

For immediate release
March 9, 2016

The Tennessee Department of Transportation has selected the following firms to provide Construction Engineering and Inspection Services as described in the December 15, 2015 Advertisement.

Project

- To create a TDOT Construction Inspection Guide. The purpose of this document is to provide guidance to personnel performing construction inspection for the Tennessee Department of Transportation (TDOT) and to advance the consistency and best practices to ensure quality workmanship and materials are incorporated into TDOT projects.

The Corradino Group, Inc.
