The Graphic Design Intern will assist the Digital Media & Publications' team with a number of projects, which may include (but are not limited to):

- Produce Outreach Materials (Tennessee Dept. of Environment and Conservation and Tennessee State Parks)
- Logo/Icon Design.
- Assist with creating exhibition materials.
- Assist in brainstorming concepts for upcoming projects & marketing strategies.
- E-Newsletter Design.
- Update existing collateral material.

The Photography and Videography Interns will assist the Digital Media and Publications' and Communications teams with a number of projects, which may include photos/video of our State Parks, special events, and work activities.

The Public Affairs Intern will assist the Office of External Affairs' team with a number of projects, which may include (but not limited to):

- Policy research and analysis.
- Drafting internal and external communications such as press releases and blogs.
- Organizing public events.
- Outreach and assistance to targeted stakeholders.

The Tennessee Department of Environment and Conservation is a diverse and dynamic agency that serves our state by:

- Safeguarding the health and safety of Tennessee citizens from environmental hazards.
- Protecting and improving the quality of Tennessee's land, air and water.
- Managing the Tennessee State Parks system.
