site mandates, are met. Bear in mind that at least one site (public or private) per county must be available to local citizens for the county or counties to be in compliance with the law. List the site(s) available.**

Bedford County – All eight convenience centers accept used oil all year-long.

Franklin County collects rechargeable batteries at the Joyce Lane facility and sends them to the Rechargeable Battery Recycling Corporation (RBRC) for recycling. Oil, lead acid batteries and antifreeze are also collected at the Joyce Lane recycling facility.

Giles County accepts used oil at the Pulaski Street Department, Advanced Auto, Giles County Co-Op, and Tycon Excavating. Antifreeze is also accepted at the Giles County Co-Op.

Lincoln County – Used oil is accepted at Advanced Auto Parts, Auto Zone, Fayetteville Automotive, Gowan's Exxon Station, Lincoln Farmers Co-Op, and Walmart. Batteries may be delivered to Advanced Auto Parts and several other buy back centers.

Moore County – Currently oil is picked up at the drop-off center located at 748 Booneville Road where it is collected by McPherson Oil. Antifreeze and batteries are also collected year-long at the Booneville Road drop-off center.

Tullahoma collects automotive fluids and all types of batteries at the drop-off center located at 942 Maplewood Avenue.

Chapter 8: Solid Waste Education

1. Please list persons or organizations that are active in efforts to educate the public regarding solid waste matters in the Region. It is appropriate to list a program like Keep Tennessee Beautiful (formerly Clean Tennessee), Keep America Beautiful, or Tennessee Solid Waste Education Program (TNSWEP). It is also appropriate to list an individual like a reporter, an extension agent, a school teacher, or a local official who has made special efforts to help educate school children or adults in the county regarding solid waste issues. Include any in-house industrial solid waste education programs. Describe the nature of each effort and level of participation.

<i>Name</i>	Carol Fulmer, Regional Administrator
<i>Organization/sponsor</i>	Interlocal Solid Waste Authority
<i>County (ies)</i>	Bedford, Franklin, Giles, Lincoln, Moore, Tullahoma
<i>Phone Number</i>	(931)962-9048
<i>Address</i>	487 Joyce Lane, Winchester, TN
<i>Target participants</i>	All Ages
<i>Description of Activities</i>	Education workshops or booths, recycled crafts, environmental games, teacher in-service training, classroom programs or speeches on recycling, composting and waste reduction
<i>Name</i>	Gay Ervin, Recycling Coordinator
<i>Organization/sponsor</i>	Bedford County Agriculture Extension Service and Bedford County Solid Waste
<i>County (ies)</i>	Bedford
<i>Phone Number</i>	(931) 684-5971
<i>Address</i>	2105 Midland Rd., Shelbyville, TN 37160-3949
<i>Target participants</i>	Public
<i>Description of Activities</i>	Sponsors school recycling program, an " <i>Environmental Awareness Week</i> " in the Bedford County school system which promotes recycling and litter prevention, provides education to the 4H club program.

ISWA Five Year Solid Waste Plan

<i>Name</i>	Julie Phillips, Coordinator
<i>Organization/sponsor</i>	Giles County Litter Grant Program
<i>County (ies)</i>	Giles County
<i>Phone Number</i>	(931)363-1635
<i>Address</i>	400 Bennett Drive, Pulaski, TN 38478
<i>Target participants</i>	Public
<i>Description of Activities</i>	Litter Prevention and Recycling

<i>Name</i>	Gail Randolph, Coordinator
<i>Organization/sponsor</i>	Keep Fayetteville / Lincoln County Beautiful
<i>County (ies)</i>	Lincoln
<i>Phone Number</i>	(931) 433-8208
<i>Address</i>	705 South Main St., Fayetteville, TN 37334
<i>Target participants</i>	All Ages
<i>Description of Activities</i>	KFLCB educates the community with the Stop Litter Prevention Program, Beautification Program, the EPA Go Green Program. Recycling, Composting and Waste Reduction are further promoted with an informative website.

<i>Name</i>	Sloan Stewart
<i>Organization/sponsor</i>	Moore County Solid Waste
<i>County (ies)</i>	Moore
<i>Phone Number</i>	(931) 759-7076
<i>Address</i>	P.O. Box 206
<i>Target participants</i>	Public
<i>Description of Activities</i>	Speaks to schools and civic organizations about recycling and waste reduction

Name	Bobby Cashion
Organization/sponsor	Moore County Solid Waste
County (ies)	Moore
Phone Number	(931) 808-2164
Address	748 Booneville Road / Highway 129W
Target participants	Public
Description of Activities	Litter Prevention / Clean County Roads

2. **Based on the information available and your experience working in the Region, please describe outstanding needs in the area of public solid waste education. What progress has been made and what is planned? Should more be done to keep the public informed? How can the State and technical assistance agencies assist in this effort? Has the county or its Region filed an education action plan and made use of the Division of Community Assistance's Pathways to Education book?**

Bedford County currently uses the Pathways to Education book in the city/county school programs. Each year the Bedford Solid Waste recycling coordinator meets with teachers at the schools with recycling programs and is available for individual classroom programs. The biggest event each year is *Environmental Awareness Week*, which is held each year at the county Agriculture Extension Center (AEC). Children in kindergarten through third grade are bussed to the center where they take part in programs on recycling, beautification, agriculture, forestry and wildlife. Over 2,000 students take part in the program each year. At this point, an increase in funding for school and community programs would help Bedford County increase the recycling and waste reduction.

Franklin, Lincoln and Giles County along with the **City of Tullahoma** have followed the Tennessee Division of Community Assistance's *Pathway's to Education Book*.

Moore County - Robin Prater provides a service to educate students on littering and beautification. Mr. Sloan Stewart also speaks to schools and civic groups as to the merits of recycling, litter control and waste reduction.

Chapter 9: Flow Control and Permit Review

- 1. Does the Region or jurisdictions within make any attempt to control the flow of waste? If yes, please explain.**

The ISWA reviews waste disposal contracts for the Region and makes decisions that will benefit the Region and those governmental jurisdictions participating in the ISWA. The ISWA has entered into a long term disposal contract with RWS which includes the operation of three transfer stations within the Region.

There are no operational Class I disposal facilities located within the Region. As a result, there are no known ordinances addressing the flow of waste into such facilities within the Region. However, if the Region determines that any additional flow control measures are necessary, the Region will implement such measures to control the flow of the Region's municipal solid waste stream to the extent that the law allows.

- 2. Does the Region foresee any outstanding issues with regard to permit review or flow Control?**

The Region's current disposal needs are being met as set forth in this Solid Waste Plan. The anticipated needs for the Region are also discussed in the Plan. Based in part on the current projections for the Region's disposal needs and the current circumstances within the Region, the Region has decided to handle Class I disposal needs through a long term disposal contract entered into by the ISWA rather than through operation of a Class I Landfill in the Region. The Region will continue to review the Region's disposal needs and consider various disposal options based on any changed circumstances.

Chapter 10: Five-Year Plan Update Review (Public Hearing, Planning Commission Review, County Commission or Part 9 Authority Review and Approval)

Statutory Authority (edited) - T.C.A. 68-211-815 (b)(15) - The plan should include certification that the Region's Part 9 Authority (if one has been formed) or the county legislative body of each county in the Region has reviewed and approved the Region's plan (or Five-Year Update).

T.C.A. 68-211-814 (b)(6) - Before submitting a plan required by this part, each municipal solid waste Region shall hold a **public hearing** on the proposed plan or revised plan.

1. **Describe the required public hearing held after the Revised Plan (Five-Year Update) was completed. The meeting should be held at a central location in the Region and open to the general public. What day was the meeting held? Where? What was the level of participation? Summarize comments. Include a copy of the public notice, and indicate when and where it was published.**

The Interlocal Solid Waste Region held a public hearing on April 10, 2013, to receive input from the citizens of Bedford, Franklin, Giles, Lincoln, and Moore Counties. The public hearing commenced at 6:00 p.m. in the Fayetteville Municipal Building Auditorium, 110 Elk Avenue South, Fayetteville, Tennessee. Public Notice of the public hearing and meeting was published in the following newspapers in the region: Shelbyville-Times Gazette (Bedford County), Herald Chronicle (Franklin County), Pulaski Citizen (Giles County), Elk Valley Times (Lincoln County), Moore County New (Moore County), and The Tullahoma News. Copies of the public notices that were published in each of these newspapers are attached as **Attachment #8**. Copies of the proposed Revised Solid Waste Plan were maintained in the five County mayors' offices along with sheets for citizens to provide written public comments. No written comments were received. One member of the public in addition to the Regional Board members and the ISWA Board members attended the April 10, 2013 public hearing, and no public comments were made during the public hearing.

2. **Local planning Commissions in the Region should be made aware of the Five-year Update and given an opportunity to review it. Was this done? Include comments and responses.**

Yes. No comments were received.

3. **Please include a copy of a resolution from every county in the Region approving the Five-Year Plan update. The Department will not approve your plan without this documentation. If a Part 9 Authority has been formed, please include a copy of the resolution of approval from the Authority Board of Directors.**

Since there is a Part 9 Authority for the Region, the ISWA considered the 2013 Revised Plan and has approved and certified the Plan for submission to TDEC. **Attachment #9** is the ISWA's Certification of the 2013 Revised Solid Waste Plan.

Chapter 11: Disaster Debris Management Plan

Bedford, Franklin, Giles, Lincoln, and Moore Counties have local county emergency management organizations that handle emergency management and disaster planning and response in each county. The Region will work with these organizations to evaluate the existing disaster debris removal operations and the need for further disaster debris planning in each county. The Interlocal Region does not have the resources to administer a five-county disaster debris removal plan and operations and does not have the authority to commit the counties' resources and personnel for such operations. Rather, the Region has determined that it is more efficient and effective for the individual counties, as well as the municipalities that are located in the Region, to develop and maintain disaster debris management plans specific to each jurisdiction's needs and special circumstances and conditions. The Region will be more effective in educating and coordinating with the counties and municipalities in the Region to make sure that a minimum level of disaster debris planning and services are being provided throughout the Region.

The ISWA, the Region's Part 9 Authority, will evaluate whether it is advantageous and cost effective to competitively bid and award any pre-event contracts for the jurisdictions within the Region to utilize in disaster situations, such as mulching, grinding, and/or incineration contracts.

Over the next 24 months, the Interlocal Region plans to:

- ... Work with the counties to address disaster debris management needs, including large scale disaster debris clearance, removal, and disposal;
- ... Consider the minimum level of disaster debris planning and services that each county should address, including but not limited to staffing and management needs for preparing and managing the disaster debris operations, debris collection plans and schedules, locating suitable sites within each county to collect various types of waste (such as white goods, household hazardous waste, construction and demolition waste, and vegetative debris), possible volume reduction practices such as incineration and mulching, and public education and awareness of disaster debris operations;
- ... Explore the need and benefit for counties and municipalities to establish cooperative agreements with other jurisdictions to provide supplemental assistance such as employees and equipment;
- ... Evaluate whether there is a need and whether it is feasible for the ISWA to competitively bid pre-event contracts for disaster debris clearance, removal, disposal, reduction, or recycling to be utilized by all jurisdictions within the Region during a disaster situation;
- ... Consider having the ISWA maintain a list of pre-qualified contractors for the jurisdictions to invite to bid on post-event contracts; and
- ... Consider having the ISWA maintain a list of certified experts who can extract refrigerants, compressor oil, or other hazardous substances/materials from the debris.

Part 9 Authority Resolutions

RESOLUTION 11-15

WHEREAS, by Resolution on the 14th day of December 2010, the Board of County Commissioners of Bedford County, Tennessee, approved by majority vote to participate as a member in the Interlocal Solid Waste Authority ("Authority"); and

WHEREAS, that Resolution is incorporated by reference herein; and

WHEREAS, the Board of the Interlocal Solid Waste Authority is currently composed of seven (7) voting members, two (2) members from each county participating in the creation of the Authority and one (1) member from the City of Tullahoma, who are appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body pursuant to Tenn. Code Ann. § 68-211-904(a), to administer the activities of the Authority.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Bedford County, Tennessee, meeting in regular session this 12th day of April, 2011 as follows:

Section 1. Bedford County shall appoint one (1) member to the Board of the Interlocal Solid Waste Authority, who shall be appointed by the County Mayor of Bedford County and approved by the Board of County Commissioners of Bedford County, and serve for a six-year term pursuant to Tenn. Code Ann. § 68-211-904(a);

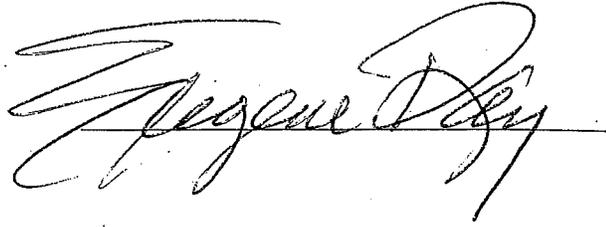

Section 2. Bedford County shall reimburse the Interlocal Solid Waste Authority for the costs incurred to add Bedford County to the membership of the Authority, including the costs incurred for reconfiguring the Interlocal Solid Waste Region to include Bedford County and for initially obtaining collection and/or disposal services for Bedford County.

Section 3. Bedford County's membership in the Interlocal Solid Waste Authority is contingent upon the governing bodies of Giles, Franklin, and Lincoln Counties and the City of Tullahoma approving a resolution to add Bedford County as a member of the Interlocal Solid Waste Authority with all rights and privileges afforded other members.

Section 4. Bedford County's membership in the Interlocal Solid Waste Authority is further contingent upon the reconfigured municipal solid waste region composed of Giles, Franklin, Lincoln, Moore, and Bedford Counties becoming effective upon approval by the governing bodies of these five counties and upon approval of the revised Plan for the reconfigured Interlocal Solid Waste Region by the Tennessee Department of Environment and Conservation pursuant to Tenn. Code Ann. § 68-211-813(a)(2) & (3).

Section 5. This Resolution is effective immediately upon the contingencies in Sections 3 and 4 being satisfied.

Passed by a majority of the membership of the Bedford County Legislative Body on this
the 12 day of April, 2011.

BEDFORD COUNTY CLERK

RESOLUTION

WHEREAS, the City of Tullahoma and the Counties of Giles, Franklin and Lincoln, Tennessee, have agreed to participate as a region and to form the Inter-local Solid Waste Authority (herein "Authority") by Resolution effective January 1, 1993; and

WHEREAS, the Authority, once the region was designated, is operating pursuant to the Solid Waste Authority Act of 1991 (Tennessee Code Annotated §68-312-901, et seq.) (herein "Act"), which Act grants the Authority, with the concurrence of the governing bodies of the counties and cities within the region, the exclusive jurisdiction over and right to control the collection of solid waste within the Authority's boundary and to control the disposition of solid waste collected within the Authority's boundary (Tennessee Code Annotated §68-211-906) (b); and

WHEREAS, the Act further authorized the Authority to regulate the flow of all municipal solid waste within Lincoln, Giles, and Franklin County and the City of Tullahoma and also authorized the Authority to require the disposal of any transported waste at the solid waste disposal facility it designates (Tennessee Code Annotated §68-211-907); and

WHEREAS, the County of Bedford wishes to become a member of the Inter-local Solid Waste Authority; and

WHEREAS, the County of Bedford, Tennessee, agrees that the Board should exercise exclusive control over both the collection and disposition of municipal solid waste within its jurisdiction.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Bedford County, Tennessee, meeting in regular session this 14th day of December, 2010, in Shelbyville, Tennessee, as follows:

Section 1. The Authority is hereby granted the exclusive jurisdiction and exclusive right to control the collection of solid waste within the boundary of Bedford County, Tennessee.

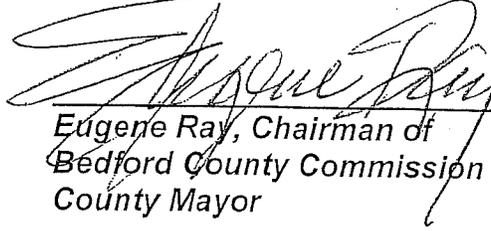

Section 2. The Authority is hereby authorized to regulate the flow of all municipal solid waste within the jurisdiction of Bedford County, Tennessee, and may require the disposal of any transported waste within Bedford County, Tennessee, to any specified solid waste disposal facility or facilities.

Section 3. This Resolution is contingent upon the County of Bedford, Tennessee, being accepted as a member of the Inter-local Solid Waste Authority with all rights and privileges afforded other members.

Section 4: This Resolution is effective on the first day of the month following passage of the Resolution.

Passed by a majority of the membership to which Bedford County Legislative Body is entitled, this 14th day of December, 2010.

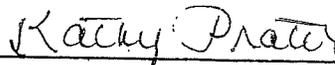

APPROVED:

Eugene Ray, Chairman of
Bedford County Commission and
County Mayor

RESOLUTION 8c-0711 AMENDING THE RESOLUTION OF THE INTERLOCAL SOLID WASTE AUTHORITY TO ADD MOORE COUNTY AND BEDFORD COUNTY AS MEMBERS OF THE AUTHORITY

This resolution was adopted in a regular session of the Franklin County Board of Commissioners on July 18, 2011 and is recorded on file in my office in Commissioners Minute Book 24, pages 306-307.

Witness my hand and official seal, at office in Winchester, Tennessee, this the 17th day of April 2012.

Phillip Custer, County Clerk
of Franklin County, Tennessee

RESOLUTION 8c-0711

AMENDING THE RESOLUTION OF THE INTERLOCAL SOLID WASTE AUTHORITY TO ADD MOORE COUNTY AND BEDFORD COUNTY AS MEMBERS OF THE AUTHORITY

WHEREAS, the Interlocal Solid Waste Authority (“Authority”) was created by Giles, Lincoln, and Franklin Counties and the City of Tullahoma, Tennessee, pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, to begin operation after January 2, 1993; and

WHEREAS, the Authority is operating pursuant to the powers and duties set forth in the Solid Waste Authority Act of 1991, Tenn. Code Ann. §§ 68-211-901, *et seq.*, which Act grants the Authority, with the concurrence of the governing bodies of the counties and cities within the Interlocal Solid Waste Region, the exclusive jurisdiction over and right to control the collection of solid waste within the Authority’s boundary and to control the disposition of solid waste collected within the Authority’s boundary (Tenn. Code Ann. § 68-211-906(b)); and

WHEREAS, the Board of the Interlocal Solid Waste Authority is currently composed of seven (7) voting members, two (2) members from each county participating in the creation of the Authority and one (1) member from the City of Tullahoma, who are appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body pursuant to Tenn. Code Ann. § 68-211-904(a), to administer the activities of the Authority; and

WHEREAS, Moore County has determined that it is in the best interests of its citizens to participate as a member in the Interlocal Solid Waste Authority; and

WHEREAS, Bedford County has determined that it is in the best interests of its citizens to participate as a member in the Interlocal Solid Waste Authority; and

WHEREAS, Moore and Bedford Counties are granting the Authority the exclusive jurisdiction over and right to control the collection and disposition of municipal solid waste within their jurisdictions; and

WHEREAS, the Board of the Interlocal Solid Waste Authority has determined by resolution that it is in the best interests of the Interlocal Solid Waste Region for Moore and Bedford Counties to be granted membership in the Authority.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Franklin County, Tennessee, meeting in regular session this 18th day of July, 2011 as follows:

Section 1. The Resolutions creating the Interlocal Solid Waste Authority shall be amended to add Moore County and Bedford County as members of the Authority.

Section 2. The Board of the Interlocal Solid Waste Authority shall hereby be composed of nine (9) voting members, two (2) members from the initial three counties participating in the creation of the Authority, one (1) member from Moore County, one (1) member from Bedford County, and one (1) member from the City of Tullahoma, who shall be appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body pursuant to Tenn. Code Ann. § 68-211-904(a). The current seven (7) members of the Board shall continue to serve for the length of their terms, and the two (2) new members from Moore County and Bedford County shall serve for six-year terms.

Section 3. Moore County and Bedford County shall reimburse the Interlocal Solid Waste Authority for the costs incurred to add Moore County and Bedford County to the membership of the Authority, including the costs incurred for reconfiguring the Interlocal Solid Waste Region to include Moore County and Bedford County, and for initially obtaining collection and/or disposal services for Moore County and Bedford County.

Section 4. Bedford County's and Moore County's membership in the Interlocal Solid Waste Authority is contingent upon the governing bodies of Giles, Franklin, and Lincoln Counties and the City of Tullahoma approving a resolution to add Moore County and Bedford County as members of the Interlocal Solid Waste Authority with all rights and privileges afforded other members.

Section 5. Bedford County's and Moore County's membership in the Interlocal Solid Waste Authority is further contingent upon the governing bodies of Moore County and/or Bedford County approving a resolution to become members of the Interlocal Solid Waste Authority.

Section 6. Bedford County's and Moore County's membership in the Interlocal Solid Waste Authority is further contingent upon: (1) the governing bodies of Giles, Franklin, Lincoln, Moore, and Bedford Counties voting, by separate resolution, to reconfigure the three-county Interlocal Solid Waste Region to a five-county region pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(B); and (2) approval of the revised Plan for the reconfigured five-county Interlocal Solid Waste Region by the Tennessee Department of Environment and Conservation pursuant to Tenn. Code Ann. § 68-211-813(a)(2) & (3).

Section 7. This Resolution shall be effective immediately upon the contingencies in Sections 4, 5, and 6 being satisfied.

Passed by a majority of the membership of the Franklin County Legislative Body on this the 18th day of July, 2011.

RESOLUTION

WHEREAS, the Interlocal Solid Waste Authority ("Authority") was created by Giles, Lincoln, and Franklin Counties and the City of Tullahoma, Tennessee, pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, to begin operation after January 2, 1993; and

WHEREAS, the Authority is operating pursuant to the powers and duties set forth in the Solid Waste Authority Act of 1991, Tenn. Code Ann. § 68-211-901, *et seq.*, which Act grants the Authority, with the concurrence of the governing bodies of the counties and cities within the Interlocal Solid Waste Region, the exclusive jurisdiction over and right to control the collection of solid waste within the Authority's boundary and to control the disposition of solid waste collected within the Authority's boundary (Tenn. Code Ann. § 68-211-906(b)); and

WHEREAS, the Board of the Interlocal Solid Waste Authority is currently composed of ~~seven (7) voting members; two (2) members from each county participating in the creation of the Authority and one (1) member from the City of Tullahoma, who are appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body pursuant to Tenn. Code Ann. § 68-211-904(a), to administer the activities of the Authority; and~~

WHEREAS, Moore County has determined that it is in the best interests of its citizens to participate as a member in the Interlocal Solid Waste Authority; and

WHEREAS, Bedford County has determined that it is in the best interests of its citizens to participate as a member in the Interlocal Solid Waste Authority; and

WHEREAS, Moore and Bedford Counties are granting the Authority the exclusive jurisdiction over and right to control the collection and disposition of municipal solid waste within their jurisdictions; and

WHEREAS, the Board of the Interlocal Solid Waste Authority has determined by resolution that it is in the best interests of the Interlocal Solid Waste Region for Moore and Bedford Counties to be granted membership in the Authority.

NOW, THEREFORE, BE IT RESOLVED, by the Leg. Body of Lincoln County, Tennessee, meeting in regular session this 15th day of March 2011 as follows:

Section 1. The Resolutions creating the Interlocal Solid Waste Authority are amended to add Moore County and Bedford County as members of the Authority.

Section 2. The Board of the Interlocal Solid Waste Authority will hereby be composed of nine (9) voting members, two (2) members from the initial three counties participating in the creation of the Authority, one (1) member from Moore County, one (1) member from Bedford County, and one (1) member from the City of Tullahoma, who shall be appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body pursuant to Tenn. Code Ann. § 68-211-904(a). The current seven (7)

members of the Board will continue to serve for the length of their terms, and the two (2) new members from Moore County and Bedford County will serve for six-year terms.

Section 3. Moore County and Bedford County shall reimburse the Interlocal Solid Waste Authority for the costs incurred to add Moore County and Bedford County to the membership of the Authority, including the costs incurred for reconfiguring the Interlocal Solid Waste Region to include Moore County and Bedford County, and for initially obtaining collection and/or disposal services for Moore County and Bedford County.

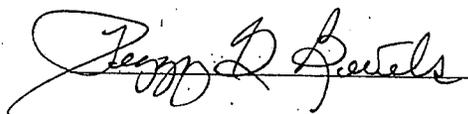

Section 4. Bedford County's and Moore County's membership in the Interlocal Solid Waste Authority is contingent upon the governing bodies of Giles, Franklin, and Lincoln Counties and the City of Tullahoma approving a resolution to add Moore County and Bedford County as members of the Interlocal Solid Waste Authority with all rights and privileges afforded other members.

Section 5. Bedford County's and Moore County's membership in the Interlocal Solid Waste Authority is further contingent upon the governing bodies of Moore County and/or Bedford County approving a resolution to become members of the Interlocal Solid Waste Authority.

Section 6. Bedford County's and Moore County's membership in the Interlocal Solid Waste Authority is further contingent upon: (1) the governing bodies of Giles, Franklin, Lincoln, Moore, and Bedford Counties voting, by separate resolution, to reconfigure the three-county Interlocal Solid Waste Region to a five-county region pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(B); and (2) approval of the revised Plan for the reconfigured five-county Interlocal Solid Waste Region by the Tennessee Department of Environment and Conservation pursuant to Tenn. Code Ann. § 68-211-813(a)(2) & (3).

Section 7. This Resolution is effective immediately upon the contingencies in Sections 4, 5, and 6 being satisfied.

Passed by a majority of the membership of the Lincoln Co. Legislative Body on this the 15th day of March, 2011.

RESOLUTION

WHEREAS, the Interlocal Solid Waste Authority ("Authority") was created by Giles, Lincoln, and Franklin Counties and the City of Tullahoma, Tennessee, pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, to begin operation after January 2, 1993; and

WHEREAS, the Authority is operating pursuant to the powers and duties set forth in the Solid Waste Authority Act of 1991, Tenn. Code Ann. § 68-211-901, *et seq.*, which Act grants the Authority, with the concurrence of the governing bodies of the counties and cities within the Interlocal Solid Waste Region, the exclusive jurisdiction over and right to control the collection of solid waste within the Authority's boundary and to control the disposition of solid waste collected within the Authority's boundary (Tenn. Code Ann. § 68-211-906(b)); and

WHEREAS, the Board of the Interlocal Solid Waste Authority is currently composed of seven (7) voting members, two (2) members from each county participating in the creation of the Authority and one (1) member from the City of Tullahoma, who are appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body pursuant to Tenn. Code Ann. § 68-211-904(a), to administer the activities of the Authority; and

WHEREAS, Metro/Moore County has determined that it is in the best interests of its citizens to participate as a member in the Interlocal Solid Waste Authority; and

WHEREAS, Metro/Moore County agrees that the Authority should exercise exclusive jurisdiction over and the right to control the collection and disposition of municipal solid waste within its jurisdiction.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of Metro/Moore County, meeting in regular session this 21 day of March, 2011 as follows:

Section 1. The Authority is hereby granted the exclusive jurisdiction and exclusive right to control the collection and/or disposal of solid waste within the boundary of Metro/Moore County, Tennessee.

Section 2. The Authority is hereby authorized to regulate the flow of all municipal solid waste within the jurisdiction of Metro/Moore County, Tennessee, and may require the disposal of any transported waste within Metro/Moore County, Tennessee, to any specified solid waste disposal facility or facilities.

Section 3. Metro/Moore County shall appoint one (1) member to the Board of the Interlocal Solid Waste Authority, who shall be appointed by the county mayor and approved by the Board of Commissioners of Metro/Moore County, and serve for a six- year term pursuant to Tenn. Code Ann. § 68-211-904(a);

Section 4. Metro/Moore County shall reimburse the Interlocal Solid Waste Authority for the costs incurred to add Metro/Moore County to the membership of the Authority, including

the costs incurred for reconfiguring the Interlocal Solid Waste Region to include Metro/Moore County and for initially obtaining collection and/or disposal services for Metro/Moore County.

Section 5. Metro/Moore County's membership in the Interlocal Solid Waste Authority is contingent upon the governing bodies of Giles, Franklin, and Lincoln Counties and the City of Tullahoma approving a resolution to add Metro/Moore County as a member of the Interlocal Solid Waste Authority with all rights and privileges afforded other members.

Section 6. Metro/Moore County's membership in the Interlocal Solid Waste Authority is further contingent upon the reconfigured municipal solid waste region composed of Giles, Franklin, Lincoln, Metro/Moore, and Bedford Counties becoming effective upon approval by the governing bodies of these five (5) counties and upon approval of the revised Plan for the reconfigured Interlocal Solid Waste Region by the Tennessee Department of Environment and Conservation pursuant to Tenn. Code Ann. § 68-211-813(a)(2) & (3).

Section 7. This Resolution is effective immediately upon the contingencies in Sections 5 and 6 being satisfied.

Passed by a majority of the membership of the Metro/Moore County Legislative Body on this the 21 day of March, 2011.

RESOLUTION

WHEREAS, the City of Tullahoma and the Counties of Giles, Franklin and Lincoln, Tennessee, have agreed to participate as a region and to form the Inter-local Solid Waste Authority (herein "Authority") by Resolution effective January 1, 1993; and

WHEREAS, the Authority, once the region was designated, is operating pursuant to the Solid Waste Authority Act of 1991 (Tennessee Code Annotated §68-312-901, et seq.) (herein "Act"), which Act grants the Authority, with the concurrence of the governing bodies of the counties and cities within the region, the exclusive jurisdiction over and right to control the collection of solid waste within the Authority's boundary and to control the disposition of solid waste collected within the Authority's boundary (Tennessee Code Annotated §68-211-906) (b); and

WHEREAS, the Act further authorized the Authority to regulate the flow of all municipal solid waste within Lincoln, Giles, and Franklin County and the City of Tullahoma and also authorized the Authority to require the disposal of any transported waste at the solid waste disposal facility it designates (Tennessee Code Annotated §68-211-907); and

WHEREAS, The Metropolitan Government of Lynchburg, Moore County, Tennessee, wishes to become a member of the Inter-local Solid Waste Authority; and

WHEREAS, The Metropolitan Government of Lynchburg, Moore County, Tennessee, Tennessee, agrees that the Board should exercise exclusive control over both the collection and disposition of municipal solid waste within its jurisdiction.

NOW, THEREFORE, BE IT RESOLVED, by The Metropolitan Government of Lynchburg, Moore County, Tennessee, meeting in regular session this 20th day of December, 2010, in Lynchburg, Tennessee, as follows:

Section 1. The Authority is hereby granted the exclusive jurisdiction and exclusive right to control the collection of solid waste within the boundary of Moore County, Tennessee.

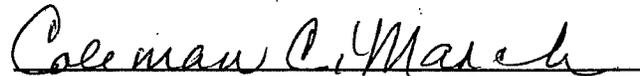

Section 2. The Authority is hereby authorized to regulate the flow of all municipal solid waste within the jurisdiction of Moore County, Tennessee, and may require the disposal of any transported waste within Moore County, Tennessee, to any specified solid waste disposal facility or facilities.

Section 3. This Resolution is contingent upon The Metropolitan Government of Lynchburg, Moore County, Tennessee, being accepted as a member of the Inter-local Solid Waste Authority with all rights and privileges afforded other members.

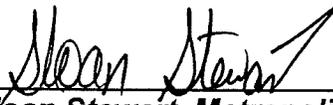

Section 4: This Resolution is effective on the first day of the month following passage of the Resolution.

Passed by a majority of the membership to which the Council of The Metropolitan Government of Lynchburg, Moore County, Tennessee, is entitled, this 20th day of December, 2010.

RESOLUTION NO. 1501

A RESOLUTION AMENDING THE MEMBERSHIP OF THE INTERLOCAL SOLID WASTE AUTHORITY (ISWA)

WHEREAS, the Interlocal Solid Waste Authority ("Authority") was created by Giles, Lincoln, and Franklin Counties and the City of Tullahoma, Tennessee, pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, to begin operation after January 2, 1993; and

WHEREAS, the Authority is operating pursuant to the powers and duties set forth in the Solid Waste Authority Act of 1991, Tenn. Code Ann. §§ 68-211-901, *et seq.*, which Act grants the Authority, with the concurrence of the governing bodies of the counties and cities within the Interlocal Solid Waste Region, the exclusive jurisdiction over and right to control the collection of solid waste within the Authority's boundary and to control the disposition of solid waste collected within the Authority's boundary (Tenn. Code Ann. § 68-211-906(b)); and

WHEREAS, the Board of the Interlocal Solid Waste Authority is currently composed of seven (7) voting members, two (2) members from each county participating in the creation of the Authority and one (1) member from the City of Tullahoma, who are appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body pursuant to Tenn. Code Ann. § 68-211-904(a), to administer the activities of the Authority; and

WHEREAS, Moore County has determined that it is in the best interests of its citizens to participate as a member in the Interlocal Solid Waste Authority; and

WHEREAS, Bedford County has determined that it is in the best interests of its citizens to participate as a member in the Interlocal Solid Waste Authority; and

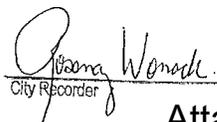

WHEREAS, Moore and Bedford Counties are granting the Authority the exclusive jurisdiction over and right to control the collection and disposition of municipal solid waste within their jurisdictions; and

WHEREAS, the Board of the Interlocal Solid Waste Authority has determined by resolution that it is in the best interests of the Interlocal Solid Waste Region for Moore and Bedford Counties to be granted membership in the Authority.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Aldermen of Tullahoma, Tennessee, Coffee and Franklin counties, as follows:

Section 1. The Resolutions creating the Interlocal Solid Waste Authority shall be amended to add Moore County and Bedford County as members of the Authority.

Mr. A. Williams, Chairman
Interlocal Solid Waste Planning Region
703 Hedgemont Avenue
Fayetteville, TN 37334

RE: Determination of 1995 Base Year Disposal Tonnage

Dear Mr. Williams:

We have reviewed the submittal requesting credits and adjustments to the Interlocal Region 1995 base year tonnage, along with the information we have from the 1995 Annual Solid Waste Progress Reports. After consideration of documentation provided with the submittal, in addition to documentation for the 1995 Annual Solid Waste Progress Report, we have determined the disposal tonnage for Interlocal Region 1995 Base Year to be 90813.86 tons. This number, along with consideration of waste reduction program efforts, will be used to gauge the Region's progress toward reducing solid waste disposal between Base Year 1995 and Goal Year 2003.

If you have any questions or concerns, please contact me at (615) 532-0463, or Becky Gorham at (615) 532-0744.

Sincerely,

A handwritten signature in cursive script that reads "Karen Grubbs".

Nashville, TN 37243

Dear Mr. Graham:

Following materials were diverted from a Class 1 landfill during calendar year 1995 from the City of Fayetteville as per the official City Landfill Reports for said year:

Yard Waste - 1,702 tons

Should you have any questions, you may call (931) 433-6154.

Yours truly,

Lynn Wampler
City Administrator

Division of Community Assistance
8th Floor, L & C Tower
401 Church Street
Nashville, TN 37243

Dear Mr. Ron Graham,

Interlocal Solid Waste Authority is requesting credit for recycling and diversion done in 1995. Interlocal is made up of Franklin County, Lincoln County, Giles County, and the City of Tullahoma.

The City of Pulaski owns and operates a Class III/IV landfill and the amount of materials disposed of in this facility in 1995 totals to 4,451.42 tons. Franklin County diverted an estimated 4,500 tons of brush and leaves. While, the City of Tullahoma diverted 4,027.41 tons of brush and leaves. The total tonnage Interlocal Reported in 1995 going to a Class I landfill in 1995 was 74,968.96 tons.

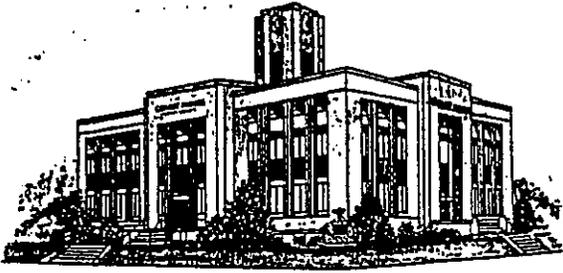

By adding 572.65 tons of recycling material from Franklin County, 1,171.41 tons in Giles County, 224.00 tons in Lincoln County, and 519.91 tons from Tullahoma. Due to unreliable numbers for the Pulaski drop-off program in 1995 we reported the recycling tonnage figures for 1994. We are sure the tonnage figures for 1995 are equal to or greater than 329.15 tons.

A report done by the Tennessee Recyclers Association showed industries in Franklin Co., Giles Co., Lincoln Co., and the City of Tullahoma reported 60,772.70 tons of recycled materials in 1995. Also, Jack Daniels Distillery is working on wood waste tonnage figures for 1995. As soon as they provide these figures we will send them. The new tonnage figure for 1995 should be ~~151,537.64~~. If you have any questions please feel free to contact Carol Fulmer at (931)962-9048. *See following page.*

Sincerely,

A.J. Williams, Chairman

Lincoln County also had 1,702.000 tons of wood waste that was not reported in 1995. The total tonnage figure for 1995 should be ~~153,239.61~~ tons.

March 29, 1996

To Whom It May Concern

The City of Tullahoma diverted 658,420 pounds of cardboard, 357,200 pounds of mixed paper, 19,760 pounds of aluminum, and 4,440 pounds of plastic from the waste stream during the calendar year, 1995.

The materials were collected and sent to market through our Commercial and Residential Recycling Programs, as well as through drop-off collection offered once per week at our City Shop. Some of the materials were also collected from various drop-off points placed on City school grounds.

If you need additional information, please feel free to contact me at 615-455-2648, ext. 102.

Sincerely,

Carol Ivey

LINCOLN COUNTY

Recycling

Lincoln County CLEAN, Inc., has the only recycling program in the county. It is a drop-off program with the facility being located in Fayetteville. Materials accepted are:

Mixed paper
Telephone books
Newspaper
Tin
Aluminum cans

Tons recycled in 1995 - 224

The Traylor Group, Inc.

P.O. Box 1338
160 Dilbeck Road
Rainsville, AL 35986
Phone (205) 638-6355
Fax (205) 638-8979

December 4, 1995

Giles County
Attn: Mr. Dan Watson
Solid Waste Manager
P.O. Box 678
Pulaski, TN 38478

Dear Dan,

Our last meeting we discussed what we would accept in our containers at the drop off points. Listed below are the materials that we will accept in our containers:

- Newspaper - including inserts
- Junk mail - any junk mail unless it is plastic lined or has a plastic film enclosing the material; no metal of any type.
- Magazines - please remove plastic
- Telephone books and Catalogs
- PET - Soda Bottles
- HDPE - Milk jugs
- Aluminum Cans

Items that we do not accept would be anything not listed in the above paragraph. Just a few items that need to be mentioned is glass and metal cans or containers. We feel this would be something we could add later.

We will have stickers made that list the above materials and place these on our containers.

Please let me know if you think this will be sufficient for you.

Best Regards,

TONS RECYCLED IN 1995 - 1171.41

Ms. Lisa Cross
SCTDD
P. O. Box 1346
Columbia, Tennessee 38402-1346

Dear Lisa:

After reviewing all the information I could find in my files concerning 1995 waste disposal in Giles County, I now submit the following totals. Based on the information I have, I believe them to be accurate and hope they will be acceptable to the State in establishing our base year for waste reduction. I have also included the documentation from which I derived these totals.

Up until the latter part of 1994 the City of Pulaski owned and operated its own Class I landfill and was accepting waste from throughout Giles County. From January 1995 through May 1995, the City of Pulaski accepted waste from the County at a temporary transfer station near the site of the old landfill. The collected waste was hauled by Sanifill to their facility in Lewisburg. The total garbage hauled in these four months totaled: 4619.72 tons. This total was taken from Sanifill billing records provided to me by the City of Pulaski.

The current BFI/Giles County Transfer Station operating under contract with the Interlocal Solid Waste Authority opened in May 1995. The garbage totals from this Transfer Station amounted to 9667.82 tons. This information was provided to the ISWA from BFI. A copy of the sheet is attached.

The following totals were taken from a sheet prepared by Kimble Maynard formerly of the South Central Tennessee Development District a copy of which is attached:

City of Ardmore - (BFI Transfer Station - Fayetteville) - 1905.00 tons.
City of Elkton - (Sanifill - January - August) - 315.00 tons (September - December - Sanifill hauled Elkton's garbage to the BFI/Giles County Transfer Station)
Lynnville (Sanifill - based on per capita) - 302.00 tons
Pulaski Rubber Company - (to Sanifill) - 283.50 tons

The City of Pulaski owns and operates a Class 3 / 4 Landfill and the material disposed of in this facility in 1995 totals to 4451.42 tons. This total was derived from a tally sheet kept by a former

City of Pulaski employee for the months January - April 1995. The rest of the year all Class 3 / 4 material was weighed through the BFI/Giles County Transfer Station then disposed of in the Class 3 / 4 landfill. Tickets generated by the Transfer Station were tallied and added to the numbers from the tally sheet and that gave me the total above. This number does include tires that were shredded and put in the Class 3 / 4 landfill.

The Traylor Group of Rainsville, Alabama reported to me that they collected 1171.41 tons of cardboard in Giles County for 1995.

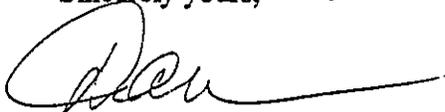

The City of Pulaski operated a recycling drop-off program in 1995 which was open to the county. It was operated at that time under contract with a private company. Unfortunately, their contract did not require recycling totals to be kept. From 1991 through December 1994 I was employed by the City of Pulaski to work in the same drop-off program. In 1994 (for my own information and not as a part of my job) I kept the totals of what we marketed and how much we received for it. The number for 1994 was 329.15 tons of recycled materials. It is my opinion that at least that much and probably more was collected and marketed in 1995.

When all of the above totals are added together, we have a grand total of 23,045.02 tons of solid waste accounted for in 1995. As stated earlier, based on the numbers I have, I believe these figures to be accurate. If you should find a problem with what I have submitted, I would appreciate you showing me my mistake so that I might make the appropriate changes needed.

As a note of caution, I would remind you not to count the City of Ardmore twice. Though most of that waste was generated in Giles County, it is disposed of at the BFI/Lincoln County Transfer Station because it is closer than the Giles County Transfer Station.

I hope this helps.

Sincerely yours,

Dan Watson
Solid Waste Manager

Giles County Letter Referencing Small Private Waste Haulers

The Giles County Courthouse

Giles County, Tennessee

P.O. Box 678 • Pulaski, Tennessee 38478

February 14, 2000

Mr. Ron Graham, Director
TDEC - Division of Community Assistance
401 Church Street - 8th Floor
Nashville, Tennessee 37243-0455

Dear Mr. Graham:

The following is a brief description of the garbage collection system currently in place in Giles County:

The five municipalities within our borders (Ardmore, Elkton, Lynnville, Minor Hill and Pulaski) provide mandatory door-to-door garbage pickup. Each household and business within those municipalities are charged a monthly fee for that service. According to population figures published in the 1999-2000 edition of the Tennessee Blue Book these municipalities make up about 38% of our total population.

For residents outside a municipal area, we have 9 independent garbage hauling companies operating within the County. These private haulers have no affiliation with the County and residents are free to contract with any of these haulers as they see fit to provide them with at-home garbage collection.

For those who choose to haul their own garbage, the local BFI Transfer Station is open to all county residents during regular business hours. The current tipping fee charged at the Transfer Station is \$37.57 per ton. Our State certified Convenience Center is located adjacent to the Transfer Station.

In addition to the above mentioned components of our waste system, Giles County also operates a recycling drop-off center at the south end of Pulaski and an Option 3 waste tire program at a site near the Transfer Station. The City of Pulaski owns and operates a Class III and IV construction and demolition landfill and, it, too, is located near the Transfer Station. These facilities are open to all county residents.

With these facts in mind, this letter is to certify that at least 90% of all Giles County, Tennessee residents have access to adequate garbage collection at a reasonable price.

This letter is being written as apart of the annual update of the Solid Waste Management Plan of the Interlocal Solid Waste Authority. Thank You.

Sincerely,

Earl Wakefield

Interlocal Revised Solid Waste Plan

Attachment 7

Resolutions Reconfiguring the Region into Five County Region

RESOLUTION 11-16

Dissolving the Bedford County Municipal Solid Waste Region and Approving the Re-Configuring of the Interlocal Solid Waste Region to Include Moore County and Bedford County, Tennessee

WHEREAS, Bedford County has established a single county municipal solid waste region, known as _____, pursuant to Tenn. Code Ann. § 68-211-801, *et seq.*; and

WHEREAS, pursuant to Tenn. Code Ann. § 68-211-813(4), the Tennessee General Assembly has declared that the preferred organization of municipal solid waste regions is by multi-county; and

WHEREAS, Bedford County has determined that it is in the best interests of its citizens to participate in a multi-county solid waste region; and

WHEREAS, Giles, Franklin, and Lincoln Counties created the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region (a/k/a the Interlocal Solid Waste Region) by Resolution pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*; and

WHEREAS, Giles, Franklin, and Lincoln Counties and the City of Tullahoma, Tennessee, created the Interlocal Solid Waste Authority pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, in part to implement the Plan for the Region; and

WHEREAS, it is in the best interests of the Region to re-configure the Interlocal Solid Waste Region to include Bedford and Moore Counties; and

WHEREAS, this Resolution is intended to amend the Resolution Creating the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region, which was approved by the governing bodies of Giles, Franklin, and Lincoln Counties in 1992, to allow for the Region to include Moore and Bedford Counties and to establish new Board members for the reconfigured Region.

NOW, THEREFORE, BE IT RESOLVED, by the Board of the County Commissioners of Bedford County, Tennessee, acting pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*, as follows:

Section 1. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(A), Bedford County is hereby dissolving its single county municipal solid waste region.

Section 2. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(B), Bedford County is hereby approving its membership in the reconfigured five-county Interlocal Solid Waste Region composed of Giles, Franklin, Lincoln, Moore, and Bedford Counties.

Section 3. Pursuant to Tenn. Code Ann. § 68-211-813(b)(1), the Interlocal Solid Waste Region Board ("Board") will administer the activities of the newly reconfigured Region, and the Board, as set forth in the 1992 Resolutions of Giles, Franklin, and Lincoln Counties to

create the three-county Region, is being restructured to consist of fifteen (15) members pursuant to Tenn. Code Ann. § 68-211-813(b)(1). Bedford County will be represented by one (1) member on the Board. This member shall be appointed by the County Mayor of Bedford County and approved by the Board of County Commissioners and will serve for a six-year term.

Section 3. The Board shall have all of the powers and duties as granted by Tenn. Code Ann. §§ 68-211-801, *et seq.* The Board shall select from its members a chair, vice-chair, and secretary and establish a Solid Waste Advisory Committee pursuant to Tenn. Code Ann. § 68-211-813(e).

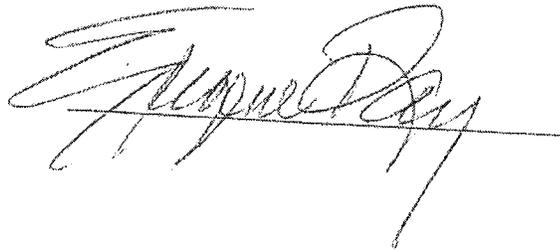

Section 4. In addition to the performance of its duties to revise the Interlocal Solid Waste Region Plan, the Board shall be empowered to utilize existing Bedford County governmental personnel, to employ or contract with persons, private consulting firms, and/or governmental, quasi-governmental, and public entities and agencies and to utilize Bedford County's services, facilities, and records in completing this task.

Section 5. The Board is authorized to apply for and receive funds from the State of Tennessee, the federal government, Bedford County, and donations and grants from private corporations and foundations to assist in revising the Plan to the extent necessary.

Section 6. The current single county solid waste region of Bedford County shall continue to exist and shall continue to follow its current approved Plan until the Tennessee Department of Environment and Conservation approves the revised Plan for the reconfigured five-county Region pursuant to Tenn. Code Ann. § 68-211-813(a)(3).

Section 7. This Resolution is effective immediately upon the approval of the revised Plan for the reconfigured five-county Region by the Tennessee Department of Environment and Conservation.

Passed by a majority of the membership of the Bedford County Legislative Body on this the 12 day of April, 2011.

BEDFORD COUNTY CLERK

RESOLUTION

Dissolving the Metro/Moore County Municipal Solid Waste Region and Approving the Re-Configuring of the Interlocal Solid Waste Region to Include Metro/Moore County and Bedford County, Tennessee

WHEREAS, Metro/Moore County has established a single county municipal solid waste region, known as Metro/Moore County's Municipal Solid Waste Planning Region pursuant to Tenn. Code Ann. § 68-211-801, *et seq.*; and

WHEREAS, pursuant to Tenn. Code Ann. § 68-211-813(4), the Tennessee General Assembly has declared that the preferred organization of municipal solid waste regions is by multi-county; and

WHEREAS, Metro/Moore County has determined that it is in the best interests of its citizens to participate in a multi-county solid waste region; and

WHEREAS, Giles, Franklin, and Lincoln Counties created the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region (a/k/a the Interlocal Solid Waste Region) by Resolution pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*; and

WHEREAS, Giles, Franklin, and Lincoln Counties and the City of Tullahoma, Tennessee, created the Interlocal Solid Waste Authority pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, in part to implement the Plan for the Region; and

WHEREAS, it is in the best interests of the Region to re-configure the Interlocal Solid Waste Region to include Bedford and Metro/Moore Counties; and

WHEREAS, this Resolution is intended to amend the Resolution Creating the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region, which was approved by the governing bodies of Giles, Franklin, and Lincoln Counties in 1992, to allow for the Region to include Metro/Moore and Bedford Counties and to establish new Board members for the reconfigured Region.

NOW, THEREFORE, BE IT RESOLVED, by the Metropolitan Council of Metro/Moore County, Tennessee, acting pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*, as follows:

Section 1. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(A), Metro/Moore County is hereby dissolving its single county municipal solid waste region.

Section 2. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(B), Metro/Moore County is hereby approving its membership in the reconfigured five-county Interlocal Solid Waste Region composed of Giles, Franklin, Lincoln, Metro/Moore, and Bedford Counties.

Section 3. Pursuant to Tenn. Code Ann. § 68-211-813(b)(1), the Interlocal Solid Waste Region Board ("Board") will administer the activities of the newly reconfigured Region, and the Board, as set forth in the 1992 Resolutions of Giles, Franklin, and Lincoln Counties to create the three-county Region, is being restructured and will consist of fifteen (15) members pursuant to Tenn. Code Ann. § 68-211-813(b)(1). Metro/Moore County will be represented by one (1) member on the Board. This member shall be appointed by the Metropolitan Mayor of Metro/Moore County and approved by the Metropolitan Council of Metro/Moore County, Tennessee, and will serve for a six-year term.

Section 4. The Board will have all of the powers and duties as granted by Tenn. Code Ann. §§ 68-211-801, *et seq.* The Board shall select from its members a chair, vice-chair, and secretary and establish a Solid Waste Advisory Committee pursuant to Tenn. Code Ann. § 68-211-813(e).

Section 5. In furtherance of the performance of its duties to revise the Interlocal Solid Waste Region Plan, the Board shall be empowered to utilize existing Metro/Moore County governmental personnel, to employ or contract with persons, private consulting firms, and/or governmental, quasi-governmental, and public entities and agencies and to utilize Metro/Moore County's services, facilities, and records in completing this task.

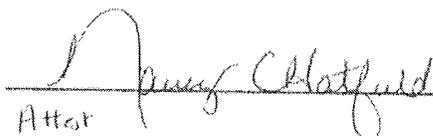

Section 6. The Board is authorized to apply for and receive funds from the State of Tennessee, the federal government, Metro/Moore County, and donations and grants from private corporations and foundations to assist in revising the Plan to the extent necessary.

Section 7. The current single county solid waste region of Metro/Moore County shall continue to exist and shall continue to follow its current approved Plan until the Tennessee Department of Environment and Conservation approves the revised Plan for the reconfigured five-county Region pursuant to Tenn. Code Ann. § 68-211-813(a)(3).

Section 8. This Resolution is effective immediately upon the approval of the revised Plan for the reconfigured five-county Region by the Tennessee Department of Environment and Conservation.

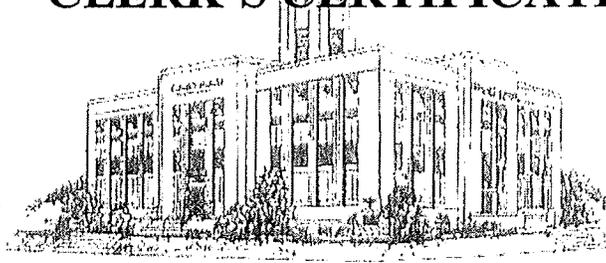

Passed by a majority of the membership of the Metro/Moore County Legislative Body on this the 21st day of March, 2011.

CLERK'S CERTIFICATE

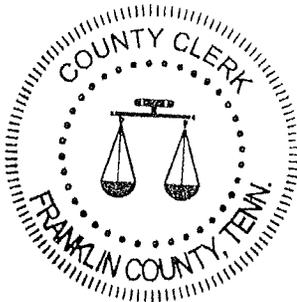

I, Phillip Custer, County Clerk of Franklin County, Tennessee hereby certify that the attached document is a true and correct copy of:

RESOLUTION 8d-0711 AMENDING THE RESOLUTION OF THE MUNICIPAL SOLID WASTE PLANNING REGION TO ESTABLISH A FIVE-COUNTY INTERLOCAL SOLID WASTE REGION, INCLUDING BEDFORD AND MOORE COUNTY, UPON THE DISSOLUTION OF THE THREE-COUNTY REGION

This resolution was adopted in a regular session of the Franklin County Board of Commissioners on July 18, 2011 and is recorded on file in my office in Commissioners Minute Book 24, pages 308-310.

Witness my hand and official seal, at office in Winchester, Tennessee, this the 17th day of April 2012.

A handwritten signature in cursive script that reads "Phillip Custer".

Phillip Custer, County Clerk
of Franklin County, Tennessee

RESOLUTION 8d-0711

AMENDING THE RESOLUTION OF THE MUNICIPAL SOLID WASTE PLANNING REGION TO ESTABLISH A FIVE-COUNTY INTERLOCAL SOLID WASTE REGION, INCLUDING BEDFORD AND MOORE COUNTY, UPON THE DISSOLUTION OF THE THREE-COUNTY REGION

WHEREAS, in 1992, Giles, Franklin, and Lincoln Counties created by Resolution the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region (a/k/a the Interlocal Solid Waste Region) pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*; and

WHEREAS, Giles, Franklin, and Lincoln Counties and the City of Tullahoma, Tennessee, created the Interlocal Solid Waste Authority pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, in part to implement the Plan for the Region; and

WHEREAS, Bedford County and Moore County desire to join in a multi-county region with Giles, Franklin, and Lincoln Counties; and

WHEREAS, it is in the best interests of the Region to re-configure the Interlocal Solid Waste Region to include the Counties of Giles, Franklin, Lincoln, Bedford and Moore; and

WHEREAS, this Resolution is intended to amend the Resolution Creating the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region and setting forth the Agreement, which was approved by the governing bodies of Giles, Franklin, and Lincoln Counties in 1992, to allow for the Region to include Moore and Bedford Counties and to establish new Board members for the reconfigured Region.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Franklin County, Tennessee, acting pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*, as follows:

Section 1. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(B), Franklin County hereby approves its membership in the reconfigured five-county Interlocal Solid Waste Region composed of Giles, Franklin, Lincoln, Moore, and Bedford Counties ("Region"). This five-county Region will be the successor region to the three-county region of Giles, Franklin, and Lincoln Counties that was created in 1992. Thus, Franklin County approves the dissolution of the three-county region, pursuant to Tenn. Code Ann. §68-211-813(a)(2)(A), upon the establishment of the five-county Region.

Section 2. Pursuant to Tenn. Code Ann. § 68-211-813(b)(1), the Interlocal Solid Waste Region Board ("Board") will administer the activities of the newly reconfigured Region, and the Board, as set forth in the 1992 Resolutions of Giles, Franklin, and Lincoln Counties to create the three-county Region, is being restructured and will consist of fifteen (15) members pursuant to Tenn. Code Ann. § 68-211-813(b)(1) as follows:

Giles County	1 member
Franklin County	1 member
Lincoln County	1 member
Bedford County	1 member
Moore County	1 member
The City of Pulaski	1 member
The City of Tullahoma	1 member
Minor Hill	1 member
Ardmore	1 member
Lynnville	1 member
Estill Springs	1 member
Winchester	1 member
Cowan	1 member
Decherd	1 member
Huntland	1 member

Section 3. Each member of the Board will be appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body.

Section 4. The members of the Board shall serve a six-year term. The Board will continue the terms of office as established for the board of its predecessor region. The expiration of such terms is as follows:

Giles County	July 1, 2017
Franklin County	July 1, 2017
Lincoln County	January 1, 2015
Bedford County	January 1, 2017
Moore County	January 1, 2015
The City of Pulaski	January 1, 2013
The City of Tullahoma	July 1, 2017
Minor Hill	January 1, 2017
Ardmore	January 1, 2017
Lynnville	January 1, 2017
Estill Springs	January 1, 2015
Winchester	January 1, 2013
Cowan	January 1, 2015
Decherd	January 1, 2015
Huntland	January 1, 2017

Section 5. The Board shall have all of the powers and duties as granted by Tenn. Code Ann. §§ 68-211-801, *et seq.* The Board shall select from its members a chair, vice-chair, and secretary and establish a Solid Waste Advisory Committee pursuant to Tenn. Code Ann. § 68-211-813(e).

Section 6. In furtherance of the performance of its duties to revise the Interlocal Solid Waste Region Plan, the Board shall be empowered to utilize existing governmental personnel of Franklin County, to employ or contract with persons, private consulting firms, and/or governmental, quasi-governmental, and public entities and agencies and to utilize Franklin County's services, facilities, and records in completing this task.

Section 7. The Board is authorized to apply for and receive funds from the State of Tennessee, the federal government, Franklin County, and donations and grants from private corporations and foundations to assist in revising the Plan to the extent necessary.

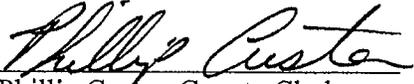

Section 8. The current three-county solid waste region of Giles, Franklin, and Lincoln Counties shall continue to exist and shall continue to follow its current approved Plan until the Tennessee Department of Environment and Conservation approves the revised Plan for the reconfigured five-county Region pursuant to Tenn. Code Ann. § 68-211-813(a)(3).

Section 9. This Resolution is effective immediately upon the approval of the revised Plan for the reconfigured five-county Region by the Tennessee Department of Environment and Conservation.

Passed by a majority of the membership of the Franklin County Legislative Body on this the 18th day of July, 2011.

RESOLUTION

WHEREAS, in 1992, Giles, Franklin, and Lincoln Counties created by Resolution the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region (a/k/a the Interlocal Solid Waste Region) pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*; and

WHEREAS, Giles, Franklin, and Lincoln Counties and the City of Tullahoma, Tennessee, created the Interlocal Solid Waste Authority pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, in part to implement the Plan for the Region; and

WHEREAS, Bedford County and Moore County desire to join in a multi-county region with Giles, Franklin, and Lincoln Counties; and

WHEREAS, it is in the best interests of the Region to re-configure the Interlocal Solid Waste Region to include the Counties of Giles, Franklin, Lincoln, Bedford and Moore; and

WHEREAS, this Resolution is intended to amend the Resolution Creating the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region and setting forth the Agreement, which was approved by the governing bodies of Giles, Franklin, and Lincoln Counties in 1992, to allow for the Region to include Moore and Bedford Counties and to establish new Board members for the reconfigured Region.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Giles County, Tennessee, acting pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*, as follows:

Section 1. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(B), Giles County hereby approves its membership in the reconfigured five-county Interlocal Solid Waste Region composed of Giles, Franklin, Lincoln, Moore, and Bedford Counties ("Region"). This five-county Region will be the successor region to the three-county region of Giles, Franklin, and Lincoln Counties that was created in 1992. Thus, Giles County approves the dissolution of the three-county region, pursuant to Tenn. Code Ann. §68-211-813(a)(2)(A), upon the establishment of the five-county Region.

Section 2. Pursuant to Tenn. Code Ann. § 68-211-813(b)(1), the Interlocal Solid Waste Region Board ("Board") will administer the activities of the newly reconfigured Region, and the Board, as set forth in the 1992 Resolutions of Giles, Franklin, and Lincoln Counties to create the three-county Region, is being restructured and will consist of fifteen (15) members pursuant to Tenn. Code Ann. § 68-211-813(b)(1) as follows:

- Giles County 1 member
- Franklin County 1 member
- Lincoln County 1 member
- Bedford County 1 member
- Moore County 1 member
- The City of Pulaski 1 member
- The City of Tullahoma 1 member

RESOLUTION

WHEREAS, in 1992, Giles, Franklin, and Lincoln Counties created by Resolution the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region (a/k/a the Interlocal Solid Waste Region) pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*; and

WHEREAS, Giles, Franklin, and Lincoln Counties and the City of Tullahoma, Tennessee, created the Interlocal Solid Waste Authority pursuant to Tenn. Code Ann. §§ 68-211-901, *et seq.*, in part to implement the Plan for the Region; and

WHEREAS, Bedford County and Moore County desire to join in a multi-county region with Giles, Franklin, and Lincoln Counties; and

WHEREAS, it is in the best interests of the Region to re-configure the Interlocal Solid Waste Region to include the Counties of Giles, Franklin, Lincoln, Bedford and Moore; and

WHEREAS, this Resolution is intended to amend the Resolution Creating the Giles, Franklin, Lincoln Counties' Municipal Solid Waste Planning Region and setting forth the Agreement, which was approved by the governing bodies of Giles, Franklin, and Lincoln Counties in 1992, to allow for the Region to include Moore and Bedford Counties and to establish new Board members for the reconfigured Region.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Lincoln County, Tennessee, acting pursuant to Tenn. Code Ann. §§ 68-211-801, *et seq.*, as follows:

Section 1. Pursuant to Tenn. Code Ann. § 68-211-813(a)(2)(B), Lincoln County hereby approves its membership in the reconfigured five-county Interlocal Solid Waste Region composed of Giles, Franklin, Lincoln, Moore, and Bedford Counties ("Region"). This five-county Region will be the successor region to the three-county region of Giles, Franklin, and Lincoln Counties that was created in 1992. Thus, Lincoln County approves the dissolution of the three-county region, pursuant to Tenn. Code Ann. §68-211-813(a)(2)(A), upon the establishment of the five-county Region.

Section 2. Pursuant to Tenn. Code Ann. § 68-211-813(b)(1), the Interlocal Solid Waste Region Board ("Board") will administer the activities of the newly reconfigured Region, and the Board, as set forth in the 1992 Resolutions of Giles, Franklin, and Lincoln Counties to create the three-county Region, is being restructured and will consist of fifteen (15) members pursuant to Tenn. Code Ann. § 68-211-813(b)(1) as follows:

Giles County	1 member
Franklin County	1 member
Lincoln County	1 member
Bedford County	1 member
Moore County	1 member
The City of Pulaski	1 member

The City of Tullahoma	1 member
Minor Hill	1 member
Ardmore	1 member
Lynnville	1 member
Estill Springs	1 member
Winchester	1 member
Cowan	1 member
Decherd	1 member
Huntland	1 member

Section 3. Each member of the Board will be appointed by the respective county or municipal mayor and approved by the respective county or municipal governing body.

Section 4. The members of the Board shall serve a six-year term. The Board will continue the terms of office as established for the board of its predecessor region. The expiration of such terms is as follows:

Giles County	July 1, 2017
Franklin County	July 1, 2017
Lincoln County	January 1, 2015
Bedford County	January 1, 2017
Moore County	January 1, 2015
The City of Pulaski	January 1, 2013
The City of Tullahoma	July 1, 2017
Minor Hill	January 1, 2017
Ardmore	January 1, 2017
Lynnville	January 1, 2017
Estill Springs	January 1, 2015
Winchester	January 1, 2013
Cowan	January 1, 2015
Decherd	January 1, 2015
Huntland	January 1, 2017

Section 5. The Board shall have all of the powers and duties as granted by Tenn. Code Ann. §§ 68-211-801, *et seq.* The Board shall select from its members a chair, vice-chair, and secretary and establish a Solid Waste Advisory Committee pursuant to Tenn. Code Ann. § 68-211-813(e).

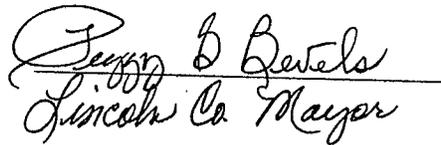

Section 6. In furtherance of the performance of its duties to revise the Interlocal Solid Waste Region Plan, the Board shall be empowered to utilize existing governmental personnel of Lincoln County, to employ or contract with persons, private consulting firms, and/or governmental, quasi-governmental, and public entities and agencies and to utilize Lincoln County's services, facilities, and records in completing this task.

Section 7. The Board is authorized to apply for and receive funds from the State of Tennessee, the federal government, Lincoln County, and donations and grants from private corporations and foundations to assist in revising the Plan to the extent necessary.

Section 8. The current three-county solid waste region of Giles, Franklin, and Lincoln Counties shall continue to exist and shall continue to follow its current approved Plan until the Tennessee Department of Environment and Conservation approves the revised Plan for the reconfigured five-county Region pursuant to Tenn. Code Ann. § 68-211-813(a)(3).

Section 9. This Resolution is effective immediately upon the approval of the revised Plan for the reconfigured five-county Region by the Tennessee Department of Environment and Conservation.

PUBLIC NOTICE

Notice of Public Hearing
 and Public Meeting - The
 Board of the municipal solid
 waste planning region
 known as the Interlocal
 Solid Waste Region will
 hold a special public meet-
 ing and a public hearing
 on Wednesday, April 10,
 2013, at 6:00 p.m., in the
 Fayetteville Municipal
 Building Auditorium, 110
 Elk Avenue South, Fayetteville,
 Tennessee. There will be considered
 such business as may
 properly come before the
 Board, including but not
 limited to holding a public
 hearing to receive citizen
 input relating to the pro-
 posed revised solid waste
 plan pursuant to Tenn.
 Code Ann. § 68-211-801
 et seq. A copy of the pro-
 posed revised plan may be
 viewed by the public at the
 Bedford County Court-
 house, 1 Public Square,
 Suite 101, Shelbyville,
 Tennessee. This notice is
 submitted in compliance
 with Sections 8-44-101 to
 8-44-106, inclusive, Ten-
 nessee Code Annotated.

voted unanimo-
 usly in February
 to allow Ty Gray,
 principal of Dove
 Creek High School,
 and Superintendent
 Bruce Hankins
 to double as secu-
 rity officers, who
 under state law are
 allowed to carry
 guns on elementary,
 middle and high
 school campuses.

\$1 per year

Hankins and
 Gray — both life-
 long hunters — will
 receive an addition-
 al \$1 per year for
 the extra responsi-
 bility after complet-
 ing a concealed-
 carry course and
 receiving permits
 from the county
 sheriff before they
 can carry a gun on
 school grounds.

"We won't live
 our lives in fear, but
 we realize the world
 we live in today and
 need to do every-
 thing in our power
 to keep kids safe,"
 Hankins told The
 Cortez Journal after
 the vote.

"If somebody
 comes into the
 building making
 threats or shooting,
 I'm not going to hide
 behind my desk. I'd
 prefer to have more
 than a chair (as a
 weapon)."

(Note Holder), appointed the undersigned, Nationwide Trustee Services, Inc., as Substitute Trustee by instrument filed or to be filed for record in the Register's Office of Bedford County, Tennessee, with all the rights, powers and privileges of the original Trustee named in said Deed of Trust; and

WHEREAS, pursuant to Tenn. Code Ann. § 35-5-117, not less than sixty (60) days prior to the first publication required by § 35-5-101, the notice of the right to foreclose was properly sent, if so required; and

NOW, THEREFORE, notice is hereby given that the entire indebtedness has been declared due and payable as provided in said Deed of Trust by the Note Holder, and that the undersigned, Nationwide Trustee Services, Inc., Substitute Trustee, or its duly appointed attorneys or agents, by virtue of the power and authority vested in it, will on Thursday, April 11, 2013, commencing at 11:00 a.m. at the South Entrance of the Bedford County Courthouse location in Tennessee, proceed to sell at public outcry to the highest and best bidder for cash, the following described property situated in Bedford County, Tennessee, to wit:

Tract No. 1: Being Lot No. 12 in Hillside Subdivision No. 2 to the City of Shelbyville, a plat of which is recorded in Deed Book 69, Page 223, Register's Office of Bedford County, Tennessee. Tract No. 2 beginning at an iron pipe driven in the ground in the east boundary of Lindell Boulevard at the northwest corner of Lot 12 and the southwest corner of Lot 10, running thence south 77 degrees, 54 minutes east along the north boundary of Lot 12, 151.33 feet to a stake at the northeast corner of Lot 12 and in the west boundary of Lot 17; thence north 4 degrees 30 minutes east with the west boundary of Lot 17 and the east boundary of Lot 11, 20 feet to a stake; thence north 85 degrees 30 minutes west crossing the line between Lots 11 and 10 at 75 feet and continuing, still in the same straight line, in all 150 feet to the beginning. Being the same property conveyed to Thomas Richard Bledsoe and wife, Cyndra Ann Bledsoe by deed of record from Melba B. Bledsoe (now Whortley), dated 03/11/98 and recorded 03/16/98 in Book D224, Page 147, Register's Office of Bedford County, Tennessee. This property is also known as 1103 Lindell Blvd., Shelbyville, TN 37160. Further being the same property conveyed to Charles A. Womack and Amy C. Womack, husband and wife, by deed from Thomas R. Bledsoe AND Cyndra A. Bledsoe, husband and wife, dated 4/25/05 and recorded 5-24-05 in Book 269 Page 827, register's office of Bedford County, Tennessee. PROPERTY ADDRESS: 1103 Lindell Blvd., Shelbyville, TN 37160 CURRENT OWNER(S): Charles A Womack and Amy C Womack

The sale of the above-

School leaders carry guns on campus

By THOMAS PEIPERT
Associated Press
DENVER — As lawmakers across the country debate arming teachers and administrators to prevent another deadly school shooting, one Colorado school district has voted to let its superintendent and a high school principal carry concealed semi-automatic pistols on campus — a move some say side-steps laws meant to keep schools gun-free.

The seven-member school board in southwestern Colorado's rural Dolores County voted unanimously in February to allow Ty Gray, principal of Dove Creek High School, and Superintendent Bruce Hankins to double as security officers, who under state law are allowed to carry guns on elementary, middle- and high school campuses.

\$1 per year

Hankins and Gray — both lifelong hunters — will receive an additional \$1 per year for the extra responsibility after completing a concealed-carry course and receiving permits from the county sheriff before they can carry a gun on school grounds.

"We won't live our lives in fear, but we realize the world we live in today and need to do everything in our power to keep kids safe," Hankins told The Cortez Journal after the vote.

"If somebody comes into the building making threats or shooting, I'm not going to hide behind my desk. I'd prefer to have more than a chair (as a weapon)."

The superintendent of District RE-2J, which serves about 275 students, announced the sale time and place for the sale set forth above.

declined an Associated Press request to be interviewed by phone or in person, though he did respond to emailed questions.

Fast response

"In most school shootings, they are over in just a few minutes," Hankins wrote. "We will have immediate response capability."

In New Jersey, Passaic Valley High School's board of education voted unanimously last month to allow the school's principal, a retired police sergeant, to carry a concealed weapon during the school day.

Before becoming principal, Ray Rotella spent four years as the school's safety officer and carried a gun.

Board's idea

Rotella said the board proposed

NOTICE OF TRUSTEE SALE

Default having been made in payment of the indebtedness described in the Deed of Trust executed by Earle E. Bufford and Betty J. Barrell, to Craig R. Allen, Trustee, Jim Walter Homes, Inc., dated October 31, 2000, recorded on December 11, 2000, in Book 314, Page 16, Register's Office of Giles County, Tennessee, Inc., dated October 31, 2000, recorded in Book 323, Page 122, and further assigned to Mid-State Trust IX on April 20, 2001, recorded in Book 323, Page 123, and further assigned to First Union National Bank, recorded on April 20, 2001, in Book 323, Page 124, and further assigned to U.S. Bank, N.A., as Trustee on behalf of Mid-State X, on March 14, 2013, the holder of the Note described therein, having declared the entire balance due, payable and unpaid, to Craig R. Allen, Trustee, will subject to restrictions, conditions, easements and encumbrances superior to said Deed of Trust which affect

cash, at the front door of the Giles County Courthouse in Pulaski, Tennessee, in bar of the equities of redemption, homestead, dower, and all other rights and exemptions of every kind, the following improved real estate in Giles County, Tennessee, to wit:
Property described in the above-referenced Deed of Trust with Tax ID: 161-23-0000, and subject to any unpaid State, County and City taxes and other assessments or other liens, easements or restrictions.
Other Liens: None
The Trustee, at the instructions of the beneficiary of the Deed of Trust, shall have the power to adjourn the foreclosure sale to a date certain without further advertisement.
CRAIG R. ALLEN, Trustee

Hayes and Donald A. Hickey, trustee, on August 28, 2008 at Book DT461, Page 302; all of record in the Giles County Register's Office.
Owner of Debt: JPMorgan Chase Bank, National Association
The following real estate located in Giles County, Tennessee, will be sold to the highest call bidder subject to all unpaid taxes, prior liens and encumbrances of record:
Described property located in the First Civil District of Giles County, Tennessee, to wit:
Lots No. 99 and 100, Section 2, Highland Heights Subdivision, an account to map and plat of record in Plat Book 2, page 77, Register's Office of Giles County, Tennessee, and to which reference is

SUBSTITUTE TRUSTEE'S SALE

herely made for a metes and bounds description.
Subject to any and all building setback lines, easements, etc., on Plat of Highland Heights, Section 2, of record in Plat Cabinet 1, Enclosure 79B, (formerly Plat Book 2, page 77) Register's Office of Giles County, Tennessee.
Subject to restrictions of record in Deed Book 150, page 503, Register's Office of Giles County, Tennessee.
Street Address: 30361 Fort Hampton Street, Ardmore, Tennessee 38449
Parcel Number: 180H-B-007.00 and 180H-B-008.00
Current Owner(s) of Property: Tracy Malone and wife, Kim Malone, as tenants by the entirety
Other interested parties: First National Bank of Pulaski, TN
The street address of the above described property is believed to be 30361 Fort Hampton Street, Ardmore, Tennessee 38449, but such address is not part of the legal description of the property sold herein and in the event of any discrepancy, the legal description referenced herein shall control.

SALE IS SUBJECT TO TENANT(S) RIGHTS IN POSSESSION.

If applicable, the notice requirements of T.C.A. 35-5-117 have been met.
All right of equity of redemption, statutory and otherwise, and homestead are expressly waived in said Deed of Trust, and the title is believed to be good, but the undersigned will sell and convey only as Substitute Trustee.
If the highest bidder cannot pay the bid within twenty-four (24) hours of the sale, the next highest bidder, at their highest bid, will be deemed the successful bidder.
This property is being sold with the express reservation that the sale is subject to confirmation by the lender or trustee. This sale may be rescinded at any time.

NOTICE OF TRUSTEE'S SALE

WHEREAS, default has occurred in the performance of the covenants, terms and conditions of a Deed of Trust Note dated July 30, 2009, and the Deed of Trust of said date securing the same, recorded August 4, 2009, at Book DT471, Page 545 in Office of the Register of Deeds for Giles County, Tennessee, executed by David Leon Risner and Mary Kathy Risner, conveying certain property therein described to Charles E. Tonkin, II as Trustee for Mortgage Electronic Registration Systems, Inc., as nominee for Mortgage Investors Group and Mortgage Investors Group's successors and assigns; and the undersigned, Wilson & Associates, P.L.L.C., having been appointed Successor Trustee.
NOW, THEREFORE, notice is hereby given that the entire indebtedness has been declared due and payable; and that an agent of Wilson & Associates, P.L.L.C., as Successor Trustee, by virtue of the power, duty, and authority vested in and imposed upon said Successor Trustee with, on April 8, 2013 on or about 12:00 PM, at the Giles County Courthouse, Pulaski, Tennessee, offer for sale certain property hereinafter described to the highest bidder FOR CASH, free from the statutory right of redemption, homestead, dower, and all other exemptions which are expressly waived in the Deed of Trust, said property being real estate situated in Giles County, Tennessee, and being more particularly described as follows:
Lying and being in the 6th Civil District of Giles County, Tennessee, and being more particularly described as follows:
Beginning at a stake in the East ROW line of Skyline Drive, thence North 76 degrees, 54 minutes East 376 feet (more or less) to the West bank of Richland Creek; thence with the West bank of Richland Creek with average bearing of South 25 degrees, East 627 feet; thence South 76 degrees, 54 minutes West 160 feet (more or less)

to a stake, Cletus Nance's 42 degrees, West 32 feet; thence North 13 degrees, 30 minutes, West 151 feet to a stake 10 feet North of a large hackberry tree; thence South 76 degrees, 54 minutes, West 304 feet to a stake; thence North 13 degrees, 06 minutes, West 430 feet to the beginning and containing 6 acres more or less, and being Lots 1, 2, 3, and 4 of Hillcrest Subdivision and a tract of Cletus Nance's house.
INCLUDED IN THIS ABOVE DESCRIPTION BUT EXCLUDED FROM THIS CONVEYANCE IS THE FOLLOWING DESCRIBED TRACT OF LAND:
Situated, lying and being in the 6th Civil District of Giles County, Tennessee, South Hwy. 64 By-Pass, East of Tennessee Hwy. 166, (Bethel Road), along and East of Jenny Lane, and being described by metes and bounds as follows:
Beginning at an iron rod found in place in the East margin of Jenny Lane, said road being the Southwest corner of lands of David Stamply, (Deed Book 274, page 167), and being the Northwest corner of lands of Kelly, thence leaving the road with the South line of Stamply, North 82 degrees, 10 minutes, 15 seconds East 365.34 feet to an iron rod found on the West bank of the Richland Creek, being the Southeast corner of Stamply and the Northeast corner of Kelly, and Northeast corner of this tract; thence with the said creek West bank, South 19 degrees, 15 minutes, 52 seconds East 15.29 feet, an iron rod set, being the Southeast corner of this tract; thence with lands of Kelly, a new division line, North 82 degrees, 10 minutes, 15 seconds West 367.96 feet to an iron rod set in the East margin of Jenny Lane, being the Southwest corner of this tract; thence with the road margin, North 9 degrees, 14 minutes, 54 seconds West 15.90 feet to the point of beginning. The tract contains 0.13 acre, more or less per survey of Thomas A. Campbell, TRIS, No.

978 dated March 14, 2004, Job Number 4856.
This exclusion being the same property conveyed to David Stamply, Sr. by a Deed dated April 20, 2004 from Patrick J. Kelly and wife, Rebecca S. Kelly of record in Deed Book 314, page 566, Register's Office of Giles County, Tennessee.
ALSO KNOWN AS: 550 Jenny Lane, Pulaski, Tennessee 38478-8500
The HB 3588 letter was mailed to the borrower(s) pursuant to Tennessee Code Annotated 35-5-117. This sale is subject to all matters shown on any applicable recorded plat; any unpaid taxes; any restrictive covenants, easements or setback lines that may be applicable; any statutory rights of redemption of any governmental agency, state or federal; any prior liens, encumbrances as well as any priority created by a fixture filing; and to any matter that an accurate survey of the premises might disclose. In addition, the following parties may claim an interest in the above-referenced property: David Leon Risner; Mary Kathy Risner
The sale held pursuant to this Notice may be rescinded at the Successor Trustee's option at any time. The right is reserved to adjourn the day of the sale to another day, time, and place certain without further publication, upon announcement at the time and place for the sale set forth above. 2013-2014 school year.
For information call David Golden @ 931-937-8271 or fax 931-937-6739.

PUBLIC NOTICE

Lincoln County is subject to the provisions of the Title VI of the Civil Rights Act of 1964, as amended, which provides that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits, or be subjected to discrimination under any program activity receiving federal financial assistance.

Flintville Elementary School is accepting bids for the 2013-2014 school year for School Pictures and Yearbooks. For information call David Golden @ 931-937-8271, or fax 931-937-6739.

REQUEST FOR PROPOSAL

The City of Fayetteville is accepting sealed bids for 3,100 Garbage Carts for use in residential garbage pick up. The City of Fayetteville, pursuant to the Civil Rights Act of 1964 as amended, does not discriminate on the basis of race, color, national origin, or sex. The bidder, by virtue of submitting a proposal, agrees to adhere to the applicable provisions of said Act. Bids must be received in the Purchasing Office, 110 Elk Avenue South, Fayetteville, TN 37334, by 1:00 P.M., Thursday, April 11, 2013. The City reserves the right to waive any informality or reject any or all proposals. For questions contact Eddie Plunkett, Public Works Director, at (931) 433-2486. For specifications, contact Rebecca Sisk, Purchasing Clerk at (931) 433-6154.

Notice of Public Hearing and Public Meeting

The Board of the municipal solid waste planning region known as the Interlocal Solid Waste Region will hold a special public meeting and a public hearing on Wednesday, April 10, 2013, at 6:00 p.m., in the Fayetteville Municipal Building Auditorium, 110 Elk Avenue South, Fayetteville, Tennessee. There will be considered such business as may properly come before the Board, including but not limited to holding a public hearing to receive citizen input relating to the proposed revised solid waste plan pursuant to Tenn. Code Ann. § 68-211-801 et seq. A copy of the proposed revised plan may be viewed by the public at the Lincoln County Courthouse, Room 101, 112 Main Avenue South, Fayetteville, Tennessee. This notice is submitted in compliance with Sections 8-44-101 to 8-44-106, inclusive, Tennessee Code Annotated.

enced herein shall control.
SALE IS SUBJECT TO TENANT(S) RIGHTS IN POSSESSION.
If applicable, the notice requirements of T.C.A. 35-5-117 have been met.

All right of equity of redemption, statutory and otherwise, and homestead are expressly waived in said Deed of Trust, and the title is believed to be good, but the undersigned will sell and convey only as Substitute Trustee. If the highest bidder cannot pay the bid within twenty-four (24) hours of the sale, the next highest bidder, at their highest bid, will be deemed the successful bidder. This property is being sold with the express reservation that the sale is subject to confirmation by the lender or trustee. This sale may be rescinded at any time.

Interlocal Revised Solid Waste Plan

Attachment 9

ISWA Certification of the 2013 Revised Solid Waste Plan

**CERTIFICATION OF THE 2013 REVISED SOLID WASTE PLAN
BY THE INTERLOCAL SOLID WASTE AUTHORITY (“ISWA”)**

WHEREAS, the Interlocal Solid Waste Authority (“ISWA”) has considered the 2013 Revised Interlocal Solid Waste Plan for the five-county municipal solid waste planning region known as the Interlocal Solid Waste Region for Bedford, Franklin, Giles, Lincoln, and Moore Counties, Tennessee, pursuant to Tenn. Code Ann. § 68-211-815(b)(15); and

WHEREAS, the Board of the ISWA has determined that the 2013 Revised Plan is in the best interests of the five-county Interlocal Solid Waste Region.

NOW, THEREFORE, BE IT RESOLVED, by the Board of the ISWA, meeting in regular session this 10th day of April, 2013 as follows:

Section 1. The Board of the ISWA approves and certifies, pursuant to Tenn. Code Ann. § 68-211-815(b)(15), the 2013 Revised Interlocal Solid Waste Plan for the five-county Interlocal Solid Waste Region.

Passed unanimously by the membership of the Board of the ISWA on this the 10th day of April, 2013.

ISWA Chairman A. J. Williams
