1. Child with Disability as defined by Office of Child Care Administration

“Child with a disability” includes:

- (A) A child with a disability, as defined in section 602 of the Individuals with Disabilities Education Act (20 U.S.C. 1401);
- (B) A child who is eligible for early intervention services under part C of the Individuals with Disabilities Education Act (20 U.S.C. 1431 et seq.);
- (C) Child who is less than 13 years of age and who is eligible for services under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); and
- (D) A child with a disability, as defined by the State.

2. Homeless- as defined by Office of Child Care Administration “homeless children and youths” —

- (A) Means individuals who lack a fixed, regular, and adequate nighttime residence; and
- (B) Includes —
 - (i) children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement;
 - (ii) children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
 - (iii) children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
 - (iv) migratory children (as such term is defined in section 1309 of the Elementary and Secondary Education Act of 1965) who qualify as homeless for the purposes of this subtitle because the children are living in circumstances described in clauses (i) through (iii).

3. Military- as defined by Office of Child Care Administration

The Administration has taken a number of actions to increase services and supports for members of the military and their families. We are proposing to add a new data element to the ACF-801 to determine the family’s status related to military service. This element will identify if the parent is currently active duty (i.e. serving full-time) in the U.S. Military or a member of either a National Guard unit or a Military Reserve unit. This data will allow States and Office of Child Care (OCC) to determine the extent to which military families are accessing the Child Care and Development Fund (CCDF) program.
