Statement of Necessity Requiring Public Necessity Rules

The Commissioner of the Tennessee Department of Health ("Commissioner") makes this statement pursuant to Tenn. Code Ann. § 4-5-209(a)(4). The Commissioner hereby promulgates the following public necessity rules required by enactment of the Non-Smoker Protection Act, 2007 Tenn. Pub. Acts ch. 410 ("Act") (June 11, 2007).

Under the Act, the Commissioner must promulgate rules to implement the Act by October 1, 2007, its effective date. 2007 Tenn. Pub. Acts ch. 410, § 5. Based upon the effective date of the Act for rulemaking purposes (June 11, 2007), the Commissioner is precluded from utilizing ordinary rulemaking procedures under Uniform Administrative Procedures Act to timely promulgate permanent rules. 2007 Tenn. Pub. Acts ch. 410, § 5. Therefore, the Commissioner may properly promulgate these rules as public necessity rules.

For purposes of promulgating these rules as rulemaking hearing rules, the earliest date upon which the notice of rulemaking could have been filed for publication in the Tennessee Administrative Register ("TAR") would have been on July 1, 2007, for publication in the July, 15, 2007, issue of the TAR. Tenn. Code Ann. § 4-5-203(a). The rulemaking hearing pursuant to that notice could not be held until 45 days from the date of publication in the TAR, or, at the earliest, on August 15, 2007. Tenn. Code Ann. § 4-5-203(b). Assuming that the Commissioner filed with the Secretary of State rulemaking hearing rules on August 15, 2007, the rules would not become effective until the expiration of 75 days from the date of filing with the Secretary of State, or, at the earliest, on November 1, 2007. Tenn. Code Ann. § 4-5-207.

For purposes of promulgating these rules as proposed rules, assuming that the Commissioner filed the rules with the Secretary of State on June 11, 2007, and assuming that no request for a rulemaking hearing is filed, the rules would not become effective until the expiration of 120 days from the date of filing with the Secretary of State, or, at the earliest, on October 9, 2007.

Further, the Act requires that, for purposes of promulgating rules, the Commissioner consult with the Department of Labor and Workforce Development, 2007 Tenn. Pub. Acts ch. 410, § 2. The Commissioner has acted as timely as possible under the circumstances, and both agencies have jointly and expeditiously developed and promulgated these rules. Under no circumstances, however, could these rules have been effective on October 1, 2007, utilizing ordinary rulemaking procedures to timely promulgate permanent rules.
