

Notice about RFQ 32505-00215

RFQ 32505-00215 was drafted heavily from RFQ 32505-00115 which was released on April 22, 2015 and then cancelled. To help avoid confusion and perhaps speed up any review process of this lengthy procurement document, the Central Procurement Office has highlighted all changes. The new RFQ 32505-00215 is a stand-alone document; please do not reference or include any information from the old RFQ 32505-00115. All highlighting in the RFQ document, pro forma contract, and all attachments are for reference purposes only and shall not be construed as part of this procurement and subsequent contract.

The RFQ Attachment A –Technical Response & Evaluation Guide – Mandatory Requirement items have been reduced.

The RFQ Attachment H *Pro Forma Contract* Appendix 2 Functional and Technical Requirements are the features and functions expected in the solution. The Respondent will be evaluated based on their proposed solution. The amount of business requirements required for the first Stage 1A has been reduced. New columns were added to detail the Stages that the business requirements should be implemented. The timeframes for the Stage 1B, 2, 3, 4, and 5 have been extended and is detailed in RFQ Attachment H Pro Forma Contract Appendix 2 – item A.4.
