

2015 Annual Report

Tennessee Residence Commission

Background and History

The Tennessee Residence Commission was established by law on June 8, 2010, and consists of six ex-officio members and four private citizens. In that same year, the Commission approved both a plenary master plan for adaptive restoration and preservation of the Tennessee Residence, and the Policies for the Tennessee Residence. These policies govern any maintenance, repairs, improvements, or alterations to the residence, appurtenant buildings(including Conservation Hall), and grounds, including furniture, fixtures, artwork, and finishes. Rules, within the Policy, were approved to govern the use of the Tennessee Residence for any nongovernmental activities.

The Commission has met formally four times since its inception in 2010.
