**RE: Middle Tennessee Imaging d/b/a/ Premier Radiology  
CN1605-016**

Dear Ms. Hill:

Premier Medical Group, PC hereby gives notice of its opposition to the above referenced project. Premier Medical Group, PC is a multi-specialty medical group with its largest clinic located at 490 Dunlop Lane, Clarksville, Tennessee. Among the services offered by Premier Medical Group, PC is onsite MRI imaging. The Middle Tennessee Imaging Outpatient Diagnostic Center is located within a very short distance from Premier Medical Group, PC.

Premier Medical Group, PC is opposed to the proposed additional Outpatient Diagnostic Center because it does not meet the criteria of need and orderly development of healthcare. Representatives of Premier Medical Group will be at the HSDA meeting at which this project is considered in order to explain the basis of its opposition in more detail.

Sincerely yours,

Lloyd Matson  
Chief Administrator
